

Penwortham Priory Post

Priory's Ukraine Fundraising Day

On Friday, 27 May pupils and staff supported the Ukraine fundraising appeal by donating £1 to wear items of blue and yellow. From hair accessories to t-shirts, tops and ties, this brought a colourful end to the term with a great cause in mind.

In addition to the donations, we held a bake sale at break time. It is safe to say, the cakes sold in record speed! We even had a queue outside the Food Technology room with pupils hungry for a slice of the action. Languages teachers, Mrs Bailey and Mrs Scully, also embraced the day by creating Ukraine-themed activities for the pupils during their French lessons.

Organiser, Miss Beesley, said "The kindness and generosity of the pupils throughout has been fantastic and very humbling. From volunteers Henry W (Yr 9), DaMari S (Yr9) and Ella G (Yr8) helping out on the cake stall, pupils and staff providing cake donations to large monetary individual donations from Jack J (Yr9) and Afnan S (Yr8) and, Darcy C (Yr11) who donated a large number of toiletries. We would also like to personally thank Morrison's at Riversway for their very generous community donation to our cake sale - their cakes were delicious!"

The final amount of money raised for the day was £248.98.

Continued overleaf.

Key Dates

Diary Dates

Did you know that the term dates for this academic year, as well as the following two years, are available to view and download from our website?

www.priory.lancs.sch.uk/parents/termdates

Mon, 13 - Weds, 15 June
Year 10 Work Experience placements

15, 16 & 21 June
Year 8 Geography Lake District Trip (3 cohorts)

16 June 3.05pm-4.30pm
Year 8 Cookery Club (booking essential)

Mon, 20 June
Year 10 Preston College sampling day

Tues, 21 June
Year 10 Runshaw College sampling day

Thurs, 23 June
Year 11 last day - final exam followed by celebration assembly.
Learning for Life Day 5
School closure at 1.10pm

Fri, 24 June
Year 11 Alton Towers trip
Year 8 The Big Bang Science Fair Trip

Thurs, 30 June
Years 7-10 Rewards Trips

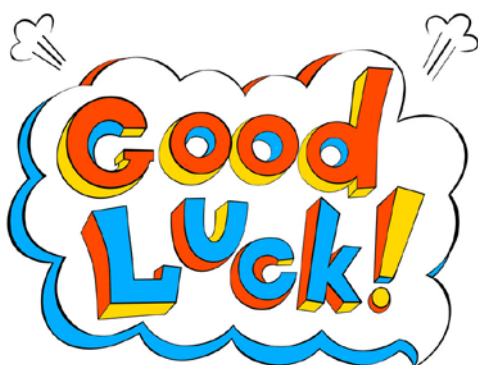

Continued from front page.

The total is such a fantastic amount and this will benefit so many families who are suffering from the war in Ukraine, we are sure they will greatly appreciate what Priory families have done for them.

We will now use the money to purchase the relevant goods and equipment required for the Ukraine families which will be taken to MCR Therapies in Fulwood, who will deliver them to where they need to be. We will also use part of the money for an online donation point where it again can be used as required.

Thank you to everyone again for the part they played in making this a very successful day.

Miss Beesley
and Mrs Willis

Year 10 Work Experience

Good luck to the Year 10 pupils who are going out on work experience next week.

Due to the pandemic unfortunately not all pupils have been able to secure a placement since the lifting of COVID restrictions. Pupils who remain in school will have the opportunity to participate in virtual work experience and different employers will be featured each day.

Learn to succeed

English Department

Year 9 Pupils - English Literature Set Text

During the Autumn term the current Year 9 (going into Year 10) will study compulsory components of GCSE English Literature which they will be assessed on in their final exams. This year pupils will study **Charles Dickens' A Christmas Carol** and **Shakespeare's Macbeth**.

Parents are advised it is in their child's best interest to purchase their own copy of their studied text. Whilst this is not compulsory, stock in the department is limited and having their own copy will mean your child can highlight and annotate, making the text a valuable revision aid.

If you wish to purchase one of these texts, it is recommended that you do so ready for the new academic year. Texts can be ordered from retailers such as Amazon for around £3.00-£6.00 each.

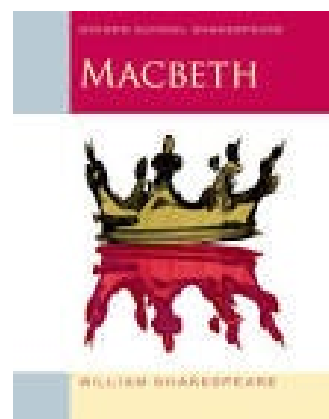

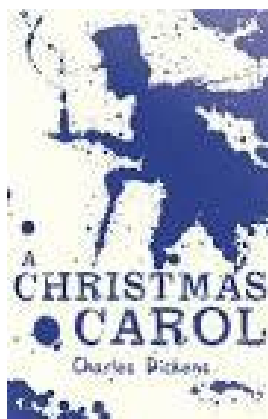

Recommended editions are:

A Christmas Carol ISBN: 9781407143644

Pupils will need the actual **novel**

Macbeth ISBN 9780198324003

Pupils will need the **play script**

College Sampling Days

Year 10 pupils have been given the opportunity to visit Newman, Preston and Runshaw College to further explore their options for life after Priory.

Pupils will take part in different classes during each day, allowing them to experience college life.

Preston's College	Monday, 20 June 2022
Runshaw College	Tuesday, 21 June 2022
Newman College	Tuesday, 5 July 2022

The visits are free and transport will be provided by the colleges. Pupils must arrive at school as normal and will return before the end of the day in time for the school buses.

Pupils must be in full uniform on the day.

Letters have been circulated this week to pupils and emailed to parents. A copy can be downloaded from the school website at >> www.priory.lancs.sch.uk/parents/letters

Learn to succeed

The Harris Art Gallery and Courtauld Institute of Art Mural Project

Prior to lockdown plans were afoot for Priory pupils to work with a local artist on a project featuring Preston Docks, which would be exhibited in the Harris Art Gallery. The project was part of an ongoing partnership between The Courtauld and The Harris. Then Covid struck and The Harris closed for refurbishment until 2024.

When everything reopened, The Courtauld contacted Lead Teacher of Art, Mrs Hopes, and asked if we would like to be involved in another project, alongside another school and the local artist. Mrs Hopes excitedly agreed.

The brief was then set:

During the period of around two years, The Harris will be surrounded by temporary hoardings and the front section of these is to have a mural created by a local artist and two schools. The Courtauld is working with Year 9 pupils at Penwortham Priory Academy and Christ the King Catholic High School to create a mural for the hoardings that will use art and art history approaches to draw from the themes of industrial heritage and migration to Preston.

In each school the project planning was delivered by artists Toya Walker and Gavin Renshaw through a series of short sessions delivered virtually and in person and one whole-day workshop in school. Pupils worked independently and in collaboration to respond to a series of practical activities, using their artworks to plan the mural design.

The aims were to:

- Understand the themes of migration and industrial heritage and how they relate to people's personal experiences

- Know how to translate social and historical themes into contemporary artworks, and why artists sometimes use historical starting points in their work
- Work individually and as a group to create personal and collective responses to the themes
- Understand how artworks can be scaled up or down depending on the medium, site and audiences
- Understand some of the professional methods and techniques of artists and illustrators

The mural is currently being painted by Gavin Renshaw [#mrteaone](#) in preparation, undercover in the locality. Gavin's large scale art works can be seen across the country and in Avenham, Preston.

Continued next page...

The Harris Art Gallery and Courtauld Institute of Art Mural Project continued from previous page.

Gavin is part of the Paint Preston project and has worked in collaboration with many local artists including Colin Binns and Turner Prize Winner Lubaina Himid, whose work pupils are all familiar with. Most recently, Gavin assisted Chris Dorning #cunningcraftsman on his mural on the Black-A-Moor pub in Preston.

Mrs Hopes said, "On 24 May a group of pupils who worked on the planning went to see progress so far on the mural. Pupils spent the hour discussing

with Renshaw how he planned and developed this particular piece and his other pieces. Pupils also asked him about all aspects of his career and his art as part of their careers exploration."

The mural is due for completion in June and will be installed before we finish for the summer break. At which point, all pupils involved will be invited back for a celebration gathering to receive thanks for their input.

Mrs Hopes
Lead Teacher of Art
Head of Learning for Life

Year 8: Do you love cooking and being creative in the kitchen?

Limited Places Available

Mrs Cowell will be running her next **Creative Cookery workshop for Year 8** pupils on **Thurs, 16 June** from 3.05pm to 4.30pm where you'll be celebrating World Tapas Day!

It's World Tapas Day that day and to celebrate, Year 8 are invited to a FREE tapas making workshop. Tapas are small portions of savoury Spanish food. We'll be making some meatballs, some tortilla (a type of omelette) and some skewers of vegetables and chorizo.

It's free but there are only 12 places up for grabs which will be given to the first Year 8 pupils who contact Mrs Cowell via Teams Chat.

If you've got a slot, please let her know any allergies or dietary requirements in advance, and make sure you have organised your safe travel home.

First Draw This Saturday!

It's not too late to get your tickets for our school lottery - the first draw is tomorrow (11 June).

The school's 'Your School Lottery' is part of the Gatherwell Ltd lottery group which was established with a core value of being an ethical lottery provider to help schools facing growing financial pressure.

By taking part, the pupils here at Priory will benefit directly regardless of who wins as every penny raised goes straight back to our school. There is a guaranteed cash winner for the school each week and the chance to win the £25,000 jackpot!

It's easy to get your tickets online - only £1 each:

You can choose to set up a direct debit, a recurring card payment or a one-off payment by card (the minimum term for this is 5 weeks at £5). If you're able to take part, please visit our 'Your School Lottery' page to purchase your first tickets >>

www.yourschoollottery.co.uk/lottery/school/penwortham-priory-academy

For further details and FAQs please see below or visit our website at www.priory.lancs.sch.uk/fundraising-priory/school-lottery

Good Luck!

WE'VE LAUNCHED A LOTTERY

Buy your tickets now to help our fundraising

- Tickets cost just £1
- All profits go to our school
- Local cash prize every week
- Chance to win the £25,000 jackpot!
- Drawn every Saturday at 8pm

To start supporting, visit:
yourschoollottery.co.uk
and search for: Penwortham Priory

Supporters must be 16 years of age or older

SUPPORT OUR LOTTERY TODAY

- £1 per week
- Weekly cash prizes
- £25,000 jackpot

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to Penwortham Priory Academy

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online by direct debit or debit card.

It's so easy to join and will make a real difference to Penwortham Priory Academy

Splitting the £1.00

- 40p goes to our school
- 36p goes to cash prizes
- 20p goes to admin costs
- 4p goes to VAT

The Maths...

100 tickets sold a week means

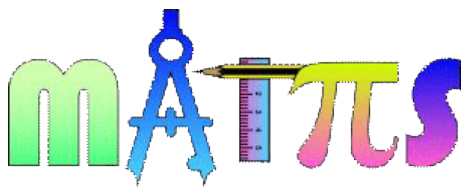

- = £30 weekly cash prize
- = £2,080 a year for our school

Buy A Ticket

Supporters must be 16 years of age or older

Learn to succeed

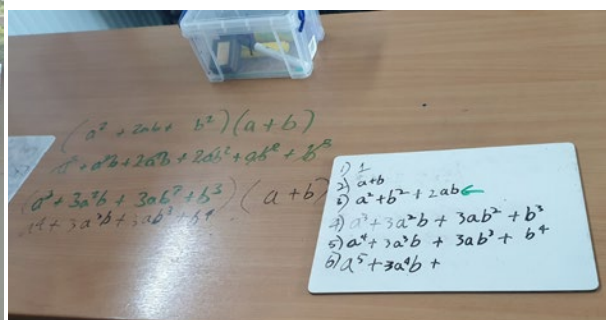

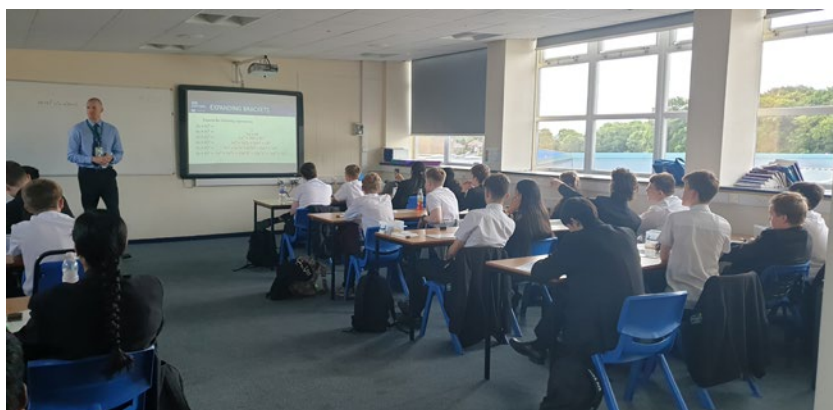

On Thursday, pupils in Year 10 had an opportunity to try advanced mathematics when LUSoM visited to deliver a lesson.

The Lancaster University School of Maths is a sixth form community where talented mathematicians can excel. Based close to Cardinal Newman College in Preston, they will provide an intellectually stimulating and challenging curriculum along with high-quality resources for 16-19 year olds who love maths.

The college will welcome its first intake when it opens in September 2022.

Mr Kenrick
Head of Maths

Extra Curricular: Debate Club

Debate Club, led by Miss Ackers, meets every Wednesday lunchtime in HU6 where pupils get to put forward their arguments. The group consider it important that the rest of the school gets to know what they're discussing and hear about their achievements. Here's what was discussed this week, written by Grace D, Year 9:

"Today in debate club we debated on whether in the UK we should bring back the death penalty. We had many great arguments such as 'Are we really able to put a price on murdered people's deaths?', 'Where do we draw the line?' and 'What about all the innocent people who have been executed?'."

In conclusion we did not reach a final decision and after voting we were split three ways."

It's Full 'STEM' Ahead for Year 9 Girls

Year 9 girls were invited to take part in a STEM careers event held just before the half term break.

The focus of the event was to inform girls about the opportunities available in engineering, construction and manufacturing. The group also spent time focusing on what education pathways are available for them when they leave Priory and researched possible apprenticeship opportunities.

The Lancashire Work-Based Learning Forum, who delivered the event, represents over 20 training providers, colleges and universities across Lancashire. The Forum works with schools, employers and relevant stakeholders to promote the high-quality work based learning opportunities available. They currently deliver the Department for Education funded ASK programme throughout Lancashire and Cumbria, and the Apprenticeship and Technical Education Project working with Year 9 girls from selected schools across Lancashire. These events aim to raise awareness; improve knowledge and understanding and increase inclination towards STEM and construction-related subjects and careers.

Mrs Massey, who organised the workshop said, "The girls tackled the activities in a really mature way, asking great questions. Some were unaware of the different routes available post 16. It was wonderful to hear the girls talk about their aspirations and start to make plans for their future."

What's the best thing you've learnt this week?

Every week, teaching staff, venture out of the classroom to chat with our pupils and find out what they've really enjoyed the most about their learning this week.

Here's what they said:

Year 8 pupil, speaking about her English lesson with Miss Nicholls...

"I learnt that if I was living in the 16th century I would have been classed as a witch and burned at the stake!"

Year 10 pupil speaking about her English revision lesson with Miss Thornton...

"I enjoyed being given an independent revision task which allowed Miss to come round and check on each person. Miss explains things in great detail which helps me understand."

Year 10 pupils speaking about their French lesson with Mrs Bailey...

They all agreed that Mrs Bailey's use of games made learning easy and fun. One pupil in the group mentioned Mrs Bailey's whiteboard game this week which was used when learning about 'food'.

PICK OF THE MONTH

Mrs Elliott's Recommended Read

The Twisted Tree by Rachel Burge

This month Humanities and AR teacher, Miss Ackers, has sent in her 'pick'...

Part ghost story, part Nordic thriller - this is a twisty, tense and spooky young adult book, perfect for fans of Coraline.

Martha can tell things about a person just by touching their clothes, as if their emotions and memories have been absorbed into the fabric. It started the day she fell from the tree at her grandma's cabin and became blind in one eye. Determined to understand her strange ability, Martha sets off to visit her grandmother, Mormor - only to discover Mormor is dead, a peculiar boy is in her cabin and a terrifying creature is on the loose. Then the spinning wheel starts creaking, books move around and terror creeps in . . .

Set in the remote snows of contemporary Norway, The Twisted Tree is a ghost story that twists and turns - and never takes you quite where you'd expect.

I absolutely loved this book! Everyone knows that Coraline is one of my favourite books and this is a very similar vibe. Spooky and page turning, and I loved the Norse mythology links! It's fast paced and I'd definitely recommend it to anyone. There isn't an AR quiz on it but if you're looking for something interesting to read then this is for you.

AR Book Level: Orange

Miss Ackers
Humanities Teacher

BAKE SALE

Following his bake sale before the half term break, Year 9 Leon raised a whopping £120.25 towards his brother's charity, the BOPORAN Charitable Trust.

Head of Year 9, Mrs Bailey, tells us that Leon came up with the fundraising ideas himself and was delighted with the support that he received from all here at Priory.

Leon's Fundraising Total

Mrs Gidden's Cool Readers Club

Here's what our Cool Readers Club is all about...

They stopped when Covid first hit but now they're back. These are our reading stars put forward by their English teacher. We interview them about their current book, what they like reading about and what they like to do when they're not reading.

Introducing, Louis...

Louis had read every football book – so now he has moved onto space!

The Year 7 is currently half way through 'Unlocking the Universe' by Stephen and Lucy Hawkins.

"It is a thick book but it is interesting," said Louis. "I have learnt about the different type of black holes and how to get in and out of them and about the first person on the moon. I have learnt a lot from it."

"My favourite books are football ones but I have read every one of them. I like the one about Lionel Messi the best."

Football-mad Louis plays on the wing for Sir Tom Finney JFC and watches Preston North End.

"My favourite subjects in school are PE, Science, English and History and I want to do something with sport, perhaps be a sports coach, in the future."

Louis' English teacher, Miss Nicholls added,

"Louis is an absolute pleasure to teach and is always enthusiastic about every book he reads. He is constantly asking for new recommendations or he's telling me about random (but amazing!) facts he's learnt from his current read. I can always count on Louis to teach me a few things! Louis brings his love for football to English and has managed to read every single one of our Classic Football Heroes books."

Impressive!"

Mrs Gidden
Head of English

KTB Music @ Priory

Free Trial Day

KTB Music are Priory's peripatetic music tutors delivering one-to-one instrument and singing lessons in school.

On **Friday, 24 June KTB Music will be offering free 15 minute 1-1 taster sessions** in school to pupils in Year 7, 8 & 9. Pupils can sample **Singing, Drums*, Piano*** or **Saxophone** lessons.

Pupils who would like a taster session should add their name to the sign up sheet with Mr Taylor, Lead Teacher of Music, before the end of Fri, 17 June. Pupils interested in further lessons will be given information and a registration form to take home to their parents.

To find out more about KTB Music @ Priory and the benefits of music, please visit the school's website at >> www.priory.lancs.sch.uk/pupils/ktb-music

Pupils who register for music lessons will come out of a timetabled class lesson on a rota basis to minimise the disruption to their school lessons. Pupils can study to gain exam grades, to play in concerts or simply for pleasure.

National Picnic Week

18th-26th June

Food Technology Teacher, Mrs Cowell, is inviting pupils to enter two inter-house competitions.

Bake a set of six fruit scones

You'll be judged on:

- Flavour
- Appearance
- Texture
- Equal size

They are to be labelled with the entrant's name and year group and brought to the Food Tech room at breaktime on Mon, 20 June. They'll be judged by Mrs Cowell and the leftovers will be offered for sale at lunchtime with butter and jam available. All proceeds will go to the charity of the year group that the winner belongs to.

Design a new sandwich

You'll be judged on:

- Originality - ie, Something that exists in the everyday won't win!
- Health properties - We'll be looking at the nutrition provided
- Drawn and coloured neatly on A4 paper (Entrant's name and year group clearly visible)
- Each ingredient labelled and described using tier two language

Designs to be handed in on Tuesday, 21 June before school or at breaktime at the Food Tech room. Winners will be notified via Teams and the winning designs promoted in the newsletter.

Prizes To Be Won

First Place: Amazon Vouchers
2nd & 3rd Place: Sweet Treats

After receiving lots of nominations, the Science Department has chosen one student from each year group for its ...

Scientist of the Week

Year 7 **Holly P** - Nominated by Miss Hancox for always putting in 100% effort.

Year 8 **Tasha C** - Nominated by Mr Cox for her excellent start to science at Priory.

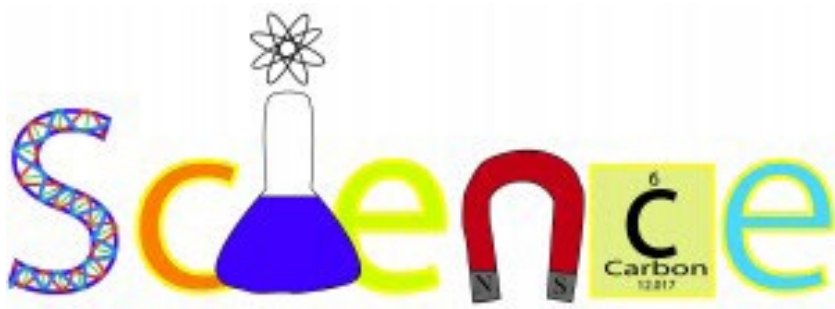

Year 9 **Grace E** – Nominated by Mrs Massey for consistently working hard in Science.

Year 10 **Tom N** - Nominated by Mrs Massey for great progress in Biology.

Year 11 **Olivia D** – Nominated by Miss Nouraghaei for her excellent Physics revision.

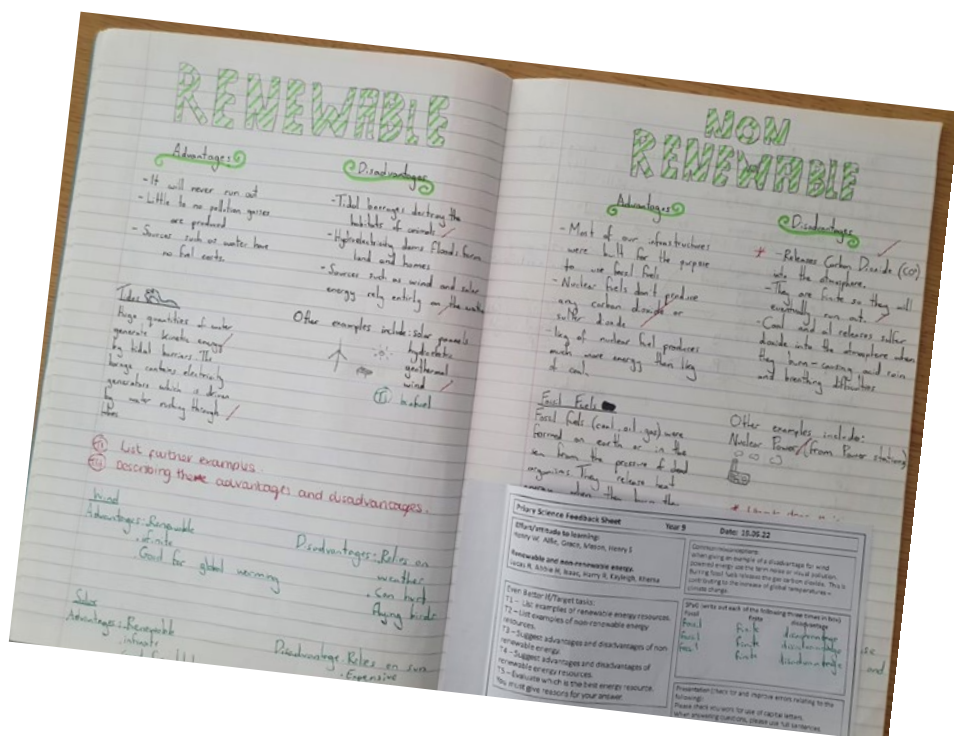

Certificates and prizes will be handed out on Monday.

The Work Of The Week is from Megan H (Year 9).

As part of the Year 9 Physics module, pupils were asked to research renewable and non-renewable energy. They were asked to consider the advantages and disadvantages. Megan always produces detailed work to a very high standard.

Attention Year 9 Pupils: Peer Mentor Applications Now Open

Peer mentoring allows you to build supportive relationships with other pupils by developing and demonstrating your communication and mentoring skills which will prepare you for life beyond Priory.

Peer Mentors contribute to supporting pupils moving up from primary school in settling into their new schedule of secondary school life. They may also assist pupils with their school work and study skills, peer pressure or even issues with attendance and behaviour.

You can apply either through an application form, verbal interview or PowerPoint presentation - get creative!

What to include:

- Why you would like to become a Peer Mentor
- What attributes you would bring to the role
- Describe any experience that would support your applications ie, scouts, cadets.

Enquiries and applications should be submitted to Mrs Willis, Learning Support, or can be emailed to a.willis@priory.lancs.sch.uk. Application forms available on the Year 9 MS Teams.

Closing date Friday, 1 July 2022.

LEADERBOARD

Bedrock classes in the spotlight:

8E1

Shaji A	57 points
Lucas L	48 points
Emily-Jane H	24 points

This week you were learning these words ...

Antagonise - cause (someone) to become hostile.
"the aim was to antagonize visiting supporters"

Enthral - capture the fascinated attention of. *"she had been so enthralled by the adventure that she had hardly noticed the cold"*

Derive - obtain something from (a specified source).
"they derived great comfort from this assurance".

9E3

Theo C	51 points
Owen B	50 points
Alex E	43 points

This week you were learning these words ...

Amiss - not quite right; inappropriate or out of place.
"there was something amiss about his calculations"

Distinguish - recognise or treat (someone or something) as different. *"the child is perfectly capable of distinguishing reality from fantasy."*

Foster - encourage the development of *"the teacher's task is to foster learning"*.

Well done to those in 8E1 and 9E3 who continued with Bedrock over the half term break and scored plenty of points. A particular well done to Shaji and Theo who scored the most points for their classes.

A big well done to those who continued to read and quiz over the holidays, bagging themselves words and edging them closer to becoming millionaires - particularly to Jessica, Emily and Lewis who read the most words in their year groups!

LEADERBOARD

Accelerated Reader™

Accelerated Reader is a computer-based program that schools may use to monitor reading practice and progress. It helps teachers guide pupils to books that are on their individual reading levels. Pupils take short quizzes after reading a book to check if they've understood it. Further information at www.priory.lancs.sch.uk/pupils/online-learning-platforms

This week's overall leaders:

Year 7

Jessica D	7E3	231,052
Kayalnila A	7E2	122,101
Beau M	7E3	121,036

Year 8

Emily P	8E2	140,437
Alicia J	8W2	21,230
Poppy I	8W2	646

Year 9

Lewis T	9W1	74,593
Jessica M	9E1	60,417
Alex W	9W1	23,595

Mrs Robinson
 Assistant Head of English
