## A Message From The Headteacher

Dear Parent/Carer

### Change to school hours

I am writing to you following the end of the consultation process to make slight changes to the end of the school day and to thank those of you that may have responded.

Following this consultation, I can confirm that from Monday 6 January 2020, on return from the Christmas break, school will finish at 3.10pm rather than 3.20pm.

Out of the responses received, the vast majority (92%) were in favour of the change.

Whilst we are not able to respond to every query, we have considered the feedback and as such, break and lunch will be shortened by just 5 minutes each rather than 10 minutes for either. This means that our morning and lunch breaks remain similar to those of other South Ribble schools and will continue to allow our pupils space, time and opportunities for a range of non-curricular and extra-curricular activities as well as sufficient time to eat and socialise with friends. Also, since September, we have put in place a new system in the dining room which means pupils have been able to visit the dining room and get their food within 20-25 minutes.

There will be no change to the beginning of the day, length of lessons or any other aspect of the day.

Once again, any pupils who may need to stay in school until 3.20pm can continue to do so by going to our Learning Centre which will be open for them and any pupil involved in intervention after school can still be picked up at 4.30pm should you so wish, as is currently the case.

Can I take this opportunity to wish you all the very best for the Christmas and New Year break when it comes and to thank you again for your understanding and cooperation.

A copy of the School Day timings is shown on page 7.

Mr M Eastham, Headteacher

### Attendance Winning Forms

Each week the attendance officer calculates the form with the best attendance for 'Year 11s' and 'The 'Rest' of the school. As the Year 11 form groups are smaller than the others, they are more likely to achieve full attendance. Therefore to ensure fairness, results have been separated out.

This week's winners are:

**Year 11 -  
D8 (95.71%)  
Rest -  
D1 (98.40%)**

Well done to Mrs Elliott's and Mr Wade's forms. Pupils in these forms will receive 10 achievement points.

### NEW YORK TRIP 2021

The New York trip has filled the 50 plus allocation and will be travelling in late April 2021.

The deposit of £150 should now have been paid with further payments of £100 per month from January to the end of October 2020.

# SPORTS REPORT

## Year 7 Football - Super 7s!

*Report by team coach, Mr Gee*

Year 7 continues with their unbeaten start to the season with a 4-1 win over Leyland St Marys on Monday. A dominant first half performance saw Priory race into a 3-0 lead with goals from Collinson, Ogdin and Eland. St Mary's started the second half stronger and quickly pulled back a goal before McGovern scored to make it 4-1 and see Priory collect all three points.

Priory now play Browndedge St Mary's on Monday in their penultimate league game of the season.

## The Maths Department

*Like a challenge?*

**The Head of Maths, Mr Kenrick, will be testing our brain power each week with one of his puzzles.**

Here you will find a puzzle or a problem solving task - these can help to build students' perseverance, mathematical reasoning, ability to apply knowledge creatively in unfamiliar contexts, and confidence in tackling new challenges. Why not have a try yourself!

**Each of the groups of statements below, follow a rule. Can you work out the rule, and therefore the answer to the last statement?**

## On the curriculum w/c 16 December:

### Character & Culture sessions next week will focus on Gambling.

Over the Christmas period some young people and adults find themselves embarking on a path which destroys personal finances. Sometimes through; new computer games bought, the extra time spent on games, or having extra money gifted. Things as simple as buying loot boxes on games is a starting point.

Next week teachers will use presentations, case studies and quizzes to explore this subject. They will discuss 'What's your attitude?', an activity designed to explore the issue of gambling. They will also provide parent guides for home as to what to monitor and, signpost to support groups.

### By the end of this lesson pupils will:

- Consider their opinions about gambling and listen and recognise the views of others.
- Better understand the effects of problem gambling.

### Young people who become addicted to gambling may find they are:

- Lying to friends about what they are doing.
- Short of money.
- Feeling they can not tell anyone and becoming secretive and isolated from friends and family.
- Neglecting their school work, health and appearance.
- Agitated.
- Having mood swings
- Losing friends and their social life as they become obsessed with gambling.

## This week's Character & Culture sessions have focussed on the General Election.

Pupils have been reviewing political party manifestos without knowing which party they belong to. Classes have been voting on which party they would support, based on manifestos and teachers have then revealed which actual party they voted for.

These sessions also intended to help pupils relate to what they may have seen in the media. We hope pupils enjoyed it - it certainly seemed to stimulate a lot of discussion!

*Class results are shown overleaf.*

# Class Election Results

As the British public went to the polls yesterday, so did our pupils.

Mrs Hopes has been up all night counting the ballot papers and dismissing the spoils as the race began to see who would be the first to declare. We couldn't take any more suspense so without further ado here are the results from each Priory class (AKA constituencies) as we went to press. As you can see, Labour is the clear winner.

There have been enough votes received so there is no possibility that the winning party will be any different once all class votes have come in.

An interesting result given that Preston voted Labour and all surrounding areas, including South Ribble voted Conservative.

## The Best Christmas Cake Workshop Ever!!

# Lessons in Christmas Cake Making

When the bell rings at 3.20pm some teachers like to go back to class. Over the past month, Deputy Head and Food Technology teacher, Mrs Cowell, has been running Christmas cake workshops - teaching the teachers!

Amongst them, Mrs Ham, Mrs Willis and Mrs Dixon developed their inner Mary Berry and created these wonderful delights which wouldn't look out of place in a Bake Off competition.

## Did you know...

One in seven (14.2%) children and young people under the age of 18 will have lived with domestic violence at some point in their childhood. This could be through being exposed to domestic abuse in the family home, experiencing domestic abuse in their own intimate partner relationships or demonstrating harmful behaviours to those closest to them.

Some 25% of girls and 18% of boys aged 13 to 17 have reported having experienced some form of physical violence from an intimate partner.

As Christmas approaches, incidents of reported domestic abuse rise, therefore it is important that sources of help and support are signposted.

# Newman College Presents... 'From Rags to Riches'

*Report by Miss Howell, Lead Teacher for Drama*

Last Thursday pupils had the opportunity to take part in a workshop and watch a musical that students from Newman College had devised.

Rags to Riches was inspired by the hit musical 'Spend Spend Spend'. It's based around a woman who had won the lottery and spent it all, without a care or a thought about the future. Her and her husband soon realised they had no money and they hit hard times. The plot was advanced with singing and dancing, it was full of energy and refreshing to see the talent that is coming through this generation.

Before the performance, our pupils took part in a workshop run by Katie Beard, course co-ordinator at Newman. They learnt about spatial awareness, physical theatre and vocal warm-ups.

Vocal warm-ups are an integral part of any musical theatre performer. Pupils were asked to go up the scale singing in numbers. Sounds easy? I'm sure the pupils wouldn't agree! Even though this was difficult, all pupils persevered, showing great determination.

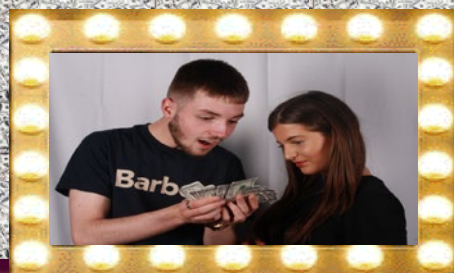

Pupils found physical theatre easier and there were lots of laughing as they were asked to create items out of their bodies - from spinning washing machines to a unicycle, yes, a unicycle! This was by far one of the funniest things we had seen.

Thank you to all pupils that took part, you were a credit to Priory and yourselves. Thank you to Miss Beesley for organising such a great opportunity and a massive thank you to Katie Beard and the students of Newman College for giving up your time and putting on a spectacular performance.

*Pupils attending the session were selected for their interest in dance, drama and singing, and may find the workshop valuable in helping them choose their options later on the year.*

# Priory Pupil Heads Up West!

**Priory pupil George has had a taste of the West End and wants more!**

The Year 8 pupil has already performed at the Palace Theatre Manchester as part of Theatre Dance Studio in Bolton.

And last weekend he went to London with the Bolton dance studio, with their group known as the West End Stars, and took part in 'The Greatest Showcase' at The Indigo at the O2 Arena.

His group performed an Oliver! medley and some songs from Matilda.

"I was gobsmacked when I got out on stage as it was massive," said George.

"I really enjoyed it and would love to perform there again. It gave me a taste of what it is like to be a professional in the shows."

George got involved with singing, dancing and acting at the Theatre Dance Studios as his aunt owns it.

"I went along a couple of years ago and had a go and it was fun. It's just a hobby but I do enjoy singing and acting."

**A reminder that school closes next Friday, 20 December. It's early lunch followed by early school closure at 1.30pm.**

# Mrs Gidden's Cool Readers Club

Priory's Head of English, Mrs Gidden, has been really impressed with many of our multi-talented pupils and wanted to highlight their love of reading while excelling at other pursuits.

**This week we interviewed Year 7 pupil, Megan.**

Megan is currently hooked on the book 'Doom Rider' by David Gatward.

Whilst this Year 7 pupil enjoys English, Megan wants to work with animals in the future.

"I am enjoying Doom Rider. It's about a boy who is born into a family of psychics but he doesn't like it and runs away.

"His family die in a fire and he then meets Lily who tells him people are trying to hunt him down and kill him before he turns 13.

"He is a 'Rider' and has to find the other 'Riders' to save the world.

"My favourite book is Dr Franklin's Island by Ann Halam. It's about three teenagers who end up on an island, they are trying to survive and they find a place where scientist Dr Franklin is turning humans into animals. It's a really interesting book.

"My favourite subjects are English and art but I want to be a zoo keeper or be an animal educator in the future.

"I have two guinea pigs, two rabbits and a giant African land snail named Shelby at home. I want to do something with animals."

Megan can also be found running in her spare time with her dad.

# The Weekly Challenge (Week 13)

These challenges are added to Doodle each week for pupils to have a think about. Pupils should then revise these during the week in preparation for a test during their Friday Character & Culture session. The content of these challenges will enhance learning in all subjects and widen Tier 2 vocabulary.

Here is this week's challenge >>

Teachers will work through these with pupils before they are asked to write sentences using the key words, tips and synonyms covered in the challenge. They will then share some of their responses in class.

Teachers will also weave the Word of the Week into lessons, discussions, add examples and support it with 'subject specific' words.

**Pupils** - Through Doodle, we are able to see who has opened, accessed and therefore done this homework. It is important that you do the weekly challenge revision.

## Word of the Week:

### Instinctively

Adverb:

To do something on an instinct or without thinking. A fast, unthinking reaction to a situation.

*'The ball was fired in my direction; I instinctively ducked.'*

word  
week

## Literacy tip of the week...

### Verbs and Sentences.

Every sentence needs a verb.

If you miss your verb out, your sentence doesn't make sense.

The verb should be 'finite' so usually past tense.

Happy and proud, Abigail **RECEIVED** her award.

Arriving late for school, Tara **RUSHED** to lesson.

Ready?

Try checking for the finite verb in your writing so that each sentence 'goes' somewhere.

## Synonym of the week...

### What is a synonym?

A synonym is a word that has a very similar or the same meaning as another word.

So synonyms for 'tired' include 'depleted' and 'weary'.

### TASK:

Find synonyms for the word hungry

Your vocabulary is so important! Make sure you have one!

# Priory's Reverse Advent Calendar

Our reverse advent calendar collection continues throughout December.

During AM Preps leading up to the end of term, pupils can take items to Mrs Hopes' office or Mrs Holland's old office on the Pastoral corridor. Mrs Hopes will be available every morning throughout December to take in donations.
