

# Penwortham Priory Post

## Year 7 & 8 Pupils Leading The Way

**‘Resilient,’ ‘hard working,’ ‘helpful’ and a ‘natural leader’ – these are just a few of the descriptions given by Priory teachers to our new group of Lead Learners in Years 7 and 8.**

Mr Henshaw presented the surprised select few with their certifications and badges as they were told they would be the Lead Learners for this term, where they will be a role model for all other pupils.

“It’s not about being the best at a particular subject, it’s about having an excellent attitude to learning and a resilience that, when the going gets tough, those pupils kept trying,” said Assistant Head of Maths Mr Henshaw.

“It’s about their enthusiasm, their willingness to do additional classroom activities and to be a great ambassador.

“They have all done this and it hasn’t gone unnoticed by their teachers and they have said amazing things about these pupils. They should wear their badge with pride as it is something to be really proud of.”

Year 7 Maya, who was praised for her excellent classwork among other things, said: “When I was called out of class I didn’t know what to expect so I am really pleased.”

Freya said: “It’s exciting to be selected and I am proud to be recognised by my teachers.”

*Continued next page...*

## Key Dates

### Diary Dates

Did you know that the term dates for this academic year, as well as the following year, are available to view and download from our website?

[www.priory.lancs.sch.uk/parents/termdates](http://www.priory.lancs.sch.uk/parents/termdates)

**Mon, 15 May**  
Athletics Talented & Able Day (selected Year 7-9 pupils)

**Thurs, 18 May**  
Year 10 Faith Day  
Culture Day (all pupils)

**Fri, 19 May**  
Year 8 HPV vaccinations

**29 May - 2 June**  
Mid Term Closure

**Mon, 12 June**  
Year 8 Parents Evening

**13 June**  
Year 8 3D Printing Workshop (selected pupils / in school)

**20 / 21 June**  
Year 8 Lake District Trip (two cohorts)

**22 June**  
Learning for Life (Day 5)  
Early lunch followed by school closure at 1.10pm

Continued from front page...

Aiden, who was praised for his willingness to help, said: "I always want to help other people so this is a nice achievement."

Josh, who was quoted as being an 'outstanding linguist', said: "I am happy to be a Lead Learner, I hope to be a good ambassador."

Jazmin said: "I always try hard in class and it feels great that my teachers have noticed me. I am ready for the challenge."

Saachi added: "It's amazing to be a Lead Learner, I feel really honoured."

Year 8 Taylor is described as 'extremely bright' and 'modest and kind' and he said: "I will take that! I am happy to be selected."

Skye said: "I thought I was in trouble when I was asked out of class so I was scared so to be a Lead Learner is a nice surprise."

Hannah added: "It's a good achievement especially as my teachers have nominated me."

**Year 7** Aiden M, Maisie R, Jazmin K, Saachi R, Excellence I, Shivam Y, Freya B, Maya L, Zishan H, Josh M

**Year 8** Samuel D, Louis H, Sehr A, Shiven N, Ciello De L, Alan K, Taylor K, Skye S, Anna H, Hannah N

## Year 11 Lunch Accounts

As you know the last day in school for Year 11 is fast approaching. We would like to remind you that no refunds will be made on your child's lunch account, so please do bear this in mind and use up any remaining balances you may have over the coming weeks.

Mrs Coolson  
Finance Officer

## Nicole Coates Class of 2021

Well done to Nicole who has been successful in gaining an offer to study International Tourism Management at UCLan.

Good luck with your A-Level results!

Learn to succeed

# Year 11 Exams Next Week

Listed below are the Year 11 examinations which will take place next week. Cells in red are revision sessions and white cells with black text are the exams. In addition, to accommodate the exam on Friday afternoon, lunch for all pupils will be brought forward an hour to 12.15pm and therefore the afternoon lessons will shift accordingly - see opposite.

A copy of the full four-week timetable has been given to Year 11 pupils and a copy has been emailed to parents today. A copy has also been posted on the Year 11 Teams.

Please can all pupils support Year 11 by observing silence in the corridors whilst exams are taking place. We wish Year 11 the very best of luck.

LUNCH	12:15 to 12:50
P4	12:50 to 13:50
P5	13:50 to 14:50
P6	14:50 to 15:10

Date	AM	Mid Morning	PM
12-May			RE Revision P4 and P5 KH
13-May			
14-May			
15-May	RE Paper 1		Biology Revision P4 and P5 DB, VE, CM, KRO, AEC, FN
16-May	Biology Paper 1		English Lit Revision P4 and P5 KT, JE, DN, RO, ERO, LW
17-May	English Lit Paper 1		History Revision P4 and P5 AE, BA, MM
18-May	History Paper 1		Maths Revision P4 and P5 PK, CH, RAS, TR, SW, AHU
19-May	Maths Paper 1F and 4H	Com Sci Revision P3 SQ	Com Sci Paper 1 (1 Hr 30) Chemistry Revision P4 and P5 DB, VE, CM, KRO, AEC, FN

Cut out and keep - stick it to your fridge or take a screenshot ...

## Penwortham Priory Academy : Notification of Absence

**CHOOSE OPTION 1 IF...** Your child will be late for any reason | Your child has a medical appointment, either that day or at a later date | You receive an absence text alert | You require a leave of absence request form | You are providing updates on absence due to illness/hospital stays | There is any other reason why your child may not be in school.

**Telephone:**  
**01772 320250 Option 1**

Leave a message on the voicemail stating your name and contact number plus your child's name, form and reason. The attendance team monitor calls regularly and will get back to you if necessary.

**Alternatively, email:**  
**attendance@priory.lancs.sch.uk**

# Year 8 Research Local WWI History For Competition Challenge

At the end of the Spring term, Year 8 pupils were challenged to produce a piece of research explaining how their local area was affected by World War 1. In return for their efforts, they were to be awarded a much sought-after History pin badge.

In Tuesday's year group assembly, their proud History teacher Miss Ackers, who led the competition, was pleased to hand out their rewards.

Miss Ackers said, "The students were set a task of finding information out about the local area and its relation to the First World War.

"One student, Freya, chose to map out where the fallen WW1 soldiers lived in her parish after finding a list of their names in her local church. She even added the dates, and which battle they died in. We also had students researching the Preston Pals, Preston's role in the Battle of the Somme and Preston Railway Station.

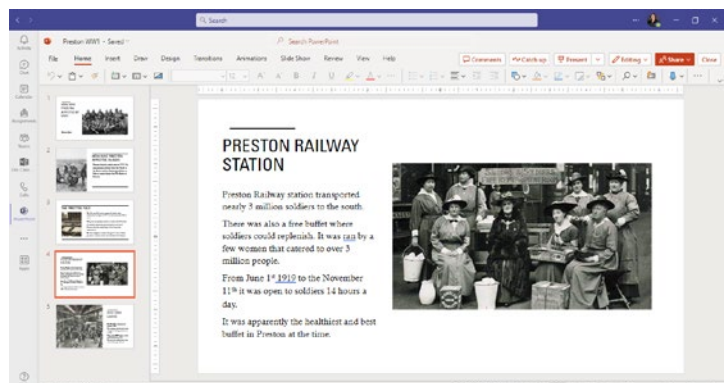

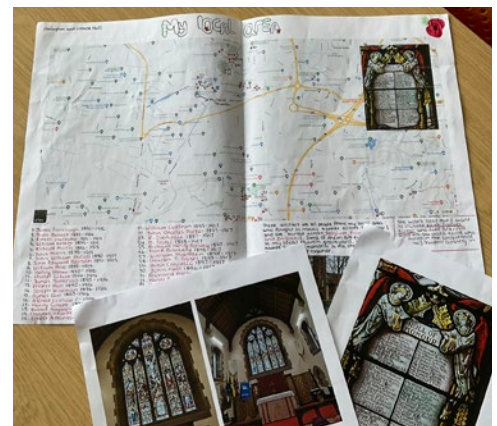

"I am so proud of how seriously they took the competition and pleased to give out so many badges!"

Work is shown below from Junaid Q, Dev G and Freya Y. Well done also to Jessica D, Evie C, Charlie McC, Ezra H, Harry B and Charlie W. In addition Anees U-R was awarded a certificate for his recent exceptional work in History lessons.

It's now Year 9's opportunity to bag their History badge - see Page 10 for details.

Miss Ackers  
History Teacher

**United Nations**

**World Day for Cultural Diversity for  
Dialogue and Development, 21 May**

**CHARACTER  
& CULTURE**

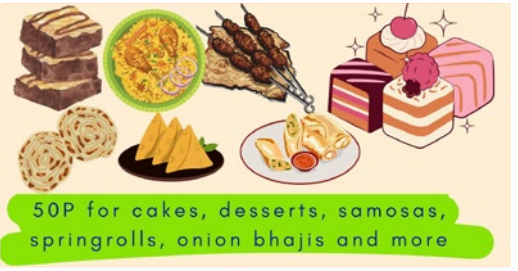

## Culture Day: 18 May

United Nations World Day for Cultural Diversity for Dialogue and Development is celebrated on 21 May every year. It is a day set aside to appreciate the cultural diversities between different countries, states, and people in the World.

As this falls on a Sunday this year, Priory's Culture Day will take place on Thursday, 18 May. There will be lots of events throughout the week plus a quiz in Learning for Life so get swotting up!

If you want to attend the food workshop afterschool on Thursday, message Mrs Cowell on Teams Chat.

Mrs Qadri  
Head of ICT & Computing

50P for cakes, desserts, samosas, springrolls, onion bhajis and more

**Come to school in traditional cultural clothes**

**Food from different cultures for sale in the Auditorio**

**Henna/Mehndi patterns at break/lunchtime  
(Letter to be signed by parents beforehand)**

**Music from different cultures at  
Break/Lunchtimes**

**Food workshop in Food Tech after school with Mrs Qadri/Mrs Cowell**

*Learn to succeed*

# Lake District Trip

The Year 8 pupils are invited to attend a full day visit to Bowness in the Lake District. We will be studying the infrastructure and services of tourism within a 'honeypot' site and look at urban environment and impact. The trip also includes a one-hour boat tour of Lake Windermere.

The trips are planned for Tuesday, 20 June and Wednesday, 21 June 2023. Please note that the 80 places available (40 each day) will be allocated on a first come, first served basis and pupils will travel with their teaching cohort. The cost of the trip is £10.

If you would like your child to attend the trip, please make the £10 payment via the school's online payment system, SCOPay, and return the reply slip direct to Mr Watters in HU4. The closing date is 6 June, however this will close earlier if places are filled.

Letters have been given out to pupils however a copy can be downloaded from the school website at >> [www.priory.lancs.sch.uk/parents/letters](http://www.priory.lancs.sch.uk/parents/letters)

## Culture Day - Consent to use Henna

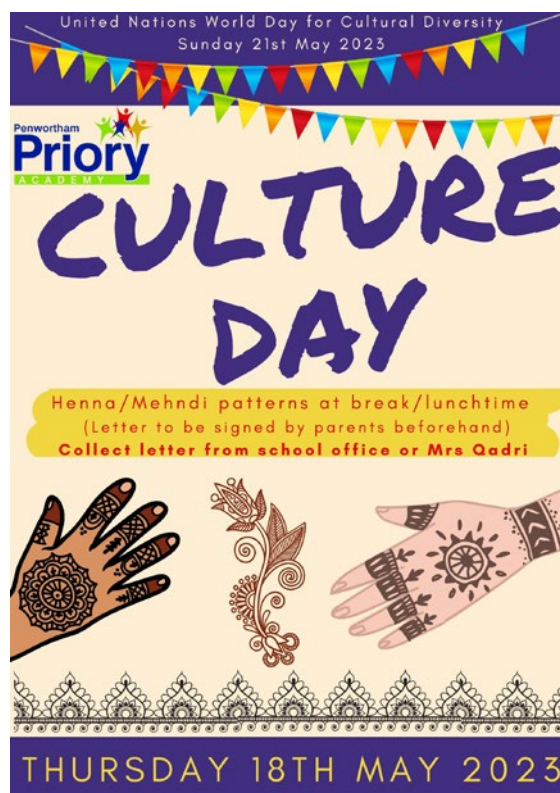

**As part of our Culture Day event on Thursday, 18 May pupils will have the opportunity to use henna to draw mehndi patterns on their hands.**

Henna is a natural dye made from a plant and applied to the skin. It will remain on the skin for a few days, but it is not permanent. It will however, permanently stain clothing if it comes into contact with it before drying. Black henna will not be used. Please note that an allergic reaction is possible, but uncommon.

The activity will take place at break/lunchtime in the Auditorio from Monday, 15 May to Thursday, 18 May. To cover resources, this will cost £2 per person which can be paid in cash on the day.

Pupils who have expressed an interest to take part in this activity must have parental consent. Letters with permission slips are available from Mrs Qadri, the school office or via the school website at >> [www.priory.lancs.sch.uk/parents/letters](http://www.priory.lancs.sch.uk/parents/letters)

Slips must be returned to Mrs Qadri no later than Thursday, 18 May.

# Priory+ Awards

Last Wednesday, Mr Eastham presented badges and certificates to pupils who had achieved their Priory+ Bronze 1 or Bronze 2 Award.

Over 200 pupils achieved this recognition during the Spring term and on Wednesday, those that chose to be personally presented by the Principal got to receive their rewards.

Priory+ was introduced at the start of this academic year to encourage and reward pupils for working on their own Personal Development. At Penwortham Priory Academy we believe that strong Personal Development provision contributes to making a positive difference to pupils' lives. The opportunities provided not only allow them to engage in activities they are interested in, but enables them to explore and build a strong pathway to, and foundation for, a successful future.

Our activities fit into five overarching strands, which supplement our Character and Culture Personal Development sessions in Learning for Life. There are five strands:

**Culture & Heritage, Future Citizens, Health & Well-Being, Skill Builders and Bright Futures.**

Learn to Succeed

# ECO Club Needs You!

Science teacher, Mrs Massey, is asking pupils to complete a survey (see link below) which aims to help the Eco Committee with its mission and raise its profile. Pupils will also find this on their year group Teams.

<https://forms.office.com/Pages/ResponsePage>

**The Committee is also wanting to attract some new members, particularly from Years 7 and 8. They meet every Friday Lunch in Sc1. Everyone is welcome - please come and join us!**

Also, the committee would like to raise some money to fund upcoming projects, therefore will be holding a plant sale. If you have any old plant pots (or anything suitable for planting in that could be repurposed), please bring to SC1.

## Cut Your Carbon

The Club's next mission is to 'Cut Your Carbon' and Learning for Life teachers have been discussing this with their classes this week. What small changes can we all make? There is still time to stop the worst impacts of climate change from happening.

### Why Cut Your Carbon?

From the clothes in our drawers to the food on our plates, most areas of our lives have a 'carbon footprint'. In one way or another - from production to waste - they create greenhouse gases that contain carbon. These gases are warming our planet and speeding up climate change. From widespread drought to extreme weather, the impacts of this are set to be devastating.

Mrs Massey  
Science Teacher

#### Clothing

Our fast-fashion-habits are damaging our planet.

Creating clothing is responsible for almost 10% of our global carbon-emissions and uses the same amount of water as 32 million swimming pools!

92million tonnes of clothing (the same weight as 300 Empire State Buildings!) also goes into landfill every year. There, it decomposes to make even more carbon emissions.

#### Energy-use

Schools and universities create 36% of the UK's public-sector building carbon-emissions. Most of this comes from energy-usage and costs schools around £1bn per year in bills!

With 60% of this energy coming from burning fossil fuels, it's time to make change. From lights to heating, small daily reductions can make a big cumulative impact.

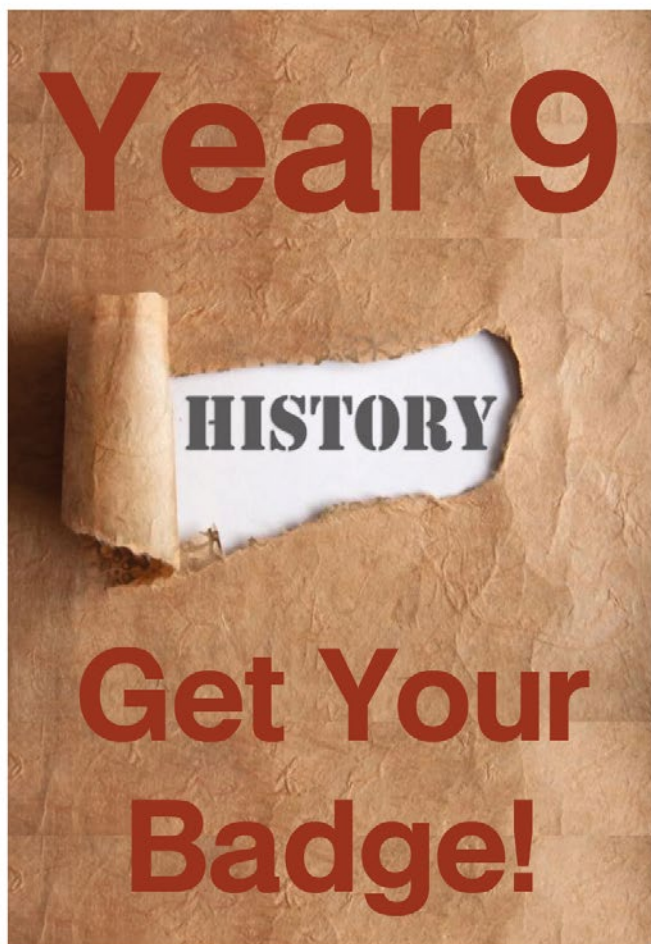

#### Food

Food production is responsible for more than 33% of global greenhouse gas emissions.

Reducing food waste can have a significant impact on carbon emissions. Also considering the packaging the food we eat comes in and how we can reuse or recycle it.

Learn to succeed

## Competition Time

Here's your chance to get your hands on that History badge you've been after.

If you want the badge though, you've got to work for it!

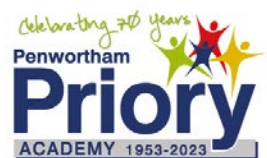

**Miss Ackers** wants you to research a piece of history that you're interested in and create a poster or a PowerPoint to demonstrate your work. It needs to have detail to earn the badge.

Entries to Miss Ackers by

Friday, 29 May 2023

[b.ackers@priory.lancs.sch.uk](mailto:b.ackers@priory.lancs.sch.uk)

Create a decent piece of work  
and you've bagged that badge!

## Do you have any spare plant pots we could have?

**We're also after bedding plants and bags of compost.**

The Eco Committee would like to raise some money to fund upcoming projects and therefore are looking to hold a plant sale. Do you have any old plant pots (or anything suitable for planting in) that could be repurposed?

**If you can help, please bring your items to SC1 or see Mrs Massey.**

# Year 10 Pupil is Acting the Part for Local Dramatics Performance

Grace will take to the stage with one of the lead roles as Lucy in St James' Players production of the CS Lewis classic 'The Lion, the Witch and the Wardrobe.'

Year 10 Grace said: "I have been on the stage since I was around Year Five, originally starting in the ensemble before moving onto bigger roles and Lucy is my biggest part yet.

"There are a lot of words to learn but we rehearse twice a week and I find it easier learning them there than reading them in my room!

"This production is adapted from the book but it's not really like the films.

"I love acting and it would be amazing to have an acting career."

It's on from 8-10 June at St James' Hall, Avondale Drive Lostock Hall, PR5 5BQ, with tickets available online from the link below:

[www.ticketsource.co.uk/st-james-players](http://www.ticketsource.co.uk/st-james-players)

# Year 10 Pupil is Engineering his Own Future

One of our pupils, who we have nicknamed 'The Stig' from Top Gear as he wants to remain anonymous, has used his engineering knowledge to build a trike from scratch!

'The Stig' is taking the NCFE Level 2 Technical Award in Engineering and spent a year welding and grafting to make the trike which he brought to school with his dad to try out.

He said: "I am into engineering and I saw a video on YouTube, it was a tutorial about building a trike.

"We had a lot of stuff in the garage as my dad is a mechanic and so we started putting a trike together. It took about a year amongst doing other stuff. I was always sure it would work as we did it properly.

"I enjoy the Engineering course although it is more about background material than hands-on engineering but it's a good qualification for me to have as I want to be an engineer. I would like to work at BAE."

Teacher of Design Technology & Engineering, Mrs Shaw, added,

*"Engineering is the application of scientific and mathematical knowledge to solving problems in the real world. Whilst science allows us to gain an understanding of the world and the universe, Engineering enables this understanding to come to life through problem solving, designing and building things.*

*"Engineers have the ability to solve complex problems and implement solutions in cost effective and practical ways."*

## What course do we offer at Priory and why?

**The NCFE Level 2 in Engineering** is a Technical Award which is designed for learners who want an introduction to the Engineering sector.

The qualification is a highly popular option choice at Priory for pupils in Year 10 and 11. It has been designed to appeal to those learners who wish to pursue a career in the Engineering sector through Apprenticeships or progress onto further study, such as A levels.

The course offers learners the chance to experience elements of Engineering through mini-practicals and theory work covering a range of Engineering disciplines, materials, Health & Safety legislation and SI Units to name a few. These form the foundation knowledge to link into the learning opportunities offered at Key Stage 5 at our fantastic local colleges.

Learn to succeed

## Bringing music to your ears at break and lunch

MABAL is music played through the school's speaker system during break and lunch. Chosen by Mr Taylor, Lead Teacher for Music, this is designed to offer exposure to the curriculum in different ways, and support pupils' appreciation of music.

The focus is on one theme each week across a genre, a country or from history. The theme could also link to the season or an event in school, such as the production.

## This week it's been all about: Eurovision

Whether you feel that the Eurovision Song Contest has met its 'Waterloo' or you 'save all your kisses for' it or you like it 'just a little bit', it will be happening this Saturday in Liverpool.

**DID YOU KNOW?**

The Eurovision Song Contest began as a technical experiment in television broadcasting: the live, simultaneous, transnational broadcast that Europe has now been watching for nearly 70 years was in the late 1950s, a marvel.

The first Eurovision Song Contest was held on May 24, 1956, and saw seven nations compete: the Netherlands, Switzerland, Belgium, Germany, France, Luxembourg and Italy. Austria and Denmark wanted to take part but missed the deadline, and the United Kingdom sent their apologies as they were busy with their own contest that year. Switzerland's geographical centrality in Europe made it a natural node for the terrestrial transmitters required for this experiment in live, simultaneous, transnational broadcasting.

Over the years the format has evolved into the week-long, boundary pushing, technologically innovative, multi show spectacular we (may) enjoy today.

With seven victories, Ireland is the most successful country at the contest. Sweden have won the contest six times, while Luxembourg, France, the Netherlands and the United Kingdom have won five times.

This playlist contains some lesser known entries which gained short-lived fame in one particular year but also some songs which have since become huge hits and famous the world over.

Future weeks' theme suggestions are very much welcomed - see Mr Taylor, email [a.taylor@priory.lancs.sch.uk](mailto:a.taylor@priory.lancs.sch.uk) or contact via Teams Chat.

Mr Taylor  
Lead Teacher of Music

# Mrs Elliott's Cool Readers Club

## Here's what our Cool Readers Club is all about...

These are our reading stars put forward by their English teacher. We interview them about their current book, what they like reading about and what they like to do when they're not reading.

## Introducing, Phoebe...

**Phoebe likes to uncover the truth and finding out 'whodunnit'. The Year 7 is currently reading 'Death Sets Sail' by Robin Stevens.**

"It's about two girls who go on a holiday to Egypt and go on the boat on the Nile. There is a murder and they have to solve it.

"I enjoy detective novels and trying to work out who committed the crime.

"Robin Stevens is my favourite author and there are about 10 in this series and I have read them all, they are all independent of each other.

"I also like stories about World War 2, how people lived through the war."

Her favourite subject is English.

"I have started writing some stories, I have a lot of ideas, and I would like to be an author."

Outside of school, Phoebe plays hockey for Preston Hockey Club and trains twice a week.

**Phoebe's English teacher, Mr Owen added,** "Phoebe is an enthusiastic reader, and she has clearly enjoyed a journey across different genres this academic year. She has a creative mind, and this is serving her well as she continues to improve in English. Her kind and conscientious attitude is infectious."

Mrs Elliott  
English Teacher & Chief Librarian

Learn to succeed

Assistant Head of Maths Mr Henshaw, along with the Maths Department, ran a competition asking pupils to say what they particularly enjoy about the subject. **Pupils were tasked with completing the following sentence, "I love Maths because..."**

Here's why Year 8 Anna and Year 9 Umar love Maths:

### Anna...

*... because it is in lots of jobs and it is so fun.*

### Umar...

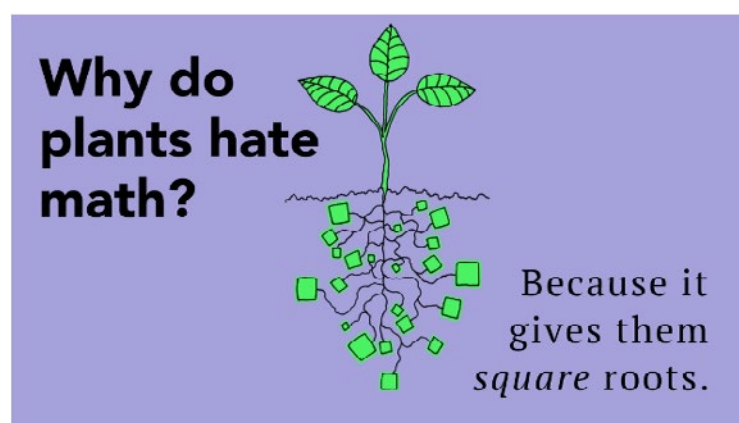

*... because it's fun, entertaining, more things to learn and every day there's new things to learn day by day. In maths you do fun things and it's more interesting to learn more. It teaches you lots of stuff that will be needed for the future for jobs.*

Pupils that want to claim an 'I love Maths' badge should simply click the link below to access the survey and write Mr Henshaw a sentence or two explaining why they love maths. The best responses from each year group will be selected and also featured here in our article.

# Chilli Challenge Winners

Well done to our Chilli Challenge winners this week.

Thank you to the Year 11s who have now started to add their Houses to their entry forms - this saves Mrs Cowell a lot of time when attributing it to the leader board. There is now a new challenge on top of the post boxes.

## W/c 1 May and 8 May

**Year 7** Entry name illegible - Daniel/David please see Mrs Cowell

**Year 8** Seth L (Mr Owen)

**Year 9** Geetha D (Miss Clinton)

**Year 10** No winners

**Year 11** Lexi R (Grp1 Calder)

These pupils have now received their chilli tokens to claim their free breaktime snack from the dining room.

**Pupils:** Don't forget to reference the persist lists (see opposite). The lists are displayed above the post-boxes and all the answers come from the lists.

This is also an interhouse competition and the leaders will be those with the most individual entries. There'll be an interhouse prize at the end of the year. Again, no change this week.

1st **Calder** | 2nd **Douglas**  
3rd **Ribble** | 4th **Hodder**

## English persist list

Address	Doesn't	Rhyme
Aggressive	Embarrassed	Rhythm
Because	Enjambement	Separate
Believe	Hyperbole	Successful
Caesura	Implies	Tension
Colloquial	Mischievous	Unnecessary
Connotation	Necessary	Weather
Definitely	Onomatopoeia	Weird
Disappear	Receive	Whether
Divide	Responsibility	Withhold

## Maths persist list

Alternate	Forty	Quadrilateral
Angle	Height	Rhombus
Approximately	Isosceles	Scalene
Chord	Metre	Similar
Circumference	Median	Simultaneous
Column	Ninth	Symmetry
Correlation	Parallel	Tessellation
Discrete	Perimeter	Translation
Enlargement	Perpendicular	Trapezium
Fibonacci	Prism	Triangle
