

Penwortham Priory Post

Where to next, Year 11?

Year 11 pupils are looking to go out and change the world as they focus on life after Priory.

From a doctor, to a human rights activist, an archaeologist and working in the National Crime Agency, the Year 11s have big plans for their futures.

Some are still undecided about their careers but have already got their college plans in place as they make the next step after secondary school.

Eli hopes to go to LUSoM and study Maths, Physics and Computer Science.

"I hate the injustices in the world and I want to be a human rights activist, it's something I feel really strongly about," said Eli. "I want equal rights for everybody."

Daniella wants to be a doctor in the army.

"I am not sure whether to go to Runshaw or Newman College but I want to go to Sandhurst University. I have always wanted to be a doctor and I am in the army cadets so a medic in the army would be my dream job."

Sara has already started her plans for the future.

"I want to be a social media influencer. I already have a Tik Tok page and have a large number of followers. It's something I have built up over time, looking at clothes, make-up, just general every day things and brands already send me items to promote."

Where to next, Year 11?

"I want to go to Runshaw College and study Maths, Business and Digital Graphics," said Sara.

Head Boy Taylor is thinking about becoming a Project Control Manager – a job his dad does at BAE Systems.

"I want to go to Newman College and study Maths, Economics and I don't know the third A-Level yet."

He has qualified as a Level 7 football referee so that's something he is also looking at.

"I have enjoyed Priory, I have made some good friendships, played in the football team and I have liked my maths teacher!"

Head Girl Fatima has always wanted to be a Sports Therapist.

"I am going to Newman College to study a BTEC in Sport and A-Level Biology and then I hope to go to Edgehill or Loughborough University. I have played netball at Priory and always wanted to do something with sport.

"I have loved being Head Girl, being able to listen and voice the opinions of the pupils."

Jacob admits he likes speaking and his focus is on becoming a lawyer.

"I want to go to either Runshaw or Newman College and study Business, Law, Economics and maybe Psychology. I like speaking, I am good at arguments and I would like to be a criminal lawyer."

Francesca wants to work for the National Crime Agency.

"I want to go to Runshaw College and study either Public Services or Social Science. This will open up to me a number of opportunities such as being in the police and I have always been interested in crimes.

"I have enjoyed my time at Priory, I have made good friends and the teachers have always been there for me."

Sarah is looking at jobs in a similar field as she wants to be a criminal investigator.

"I will go to Runshaw College to study Public Services. I can look at the ambulance service, fire service and the police and then see where it takes me."

Where to next, Year 11?

Uzair is debating a career in dentistry.

"I want to go to Newman College to study Biology, Chemistry and Psychology. My uncle is a dentist so I am interested in it, it's good pay as well!"

"At Priory, the teachers have been really supportive and they bring in good people from outside who you can talk to, such as careers advisors."

Lucas did want to fly planes – but now is happy to be on the ground.

"I was in the Air Cadets and I did think about the RAF but now I want to work in the army. I hope to go to Preston College and study a BTEC in Aeronautical Engineering. I would like to be a Royal Engineer."

Elizabeth was thinking of becoming a photographer but now wants to be a journalist.

"I enjoy English and I like writing but I like photography as well. I want to go to Newman College but am not sure what A-Levels I want to take yet."

Harry hopes to go to Runshaw College to study Psychology, Economics and Accounting.

"I like most aspects of Maths so I would like to be an accountant. When I was young I wanted to be an airline pilot but have decided against that now!"

Jessica likes history and may be an archaeologist.

"I want to go to Runshaw College and study Classical Civilisation, Maths, History and Biology."

Year 11 will celebrate their time at Priory at an awards presentation and assembly on Thursday, 15 June. Until then, the best of luck to them as they continue their GCSE exams.

Owzat for Priory's Cricket Wicket!

This week saw the installation of an artificial cricket wicket on Priory's fields which will be open for use by community clubs as well as our own pupils.

Our newest facility was funded by South Ribble Borough Council after a successful bid last year. The council approved the funding on the basis that we offer the use of the wicket to local cricket clubs to support the development of the sport in the borough, and would use the facility after school and at weekends.

Assistant Principal, Mr Gee, said "In addition to enhancing our own pupils' cricket practise, the wicket will be made available to local primary schools and junior clubs for training and matches.

SPORTS REPORT

"However, we are actively seeking adult cricket clubs to make use of the grounds outside school hours which will enhance the facilities we can offer to the whole community."

SIS Pitches, who manufactured the artificial carpet, installed the wicket over two days.

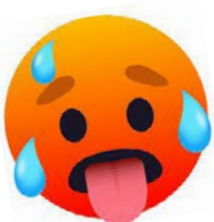

Please contact Mr K Bolton, Strategic Estates Development Manager, at k.bolton@priory.lancs.sch.uk for any lettings enquiries.

Don't Forget Your Water Bottles!

As the weather turns warmer we are finding lots of pupils are asking for cups at the water fountains.

We have a limited supply of disposable cups in school, and to reduce waste and keep costs down, we would like to support the ECO Committee by reminding all pupils to bring in a refillable water bottle.

Water fountains can be found in every year group area including the Priory Garden.

With there being lots of outdoor activities during the summer term when our pupils will require extra hydration, please support the school by sending your child prepared to face the day.

Priory Wins £5K Laptops in Competition

Priory's Strategic ICT lead, Mr Bolton, attended an education focused technology event last month and won £5000 worth of Dell laptops for the school.

IT Services & Solutions firm, Nvtron, recently delivered a series of education events to raise awareness of the importance of 1:1 device programmes and the Microsoft Ecosystem within UK education establishments. A competition was run to complement the events with entries open to schools across the UK.

Mr Bolton said, "The giveaway will create equal learning opportunities for all our pupils, regardless of their circumstances, and will ensure they leave Priory with the right level of digital skills for further education and employment."

Wedding Bells For Miss Bolton

We send our very best wishes to Priory's Attendance Officer, Miss Bolton, who gets married this weekend.

The wedding cake has been professionally crafted by our very own Food Technology teacher and Vice Principal, Mrs Cowell.

With excellent weather forecast, her day promises to be full of sunshine and happiness from the start.

On return from the half term break, we will have a new name in the office - Mrs Brierley!

*Wishing you much joy, love
and happiness from all
your colleagues at Priory.*

Year 11 With Talent To Stun The Whole School Into Silence

Talented Zlata stunned the whole school into silence in an end of term assembly with a perfect piano recital.

Zlata is a high-attaining musician and has secured a place at the coveted Royal Northern College of Music every Saturday morning.

What makes Zlata's story even more amazing is that she had to flee her home country of Ukraine due to the conflict and build a whole new life in England with her mum and sisters.

"It was very hard," said Zlata.

"My dad is still in Ukraine and he works in a dangerous place at a railway station so it is worrying.

"I had to leave all my friends and come here and adapt to a new way of life.

"Playing piano is something I have done since I was four-years-old so to be able to continue doing it has given me some normality, it's what I enjoy.

"I played in Ukraine at school and music events as well as charity concerts and I have always enjoyed it.

"I came to Priory and played a Ukraine piece in assembly and I think everyone was shocked. People who don't really know me know me as the 'piano girl.'

"I am doing my GCSEs this year and obviously I don't know what will happen although I am desperate to return to Ukraine and see my family and friends again.

"I have got a place at Newman College where I will study A-Level Music and I sent some videos to the Royal Northern College of Music in Manchester and they asked me to come every Saturday morning. I play the piano and viola there.

"I would like to perform at big theatres in the future."

Year 9 Hits The 3 Peaks for Charity

Year 9 Jane definitely put her best foot forward when she walked the Yorkshire Three Peaks for three charities.

Jane's mum works at Ribble Vets in Penwortham and a group from there decided to tackle Pen-y-Ghent, Whernside and Ingleborough in a day last weekend – 24 miles and 5,200ft of climbing!

They were doing the walk for Vetlife, The Royal Agricultural Benevolent Institution (RABI) and Cancer Research. Jane went along and took it all in her stride!

"Vetlife and RABI were the two charities chosen by my mum's group and then we chose Cancer Research as a friend of my mum's Nick Anderton, who is a professional footballer, was diagnosed with a rare bone cancer.

"It was tough. The peaks are all different. I enjoyed Pen-y-Ghent the most, Whernside is a long drag and Ingleborough is literally straight up.

"It's 24.5 miles and so we started at 7.30am and it took us ten-and-a-half hours. I enjoyed it though. It was a good day out. I like all sports anyway so this suited me."

For Cancer Research, they have raised over £1,450 and for the other two charities, the total is around £1,000.

UDO EUROPEAN STREET DANCE CHAMPIONSHIPS 2023

MAY 18th -21st, 2023 | KALKAR, DE

Year 8 Pupil Dances Her Way To Germany for Competition

Year 8 Keira danced on the European stage at a championship event in Germany.

Keira represented her Penwortham dance school DLN Dance at the UDO European Street Dance Championships last weekend.

She has been taking part in Street Dance for a year and now is aiming for the World Championships in Blackpool later this year.

"My mum read about DLN online around a year ago so I decided to try it out and found it enjoyable and now I am part of the team!" said Keira.

"I love it as I enjoy dancing and it feels like one big family.

"The European Championships were my first experience of competing abroad and it was amazing to see how many teams were involved.

"I was in a team which finished sixth, we also had a team which finished second and others competing in solos and duets.

"We have the World Championships at the end of August so we are all working towards that now."

Are You A Random Reader?

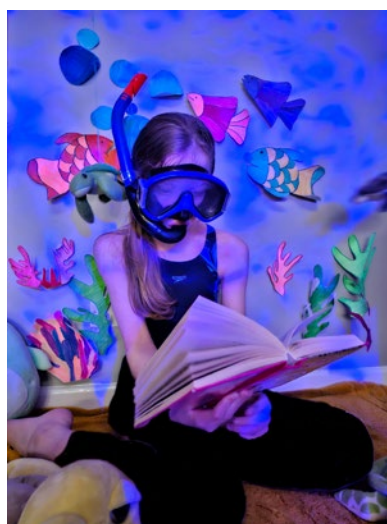

The English department were thrilled with some of the entries to the Random Reader competition! Who said reading isn't fun?

Whether you're up a tree, underwater, on the toilet(!), swinging from a high rope or perched on the plate boundary between Europe and America, reading is always a pleasure.

For the pure scale and drama of the location, the winner is Jane W (Year 9). She will receive a £20 Waterstone's voucher. Runners up - Reese L (Year 7), Emily J (Year 9), Jacob R (Year 7), Noah J (Year 7) will receive an 'English' pin badge for their commitment to their reading. Even Miss Ackers got in the spirit of the competition with her Kindle during a flight to Iceland recently, proving that she is a fantastic ambassador for reading!

Well done all that entered.

Random Reader?

COMPETITION TIME

We want your most RANDOM | INTERESTING | FUN | CREATIVE reading pictures.

As long as you're in the photo reading a book and it's creatively random, you could be in with a shot of winning. It's a perfect excuse to read, be a little bit silly and, more importantly, share your love of books.

Entries must be in by Monday, 30 April. Email your 'Random Reader' photos to English teachers, Mrs Elliott, at j.elliott@seneca.ac.uk or tag her (@elliott) on Twitter. Don't forget to tell us what you're reading! The winner will receive an Amazon voucher. All entrants will receive achievement points and also go into a prize draw lucky-dip.

Assistant Head of Maths Mr Henshaw, along with the Maths Department, ran a competition asking pupils to say what they particularly enjoy about the subject. **Pupils were tasked with completing the following sentence, "I love Maths because..."**

Here's why Year 7 Jazmin and Sophie love Maths:

Jazmin...

... because I feel every time I exit the classroom I have my brain full. I also love maths because I feel in maths there are loads of different and unique ways to learn ways to help me to understand what we are learning.

I enjoy every class of maths we have and I really do love maths as Mr Henshaw helps and explains if we don't understand.

Sophie...

...because it is a really fun subject and I enjoy learning about the different techniques maths involves.

Pupils that want to claim an 'I love Maths' badge should simply click the link below to access the survey and write Mr Henshaw a sentence or two explaining why they love maths. The best responses from each year group will be selected and also featured here in our article.

Year 11 Last Day and Final Arrangements

Year 11 pupils will officially celebrate leaving Priory on Thursday 15 June. Leading up to this date, pupils will be expected to be in school as normal. They will take part in a mixture of exams, normal lessons and specific revision sessions.

Thursday, 15 June

Once they have completed their Geography and Physics revision sessions in the morning, pupils will have a brief break for 'shirt-signing', followed by a presentation and awards assembly before being dismissed from school at the normal time.

Friday, 16 June

All pupils will return to school on 16 June to sit their Physics exam at 9am.

Pupils will be allowed to sign out at the office after this if this is their final GCSE exam.

Please note there are exams remaining for some pupils and they should attend their revision sessions and exams on time, as scheduled.

Uniform Reminder

It is also worth reminding you that pupils will need to keep a clean white shirt to wear after their awards assembly when they return for any remaining exam(s).

DON'T FORGET

Monday, 3 July

The Blackpool Pleasure Beach trip is on Monday 3 July, for those attending, and will depart from school at 9am and return at 4pm.

Pupils should make arrangements to be collected from school or to make their own way home. The pupils who have opted to attend the trip will receive an invitation to confirm this through Teams.

Thursday, 6 July

The Prom will be held on Thursday, 6 July at Bartle Hall Country Hotel, Lea Lane, Bartle, Preston PR4

0HA and the timings for the event are as follows:

- | | |
|--------------|---|
| 6-7pm | Arrival and photography – parents/carers are welcome to spectate during this hour. |
| 7pm-10.30pm | Pupils are to be seated for the meal, followed by a disco. |
| 10.30pm-11pm | Parents/carers are asked to collect pupils from Bartle Hall. Those who have opted to attend will receive an invitation to confirm this through Teams. |

Hoodies

The leavers hoodies have been distributed to pupils this week. Pupils may wear their hoodies in school however they must be removed when in the exam hall and replaced with their school blazer.

Thursday, 24 August

Exam results day is Thursday, 24 August. School will be open from 11am-12 noon for pupils to collect their results.

Should pupils not be able to attend at this time, their results will be sent out by second class post.

Further communication to follow.

Mrs Elliott's Cool Readers Club

Here's what our Cool Readers Club is all about...

These are our reading stars put forward by their English teacher. We interview them about their current book, what they like reading about and what they like to do when they're not reading.

Introducing, Emma...

Emma would like to be a physiotherapist and her favourite subject is science at Priory – but she still finds time to read.

"I am currently reading *The Austen Girls* by Lucy Worsley about two girls who need to marry rich people. It's really interesting.

"I usually like murder-mystery books so this is something a bit different. I saw it in the library and just thought it looked good.

"My favourite subject is Science as I like the experiments and, out of school, I like gymnastics and also am part of 6 Penwortham Scouts.

"I enjoy that as we learn new skills such as knots, map-reading and using a compass.

"I would like to be a physiotherapist as I had two operations on my feet when I was younger and the physios really helped me. I would like to do the same for other people."

Emma's English teacher, Mr Owen, added, *"Emma loves reading! She is a huge fan of Robin Stevens' series 'A Murder Most Unladylike'; indeed, she was saving up to own the entire set at one point! Driven, thoughtful, and diligent, Emma is an exemplary English student."*
