12 & 13 February 2020 | Curtains up at 6.30pm

TICKETS ON SALE NOW!

If you want a night out away from the TV and the ordinary, come and watch Penwortham Priory Academy's production of 'We Will Rock You'. It will start your feet tapping and your hands clapping. It will be lively, entertaining and exciting.

'We Will Rock You' is a jukebox musical based on the songs of British rock band Queen with a book by Ben Elton. The musical tells the story of a group of Bohemians who struggle to restore the free exchange of thought, fashion, and live music in a distant future where everyone dresses, thinks and acts the same. Musical instruments and composers are forbidden, and rock music is all but unknown.

Tickets can be purchased from the School Office from Monday. Prices are:

Rows 1 and 2	£7 Adult, £5 concession
Other Rows	£6 Adult, £4 concession
Family Ticket (2 Adults, 2 Children)*	£16

*Not available for the first two rows

Attendance Winning Forms

Each week the attendance officer calculates the form with the best attendance for 'Year 11s' and 'The 'Rest' of the school. As the Year 11 form groups are smaller than the others, they are more likely to achieve full attendance. Therefore to ensure fairness, results have been separated out.

This week's winners are:

**Year 11 -
D8 (95.71%)**

**Rest -
R2 (98.67%)**

Well done to Mrs Elliott's and Mr Graham's forms for their best attendance. Pupils in these forms will receive 10 achievement points.

Reminder Year 11 Drama Assessment

They will be using the theatre at Cardinal Newman College for their internal assessment.

South Ribble Community Awards

The South Ribble Community AWARDS 2019

The evening was hosted by broadcasting legend and BBC North West Tonight regular, Dave Guest, at the South Ribble Conference and Business Centre on West Paddock in Leyland. Presenting the awards was Councillor Harry Hancock, the Mayor of South Ribble.

Councillor Paul Foster, said:

“The awards ceremony brought together the very best of South Ribble and celebrated everyone’s incredible

achievements. It’s so important that we take the opportunity to highlight cases of people going the extra mile to care for their customers, pupils, employees or students. Often, these are acts of kindness and dedication which are far from required or even expected in their role; however, they do it regardless because they care deeply about the quality of their work and the happiness of the person or people on receiving end.”

The award was won by Headteacher of Seven Stars Primary School in Leyland, however Miss Ackers had a thoroughly enjoyable evening, met some fabulous people and was presented with a glass trophy for her achievements.

Miss Ackers commented, "The awards night was an incredible experience and I'm thankful to have gotten to the final three. The other nominees are amazing teachers and to be in the same category as them is an honour. I couldn't have gotten this far without the students at Priory and I will do my best to continue to deliver the quality of lessons that helped me to receive this nomination.

The Big Assembly

As part of our careers education (CEIAG) programme pupils will be watching the 'The Big Assembly' during National Apprenticeship Week (#NAW2020).

Apprenticeships

National Apprenticeship Week
3 to 9 February 2020

All pupils will watch the film during their Character & Culture classes across the week which commences on Monday.

The Big Assembly is a 30 minute online interactive webinar, where both teachers and students get involved; they'll be able to ask panellists questions through a chat facility and vote in interactive polls throughout the broadcast.

It will be the seventh in a successful series of digital broadcasts, with audiences of thousands from across the UK simultaneously participating in conversations about their futures.

Amongst the panellists are current apprentices who will give students advice and information about apprenticeships and careers. The assembly demonstrates how inclusive apprenticeships are, with panellists from a host of different socio-economic and ethnic backgrounds to those who live with mental and physical challenges.

National Apprenticeship Week (3 – 9 February 2020) is a time to recognise and applaud apprenticeship success stories across the country, extending the message to communities and audiences, including employers, that are less familiar with the value and return on investment they bring.

The Maths Department

Like a challenge?

The Head of Maths, Mr Kenrick, will be testing our brain power each week with one of his puzzles.

Here you will find a puzzle or a problem solving task - these can help to build students' perseverance, mathematical reasoning, ability to apply knowledge creatively in unfamiliar contexts, and confidence in tackling new challenges. Why not have a try yourself!

I am thinking of four numbers...

- They are all different
- They add up to 20
- The sum of any 3 of them is always divisible by the 4th

What are the numbers I'm thinking of?

South Ribble Cricket Competition

SPORTS REPORT

Report by Team Coach, Mr Kenrick.

It was with great anticipation that the boys Under 13s cricket team set off for their first cricket tournament, located at the indoor tennis centre at Bamber Bridge. Spirits were high on the minibus!

Our competition for the day was from Hutton (the team to beat!), Balshaws, All Hallows, Leyland St Mary's and Lostock Hall.

The opposing batsmen had a difficult time facing the fast swing bowling from Adam B, whilst Captain Ben M provided trickery with his accurate middle pace. Alex E and Jake S provided quality death bowling towards the end of the oppositions innings.

Priory displayed some excellent batting with Adam B, Alex E and Stephen P-N swinging like professionals in order to increase our run rate; whilst Jake S played a number of solid innings like a proper test batsman.

Other notable performances included great late batting from Harry R, Jamie C (Wicketkeeper) and Theo C.

In the field Theo C was so competitive - demanding players get into the correct fielding positions! Joe T provided quality bowling and batting support throughout.

All of the boys had a great day out - not only are we planning our next few training sessions but also a trip to Old Trafford to watch Lancashire Lightning.

Well done to all boys involved!

Team: Adam B, Ben M, Alex E, Jake S, Stephen P-N, Harry R, Jamie C, Theo C, Joe T.

If you are in Year 7 or 8 and would like to take part, come down to training - Thursdays after school from 3.10pm - 4.30pm in the Sports Hall.

Developing Skills in Basketball - Training at Preston Pride

Priory's Under 14s team have made an excellent start to the season. With this in mind, Assistant Head & PE Teacher Mr Gee, would like to signpost all keen players to Preston Pride Basketball Club in order to further develop their skills. Training for boys in Years 7-9 takes place at Newman College on Tuesdays from 5.30pm-7pm. The U14 coach, Sam Fitzpatrick, came to Priory to complete his PE teaching practice and may be known to some of our older pupils.

Abigail Climbs High For Charity

Generous Year 7 pupil Abigail spends her spare time fundraising or helping others.

Abigail has always been a firm supporter of charities. She raised funds at her primary school Farington Moss St Paul's for a little girl in Tanzania and also has been to Cuba with her family to distribute items like toiletries to charities there.

Over Christmas, she has carried out a number of charity events, supporting her dad Jason who is taking part in The Big Battlefield Bike Ride 2020, which is commemorating the 80th anniversary of the Dunkirk evacuation, with all funds raised going to Help for Heroes.

"My dad has to raise a certain amount of money for the bike ride so I have been helping him," said Abigail. "I have taken part in bag packing at Morrison's in Stockport as that's where most of the my dad's team of riders are from.

"I also took part in a coffee morning at Woodley Civic Hall which raised £132 for Help for Heroes."

As well as this, Abigail spent her Christmas Day helping others at Find a Friend Christmas Dinner at the Blue Anchor in Bretherton.

"We usually spend Christmas Day eating and relaxing and a neighbour got us involved with Find a Friend Christmas Dinner, it's nice to do something kind.

"My job was to help to find out where the people with food allergies were sitting and make sure they got the right food so it was quite a responsible job.

"It was a testing but rewarding Christmas Day, there were around 60 people there altogether."

Abigail is planning another trip to Cuba with her family to take more goods for those in need while she is also currently thinking about a sponsored climb at West View Leisure Centre.

"I might climb the height of Blackpool Tower or something like that for Help for Heroes."

Despite all the charity work, Abigail has her sights set on a different future career - "I want to be a zookeeper with medium sized animals."

Since we interviewed Abigail, she has now booked her sponsored climb at West View Leisure Centre. On 17 February from 10:00, she and her cousin will each be climbing the equivalent height of Blackpool Tower - 158 metres!

Year 11 Revision Skills & Support Workshop

Head of Year 11, Mr Faulkner, was pleased to see so many parents and pupils at last Wednesday evening's event.

All pupils were given a complimentary 'How to Revise' booklet and were guided through a revision techniques presentation by Mr Watters.

Those pupils who were not able to attend on the evening were invited to a catch-up session in school on Friday.

Revision guides are available for most subjects directly from individual departments. Pupils should speak to their class teacher for details and a copy of the order form.

Year 11 Spring Term Mock Exams

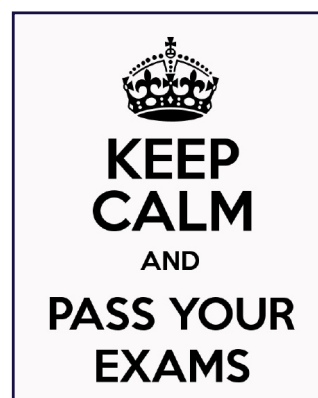

The next set of mock exams for Year 11 pupils will begin on Monday, 2 March and will run up to Wednesday, 18 March.

Copies of pupils' individual timetables, also containing their seating arrangements, will be given to pupils in due course.

In the meantime, the full timetable across the period is available to download from the school website at >>

<https://www.priory.lancs.sch.uk/pupils/revision>

Due to the length of some exams, there will be an early lunch for all pupils on 2 & 10 March. The Sports Hall and the surrounding area will be out of bounds for other pupils during this period and we ask that they are respectful and keep noise to an absolute minimum.

Mrs Gidden's Cool Readers Club

Priory's Head of English, Mrs Gidden, has been really impressed with many of our multi-talented pupils and wanted to highlight their love of reading while excelling at other pursuits.

This week we interviewed Year 8 pupil, Zach.

Zach is currently engrossed in Young Sherlock Holmes: Death Cloud by Andrew Lane.

"I am not that far into it, it's obviously about a young Sherlock Holmes and he has just gone to school.

"He has found out his mum is ill and his brother is at work and he goes to live with his rich aunty and uncle who are also very strict. He had never met them before that.

"He gets bored and someone is watching him in his room and I think he is about to go and solve mysteries but I don't know yet!"

Zach admits he is a keen reader. "I do play on my X-Box and things like that but, once I have done my homework, I find myself picking up a book.

"My favourite books are the Harry Potter series so I guess my favourite author is JK Rowling.

"I like mystery novels, I like the Sinclair's Mystery novels by Katherine Woodfine which include The Mystery of the Painted Dragon and The Mystery of the Jewelled Moth."

Zach's favourite subject is history and out of school he plays football for Penwortham St Theresa's football club as a defender.

"I support Manchester City but I am a Preston North End season ticket holder because it's cheaper!"

PE Reward Trip - England Vs Italy Euro 2020 Friendly

The PE department is planning to take a group of 45 students to Wembley to watch the Euro 2020 warm up match against Italy on Friday, 27 March 2020. The visit is a reward for those pupils that have committed time to represent Priory during extra-curricular activities.

Those pupils that have qualified for this trip have been given a letter directly from Head of PE, Mr Bullock. Pupils who wish to go should return their reply slips no later than Mon, 3 February. If replies exceed places available then names will be selected randomly by ballot and pupils informed accordingly. Monies will be returned to those that haven't been successful in gaining a place.
