

Penwortham Priory Post

Jordan's Original 'Happy Place'!

Everyone at Penwortham Priory Academy is rooting for former pupil Jordan North as he takes on the challenge of 'I'm A Celebrity...Get Me Out Of Here.'

The Radio One DJ, a keen Burnley FC fan, has proved a hit in the castle in Wales and Priory staff say it is no wonder he has bonded with Coronation Street favourite Beverley Callard, who plays Liz McDonald in 'The Street.'

Assistant Head Mrs Crank, who was his ICT teacher when Jordan was at Priory, said: "One of my many favourite memories of Jordan was when he came into lesson one day and he sat there quite quiet and subdued."

"Having left Jordan for a few minutes to see if he needed time or if he wanted to chat, he then shouted at the top of his voice 'Oh no! I've forgotten to set record for Corrie tonight for me and my mum!'"

"We all laughed and Jordan then continued to share with the class not only how much his mum meant to him, but his love of Corrie and what was happening in 'The Street'."

"Everyone in the class was just drawn in by him as he talked about the characters and the storyline, and he ended with: 'You lot don't know what you are missing by not watching Corrie!'"

Jordan left Priory in 2006 but returned in 2018 for the school's annual awards evening, to present prizes and give a speech.

Our very best wishes to Mrs Bullock as she starts her maternity leave and welcome back Mrs Farley!

The Head of Year 7, Mrs Bullock, has now begun her maternity leave. In perfect timing, Mrs Farley, returns from her maternity leave to resume the role from 1 December.

For the interim week, Head of PE Mr Bullock, will look after any matters concerning Year 7. On the occasion that he needs to start his paternity leave early, leadership for the year group will be taken on by the pastoral team.

Mrs Farley will also continue as Transition Manager and Mrs Crank will remain in charge of all in-year admission enquiries until further notice.

On her return in September, Mrs Bullock will lead Year 8 thereby continuing to take care of the pupils she knows best.

From Mon, 23 Nov - Mon, 30 Nov -

Mr Bullock can be contacted at m.bullock@priory.lancs.sch.uk

From Tues, 1 December -

Mrs Farley can be contacted at l.farley@priory.lancs.sch.uk

Mrs Farley returns on 1 December

Aerosols in School

A reminder that aerosols should not be brought into school. As well as being a flammable risk, the use of aerosols is a real health hazard to asthma sufferers.

Spraying an aerosol can trigger an asthma attack.

Pupils wanting to bring deodorants into school for use after PE or activity should use alternative products such as a roll on, stick or pump spray.

As you will appreciate we want to ensure that all pupils and staff are protected from the dangers caused by these products; therefore could all parents help ensure this rule is followed and that sprays and aerosols are not purchased for use in school.

If a banned product is found it will be confiscated as we will assume the intention is to use it.

Thank you for your co-operation.

Mrs Bullock, Mrs Bailey, Mrs Ham,
Mr Faulkner, Mrs Eastham - Heads of year

Learn to succeed

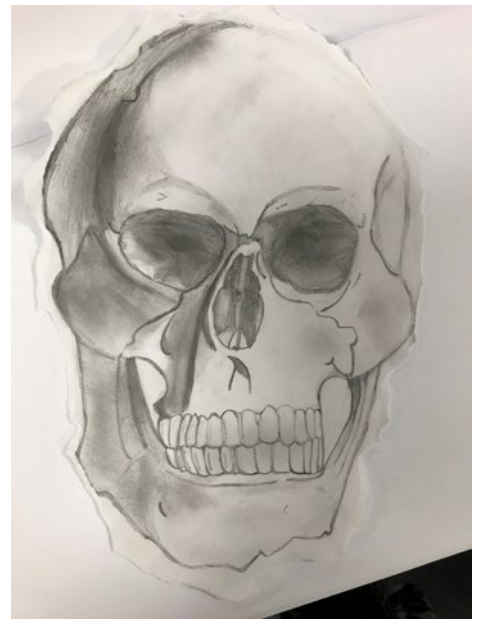

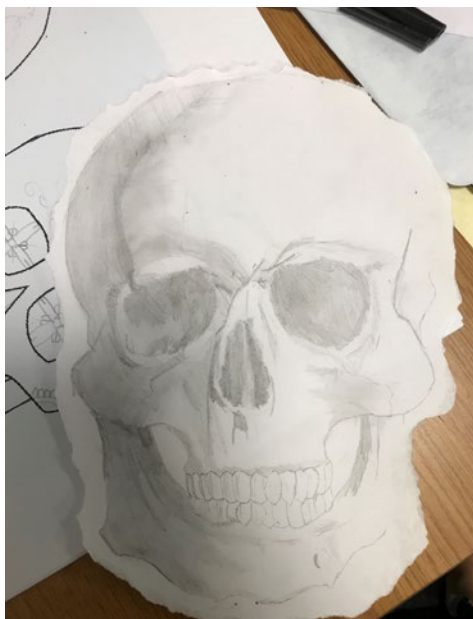

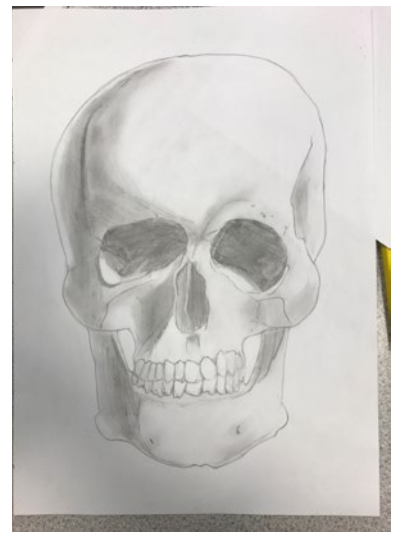

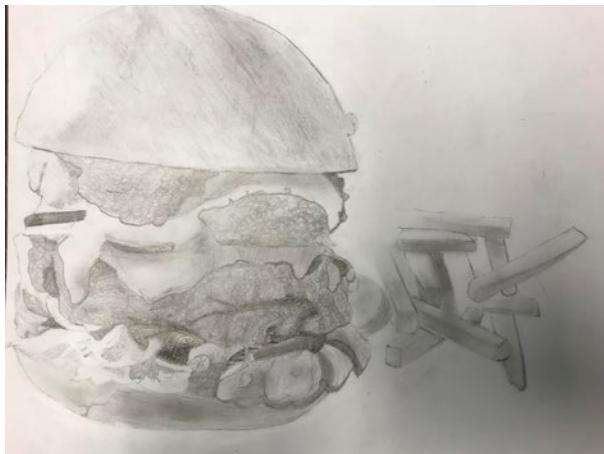

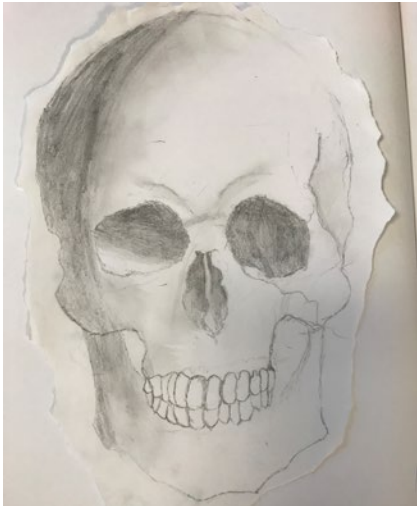

In their Art & Design lessons Year 8 carousel two are currently exploring the theme 'Mexican Day of the Dead'. The introduction to which is the accurate drawing of a skull. Pupils are learning how to closely observe and how to apply tonal shading to their pieces, to create realism.

Here's some fabulous pencil drawings from E2 and W2 - Billy M (R6), Jamie C (H6), Samuel D (H3), Thea R (R1), Chloe B (H4), Jake S (R3).

Year 9 carousel two pupils have spent the last few art lessons looking at how to closely observe and replicate shape. They have then investigated the use of texture and tone to create different effects. Some skilled artwork here from E2 and W2 Dylan P (H4), Paige C (H1).

Mrs Hopes
Lead Teacher of Art

Learn to succeed

Continued from front page...

"I actually felt nervous giving a speech!" said Jordan at the time. "I came to Priory from Years Nine-11 as I travelled around a lot as my dad was in the army. I absolutely loved it. I left school with GCSEs, mostly Bs and Cs.

"Mrs Crank was good to me and I still keep in touch with her. I also liked Miss Wilson who taught me English, she had a big influence on me, and Mrs Scott, who has retired. She was my form teacher and she took no nonsense!"

Headteacher, Mr Eastham said everyone loved Jordan at Priory.

"Jordan was a brilliant student. His personality shone in every lesson and he worked hard and gave his all. He got on with everyone, including staff and pupils, and he would always share his favourite TV viewings, including his love of Coronation Street."

"He enjoyed school in general, but his favourite subjects were English with Mrs Wilson, sadly she passed away a few years ago. She always brought out the best in Jordan and allowed him to shine at any opportunity. Mrs Scott (Head of Music, when Jordan was here) was his form tutor and he had a wonderful relationship with her and she always saw Jordan's potential.

"Jordan also enjoyed Mrs Crank's ICT lessons where they'd often talk about music, updates on current soaps and his family, as well as completing the work set. Every lesson with Jordan was one to be enjoyed and he brightened up the day.

"Jordan had a bubbly personality, we recall his friendliness with everyone and he was always considerate, kind and thoughtful."

Mr Eastham, a Preston North End fan, does recall one special time which showed Jordan's humour – and love of the Claret's!

"He showed his cheeky side the year Preston North End got through to the Play-Off final in 2005 at the Millennium Stadium against West Ham. Being Head of PE back then, in order to support our home town club, I said that any PNE fans could wear their PNE shirts for PE lessons in the week leading up to the final.

"It'll come as no surprise then to know, given Jordan's love of Burnley, that he turned up to PE in his Burnley shirt instead!"

Continued next page...

Jordan presenting at the Year 11 leavers celebration assembly when he returned to Priory in November 2018.

...continued from page 5

"I sent him an email the other day to wish him all the best with 'I'm a Celebrity' – though of course he won't get it until the experience is all over for him.

I said, to make up for that week when I allowed everyone to come into school wearing PNE shirts – when he wins... I've said I'll wear a Burnley shirt for the day!"

Everyone is rooting for Jordan.

"We've always supported and believed in Jordan," said Mr Eastham. "When he worked at Rock FM, he kept in touch and told us how things were going and when we heard he was moving to London to take up work at Radio 1 we'd get in touch and wish him all the luck. He knew this move wasn't going to be easy but we all believed in him and even now he keeps in touch with Mrs Crank and the family always listen to him on Radio 1.

"As for doing I'm A Celebrity, we are delighted to hear Jordan is on the show and are glad people are seeing the real, true, honest, kind-hearted Jordan."

Jordan North | Class of 2006

It seems many of you are #TEAMJORDAN as our Facebook post below went viral in Priory terms. Since we announced to our followers the news of a former pupil going into the I'm a Celeb castle last Sunday, Penwortham Priory Academy has appeared in the newsfeeds of over 35,000 people (and counting!) We're absolutely astounded!

Parents Evening

Year 11 Parents Evening

Unfortunately, parents evening cannot run in its normal way this year. As a result, the event will be via a telephone call from your child's teachers over three days:

Mon, 23 November: Maths + Option Group A
Tues, 24 November: English + Option Group B
Weds, 25 November: Science + Option Group C

In order to facilitate the smooth running of the evening Year 11 pupils have been given an appointment sheet for each of their subjects to bring home to you. These sheets will be clearly marked with the day, teacher and subject and ask you to include the phone number you wish to be contacted on.

Please tick all the time slots when you will be free to receive a call. Staff will indicate when they are free from 8.50am until 7.55pm. You will need to do this for each subject's appointment sheet.

Once you have completed the forms, please ask your child to return it to their subject teacher who will then confirm your time slot via your child.

A letter about the plan was emailed to all parents of Year 11 pupils on Monday and can be downloaded from the school website at www.priory.lancs.sch.uk/parents/letters

Mr Gee
Assistant Headteacher

Masks in School

The wearing of face coverings has been mandatory in schools for several weeks now. **Over this time, we have had to provide masks repeatedly to many pupils who have forgotten or misplaced theirs and therefore, reluctantly, we have now taken the decision to charge a small fee for them.**

If a pupil arrives in school without a mask they should see their Head of Year, who will provide a disposable mask and may also contact their parent/carer. For the safety of all pupils and staff, repeated offenders will be sent home at the Head of Year's discretion after three instances without a mask.

Masks will be charged at 50p each. This will be added to your child's SCOPay account for payment unless your child is able to pay this in cash at the time.

This does not apply to those who are exempt from wearing face coverings for medical reasons. Any family requiring support should contact their child's Head of Year.

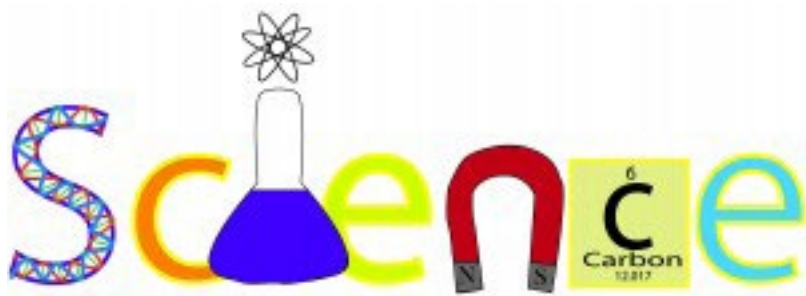

We will continue to educate and remind our young people of their responsibility in keeping all those that they may come into contact with, both at school and in our local community, safe, and we thank you for your continued support in doing this with your own daughters and sons too.

Thank you for your support,
Heads of year

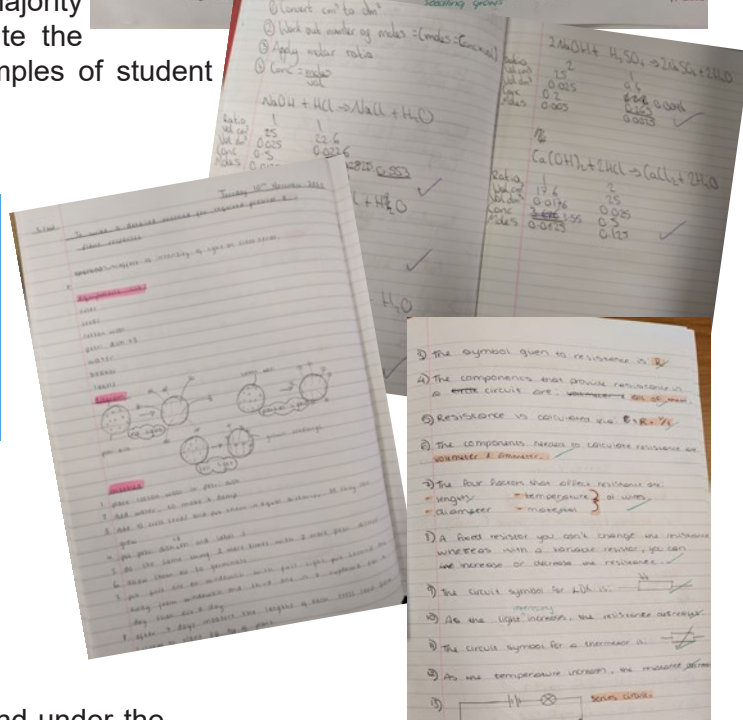

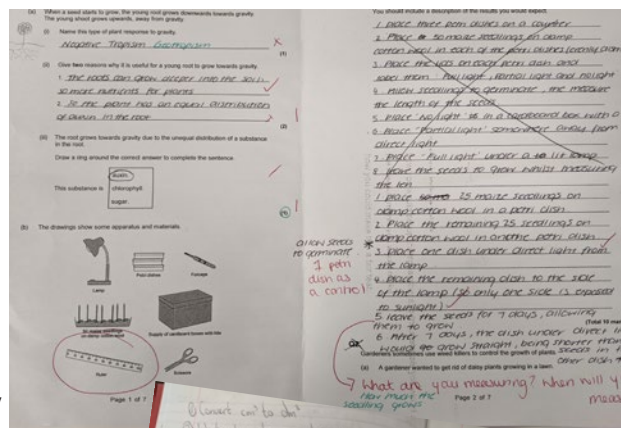

reminder

Learn to succeed

It is great to see the hard work and effort that the vast majority of our science students put in week by week, despite the challenging circumstances. These are just some examples of student work from the past few weeks...

reminder

Reminder For Students and Parents

All year groups are set Science homework on Seneca (www.senecalearning.com). The homework can be found under the 'Assignments' tab on the menu and is set Monday to Monday.

If you need further assistance with this, please contact Mr Bedford by email d.bedford@priory.lancs.sch.uk

Speaking of Seneca homework:

The following Year 11 students achieved excellent scores on their homework due 16 November:

Eleanor L, Robyn W, Toby B, Amy L, Ben R, Zack L, Tilly McN, Dhilan C, Rebecca J, Adam W, Cerys S, Eleanor R, Ella W, Jodi E, Ishaq B, Lillie E-H, Katie M, Lucy J, Erin C, Louis F, Maddie W, Louisa R, Diogo P, Caitlin W.

And similarly from Year 10:

Libby W, Rhianne L, Oskar C, Tom D, Grace H, Abbie C, Lara M, Cora P, Josh P, Aidan R, James M, Erin M, Emily B, Josie M, Jess S-Y, Lydia H, Charlie E-H, Jazmin A, Abi C, Alex P, Jacob D, Matthew H, Vidhi C, Sam M-B, Jacob H, Keira M, Daisy D, Reuben K, Ethan S.

And finally...

For those students who were not able to purchase a revision guide last year, we will

be placing another order in the coming weeks. Full details about these are on the next page and letters, with the order form, have been distributed to pupils this week. There's some good news - if you purchased a revision guide last year, you do not need another for Year 11 - it's all in the same book(s)!

Mr Bedford
Head of Science

Learn to succeed

Year 11 Science Interventions

Following the first set of exams for Year 11, we are now running targeted intervention sessions for each of the three sciences. Your child should know if they have been specifically requested for Science intervention. Everyone is welcome however places will be allocated to the targeted students first. If you are unsure whether your child is on the intervention list or have any other questions, please email Mr Bedford at d.bedford@priory.lancs.sch.uk.

These Science support sessions are held each Monday from 3:20pm until 4pm.

The sessions will be run as a normal lesson and therefore standard school policies and procedures will apply. We would be most grateful for parental support by encouraging attendance for their best interest.

A letter has been emailed to parents this week and can also be downloaded from the school website at www.priory.lancs.sch.uk/parents/letters

GCSE Science Revision Guides (Year 10 & 11)

These guides are on offer to Key Stage 4 pupils and letters have been given out this week by Science teachers. The books are compatible with the AQA GCSE specifications that the school follows and as such, we strongly recommend their purchase. The science department will be discussing with students how to make best use of them and how to revise effectively.

Science Trilogy Foundation / Higher | Biology Higher Tier | Chemistry Higher Tier | Physics Higher Tier

If you would like to purchase any of these revision materials, please complete the order form which was attached to the letter and return it to your child's Science teacher by **Friday, 4 December**. Payment must be made in advanced through your online SCOPay account.

If you are unsure of which materials may be of benefit to your child, please ask them to discuss it with their Science teacher or contact Mr Bedford, Head of Science, by e-mail at d.bedford@priory.lancs.sch.uk. Please note that these are the same books offered for purchase last year which cover the full course so there is no need to purchase these again.

A copy of the letter can also be downloaded from the school website at www.priory.lancs.sch.uk/parents/letters

Learn to succeed

It All Added Up For Last Year's Year 11, Ryan

Whilst at Priory, Ryan took Maths masterclasses at Lancaster University which also supported his GCSE in Further Maths. This week we received his certificate.

Ryan, who moved on from Priory this summer, was nominated by Head of Maths, Mr Kenrick, to attend the Royal Institution's Mathematics Masterclass at the university as he wanted to push himself further.

"It's over six weeks and it's two-and-half hours every time. It's to A-Level and degree level and I have learnt a lot from it", Ryan said at the time.

The RI Masterclasses are part of a nationwide programme of mathematics, engineering and computer science classes which have been running since 1981. The courses bring top experts from academia and industry together with keen and talented young people for hands-on and interactive extra-curricular sessions.

Ryan achieved a Grade 8 in Maths and a Grade 6 in Further Maths and is now doing both subjects at A-Level. He intends to carry on to do a degree in Maths.

Mr Kenrick commented, "This year our Year 11s were record breakers in terms of achieving Grades 7-9 in Maths because they are also sitting the Further Maths qualification. The extra GCSE has boosted their grades and we hope for even better results next year."

GCSE Further Maths sessions are with Mr Raynor every Tuesday after school for higher tier pupils. Pupils should discuss this with their Maths teacher if they are interested in the course.

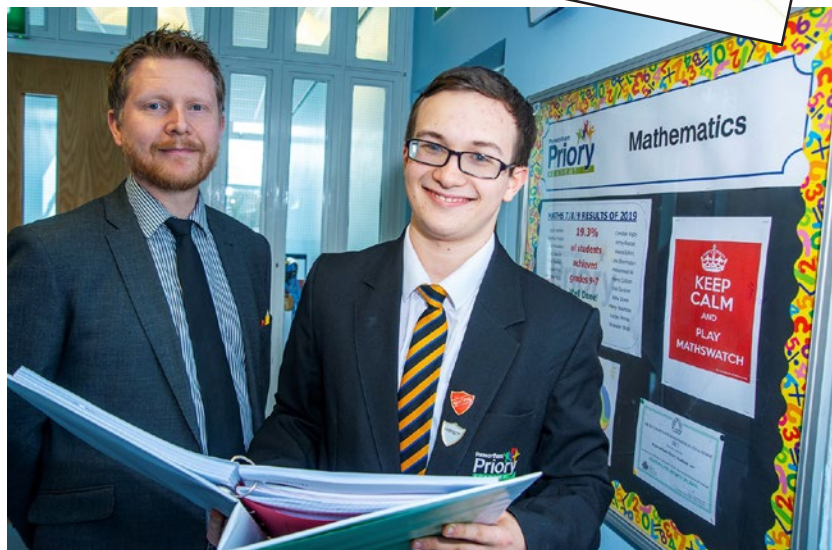

Photo of Ryan and Mr Kenrick taken in March this year.

Year 11 Maths Interventions

These additional classes are held on Tuesdays after school until 4pm.

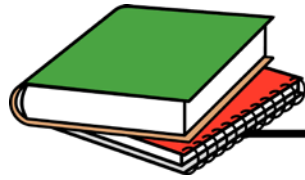

Selected pupils are to attend this intervention to work on specific weaknesses from practice paper assessments with their maths teacher. Students are rotated as per need.

Mr Raynor also runs GCSE Further Maths classes at this time. This is an extra qualification for higher tier students interested in studying Mathematics at college or wanting to improve their GCSE Maths target grade.

Mr Kenrick
Head of Maths

Learn to succeed

English

Year 11 English Interventions - Thursdays

These additional classes are held on Thursdays after school until approx 4pm.

Pupils should see their English teacher first although may simply turn up for the session if they wish. For some pupils these interventions will be compulsory if their teacher feels they are struggling with that area of study.

Maximum number of pupils is 25 per class.

Mrs Gidden
Head of English

Week	Teacher / Room	Poem
26 November	Mrs Gidden EN3	Exposure
	Mrs Webster EN1	Charge of the Light Brigade
	Mr Faulkner TBC	Charge of the Light Brigade
3 December	Mrs Robinson-Ali EN2	Macbeth Act 1
	Miss Thornton EN4	Macbeth Act 1
	Mrs Gidden EN3	Romeo and Juliet Act 1
10 December	Mrs Webster EN1	Macbeth Act 1
	Mrs Elliott EN4	Macbeth Act 1
	Mrs Gidden EN3	Romeo and Juliet Act 1

Year 11 Humanities Interventions

Geography : Year 11 interventions continue after school every **Thursday and Friday until 4pm** as per the rota previously advised. Pupils should see Mr Watters for a reminder of their sessions, if required, or parents may email ...
a.watters@priory.lancs.sch.uk.

History: Year 11 interventions run every **Monday and Thursday until 3.45am**. Pupils should see Mr Eccles if they have any questions before the session or parents may email a.eccles@priory.lancs.sch.uk.

Learn to succeed

COMMUNITY & VOLUNTARY

Priory's Reverse Advent Calendar

From **Mon, 23 November to Weds, 9 December**, we will be collecting for our reverse advent calendar. The collection is firstly for Penwortham's food bank supporting local families, and the second is for the homeless visiting the Foxton Centre.

We are asking families to bring in items over the two weeks, ready to distribute the week before school closes.

Both organisations have been very grateful for all our donations in the past in supporting those who have less than us. This part of our Culture Focus for the term: Kindness.

What is a reverse advent calendar? Reverse advent calendars work by you filling them every day with items of food or clothing that can then be taken to a food bank or charity in order to help those less fortunate who are struggling at Christmas time.

In terms of the homeless, this year they are in need of the following:

- Hats, gloves, scarves
- New underwear and socks for both male and females
- Toiletries or toiletry gift sets they can give out as presents, baby wipes, lip balms
- Non-perishable food (anything in a tin or packet), along with bake at home bread, longlife milk
- Selection boxes and Christmas type chocolates/cakes/mince pies

Who do I leave my donations with in school?

Before Period 1 lessons leading up to Weds, 9 December, pupils can take items to their bubble collection base:

Year 7 - PE office | Year 8 - Office between HU5 and HU6 | Year 9 - Humanities office | Year 10 - Pastoral corridor collection room | Year 11 - SC1

Here's a list of what the food bank is asking for...

Anything in a tin or packet -

- Coffee, tea, sugar
- Longlife milk
- Cereal and breakfast bars
- Biscuits, cakes, mince pies
- Selection boxes, chocolates
- Packets of dried food inc pasta and noodles
- Tinned pies
- Soup
- Jars of pasta sauce
- Tinned vegetables (inc potatoes, tomatoes)
- Tinned rice pudding, custard
- Beans and spaghetti
- Corned beef
- Men's and women's underwear
- Hats, scarves, gloves
- Shower gel,
- Men's and women's deodorants
- Shampoo, conditioner
- Toothbrushes, toothpaste,
- Soaps, lip balm
- Gift sets
- Washing powder/tablets
- Towels

Mrs Hopes, Head of Learning for Life &
Mrs Massey, Assistant Head of Science

Learn to succeed

The Weekly Challenge

These short general knowledge quizzes are set fortnightly as part of Friday's Learning for Life lesson.

Pupils in Year 7-10 are given this as a homework assignment, via MS Teams, to revise for the test at the end of the week. The content of these quizzes will enhance learning across all subjects and widen Year 2 vocabulary.

Here's today's challenge. Parents - How would you get on?

1. Who wrote Charlie and the Chocolate Factory?
2. What is a geologic time scale?
3. What does the 'circumference' of a circle mean?
4. When was Preston North End Football Club founded?
5. What is the Royal British Legion?
6. Who invented the vacuum flask / thermos flask?
7. What does the French verb 'avoir' mean?
8. What does 'suffuse' mean?
9. Choose and rewrite the correct spelling of the word that means 'divide / cause to move apart'. Separate, seprate, separate.
10. If you double click on a word in a digital document, what happens?

Answers on page 15

Quick Draw Rewards

Each week, teachers will nominate individuals who have particularly impressed them with their effort, attitude and engagement with their learning - giving a brief reason why. Teachers will let all pupils know if they have a nomination. Heads of Year will then draw a name at random from the list, one per year group. The lucky pupils will then be contacted by Miss Thornton to receive their £5 voucher.

Winning pupils have a choice of a £5 Amazon or Love2Shop voucher, both of which can be spent online, or a £5 Costa Coffee voucher.

Randomly chosen winners from last week were:

- Year 7 - Jayden H - Nominated by Miss Ackers for excellent effort in Geography.
Year 8 - Daniel W-B - Nominated by Mr Taylor for excellent analysis of Beethoven's 9th symphony.
Year 9 - Harvey H - Nominated by Mrs Elliott for 100% pass rate on AR.
Year 10 - Jack S - Nominated by Mr Eccles for excellent response to 12 mark exam question.
Year 11 - Sophia T - Nominated by Mrs Massey for excellent result on most recent test.

Miss Thornton
English Teacher and Specialist Leader for Education

Learn to succeed

Word of the Week

Every week teachers will introduce a new word to pupils in their Learning For Life 'Challenge Day' lesson.

Teachers will clearly explain the literacy tip of the week and will reference the Word of the Week in their lessons. Pupils will be challenged about them in curriculum time. Achievement points are awarded for correct use of Word of the Week.

Pupils: Make sure you have checked through your work to ensure you have applied the literacy tip correctly.

Word of the Week:

Acknowledge

Verb

To accept or admit the existence or truth of. E.g. *I acknowledge that I have homework on Friday.*

Etymology:

late 15th century: from the obsolete Middle English verb *knowledge*, influenced by obsolete *acknow* 'acknowledge, confess'.

Literacy tip of the week...

USE FULL STOPS AND COMMAS!

Full stops are to be used at the end of a sentence. There are no rules as to how long a sentence should be, but if we let sentences run on too long they can become confusing and hard to follow.

Commas indicate a pause, generally, in a sentence. They can also be used to mark off a section of a sentence, like the one I used above.

Punctuate this sentence:

Last night I went to my grandma's for dinner and it was great and we had fish and chips for our dinner and then we watched TV before I went home to bed I have school in the morning.

Use full stops and commas appropriately in your own work!

Synonym of the week...

What is a synonym?

A synonym is a word that has a very similar or the same meaning as another word.

So synonyms for 'tired' include 'depleted' and 'weary'

TASK:

Find synonyms for the word:

Boring

Your vocabulary is so important! Make sure you have one!

At Penwortham Priory Academy the Learning for Life curriculum is designed to support the promotion of excellence for pupils and do all it can to improve their life chances.

Pupils have two 20 minute Learning for Life lessons each week where they will participate in the curriculum shown opposite.

Where you will learn things you will need and will use, now and in the future.

On the curriculum w/c 23 November

Year 7	Autumn Term - Theme: 'Starting as we mean to go on' Without harm
Year 8	Autumn Term - Theme: 'Celebrating our difference' Cyberbullying
Year 9	Autumn Term - Theme: 'Finding my voice' Breaking down language
Year 10	Autumn Term - Theme: 'Owning my journey' The labour market
Year 11	Autumn Term - Theme: 'Breaking down the journey' Career pathways

Learn to succeed

Priory's Careers Adviser, Mrs Khan, continues to be in school every Friday for careers appointments and drop-in sessions. Mrs Khan is based EN8 for Year 11 pupils.

Any pupil wishing to meet with Mrs Khan can see their head of year to make an appointment or parents/pupils can email s.khan@priory.lancs.sch.uk

Pupils may wish to discuss various post 16 career pathways via college or apprenticeships, training programmes, college applications, work experience, CV and personal statements.

BAE SYSTEMS

BAE SYSTEMS Career Open Events 2020/21

You'll be at the start of an exciting journey where you'll see the organisation design, develop, produce and deliver the next generation of combat aircraft. You'll be creating technologies for aircraft which will be flying for decades to come - securing the skies over the UK and around the world today, and in the future.
