

# Penwortham Priory Post

## Pupils To Judge Lancashire Book of the Year

**Priory's Year 9 pupils will be bookworms over the next few months as they aim to read around ten books each to help to choose the Lancashire Book of the Year.**

Priory has been selected as one of the schools in the county to receive a collection of around 26 new books which a number of Year 9 pupils have volunteered to read.

The pupils' first external meeting about the books was at Lancashire Archives early Friday morning to discuss the novels with pupils from other schools.

English teacher and Chief Librarian, Mrs Elliott said: "There are around 90 books on the list and we have been sent around 26 to read. Many of our keen readers volunteered to take part and they are enjoying the challenge.

"Tom said he read a book he would never have selected on his own but he enjoyed it so this is good as it takes pupils out of their comfort zone with their reading.

"Once we have read them, we have to whittle them down to either a top ten or five and then we go and discuss them with other schools.

"That is a big step, it's about building their confidence and feeling confident to share their views and challenge others about books.

*Continued overleaf...*

## Key Dates

### Diary Dates

Did you know that the term dates for this academic year, as well as the following year, are available to view and download from our website?

[www.priory.lancs.sch.uk/parents/termdates](http://www.priory.lancs.sch.uk/parents/termdates)

**Weds, 8 Feb & Fri, 10 Feb**

Year 10 GCSE Geography Field Trip Liverpool (two cohorts)

**Fri, 10 February**

Year 9 Mid Year Science Assessment  
Katherine Fletcher MP Visit

**13-17 February**

Half term closure

**Tues, 28 February**

Year 10 Faith Day

**Fri, 10 March**

Year 11 Faith Day

**Tues, 21 March**

Year 9 DTP/ACWY  
Immunisations catch up

...Continued from front page.

"It's always a good competition and, at the end, there is a big event where the winning authors come to UCLAN and talk about their books and how they got their ideas so our pupils can follow the process through."

Tom said: "I want to read as many of the books as I can. I think we will all try and read at least 10 each but hopefully more. It's a good competition as it means you read books you wouldn't normally read. It will be interesting to see which book wins overall."

**Lancashire Book of the Year (LBOY) is the longest running young people's regional book award in the country.**

The award remains one of the few book awards in which young people themselves are solely responsible for choosing both the shortlist and the overall winning book.

The award is voted for by Year 9 students in selected high schools around the county. Each school is given a collection of books, submitted by publishers as being the best books they had produced for the 12-14 age group. The young people then read and shortlist the books before choosing the overall winner.

The 2022 winner was Cynthia Murphy for her novel Last One To Die.

**Pupils taking part are:**

**Daniel McC, AJ F, Eve F, Thomas M, Jake L, Hannah B, Ethan R, Geetha D-R, Emily J, Tasha C**

Organised by South Ribble Borough Council

Four soccer balls are arranged around the text: a red and white ball at the top left, a green and white ball at the top right, a green and white ball at the middle left, and a black and white ball at the middle right.

# SPORTS REPORT

## What's On After School Next Week

### Saturday (4 February)

Lancashire Cross Country Championships at Witton Park, Blackburn. Good luck to Jack T (Year 11) and Excellence I (Year 7) who will be representing Priory and South Ribble Schools.

### Monday

Year 10 South Ribble Cup Football vs Hutton (H)

Year 7 Netball Tournament at All Hallows

### Tuesday

Year 7 Netball Tournament at All Hallows

Badminton Club (All years)

Dance Club (All years)

### Wednesday

GCSE PE Badminton Practice

### Thursday

Basketball Club – Sports Hall (All years)

Trampolining Club - Gym (All years)

### Friday

Staff Football – Open to all staff

## Year 7 & 8 Girls Dance From The Heart

On Tuesday afternoon we welcomed pupils from some of our feeder primary schools to learn the steps to this year's South Ribble 'Dance From The Heart' routine.

Following the event, the primary leaders will then take what they've learnt and teach it to the rest of their school.

The young children were enthusiastically supported by Priory's Year 7 & 8 girls for the Disney-themed dance. Well done: Ella B, Maisie C, Lexi S, Kiera H, Emily A, Millie D, Isabella T, Kelsie-Ray D and Maisie W.

# 70th Anniversary Raffle Prize Draw

And the winners are...

What a joy it was to have two former pupils from Class of 1953 join us on Monday. Mrs Ward and Mr Rich were our very first Head Girl and Boy in our inaugural year, and along with Mr Eastham, they drew out our 70th anniversary raffle prize winners.

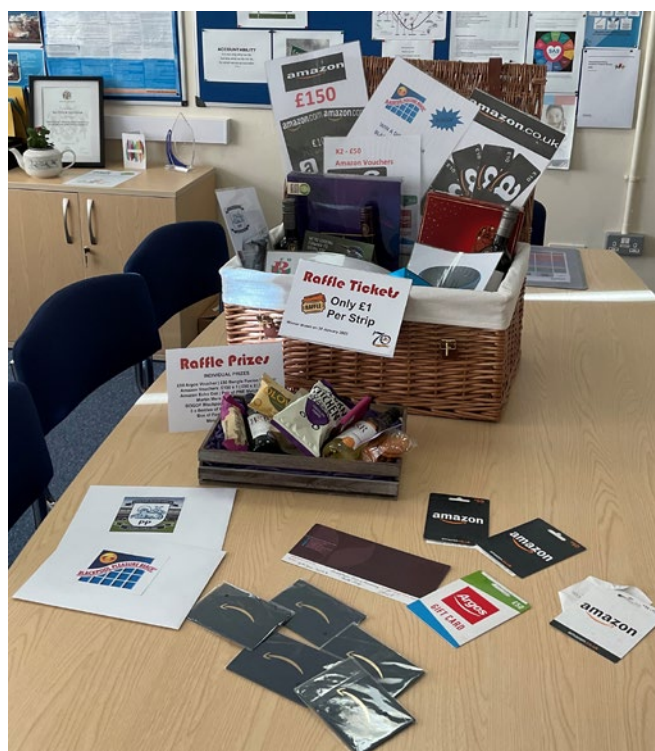

There were 20 prizes to give out and winning ticket numbers are published on our website. Winners have also been informed directly.

Whilst they were with us, Mr Rich and Mrs Ward took a nostalgic look at a photo of the school's very first teachers from 1953 which was recently discovered in our archives, and also caught up with our current Head Prefects.

The winning tickets can be seen at>>

[www.priory.lancs.sch.uk/fundraising-priory/70th-anniversary-raffle](http://www.priory.lancs.sch.uk/fundraising-priory/70th-anniversary-raffle)

Thank you for your support!

# Year 11 College Interviews

**PRESTON**  
COLLEGE

On Wednesday, Preston College visited Priory to interview Year 11 pupils who have applied for a course with them.

The College's next open day for Year 10 & 11 pupils is on Weds, 8 March, 4pm-7pm.

Pupils who are still considering the College as one of their options post-16 must apply before Friday, 17 March when they will return to Priory for catch up interviews.

The College has also produced a useful guide, '[How To Smash College Interviews](#)'. College interviews are not like other interviews that you might have for a job or university. They are more likely to be an informal chat with a careers guidance professional. However, there are a few things that you can do to make sure that you smash it.

[Read the article here>>](#) [www.preston.ac.uk/14-19-school-leavers/how-to-articles/how-to-smash-your-college-interview](http://www.preston.ac.uk/14-19-school-leavers/how-to-articles/how-to-smash-your-college-interview)

# Priory Pupils Achieve a First for South Ribble in Scouting Challenge

Two Priory pupils used their navigation skills and evaded a team of 'hunters' to finish second out of 145 teams in the popular Operation Moonlight, for scout and explorer groups.

The event is similar to a game of manhunt and teams have to navigate from a mystery start and finish point, over around 15 miles.

Year 11 Ben and Year 10 Abigail are part of the Enterprise Explorer Unit and they finished second overall and won the Explorer Section, so they were first in their age group. The team of six were also the first ever team in the South Ribble District to have won this competition.

Ben explained: "We were dropped off at a random location, which was Southport, and we had to navigate to the end which was Skelmersdale.

"We took our phones for emergencies but we weren't allowed to use them for navigating – it was about using OS maps and compasses. I have been a scout for around 10 years so I am ok at navigating.

"We set off at mid-day and we had to finish before 9pm and we got there just in time – it was really tight at the end.

"You are also pursued by leaders of units and you have to make sure they don't catch you.

"It was very wet and cold and to come second out of 145 teams is an achievement, and first in our age group, so we were happy."

Abi admitted: "I found it really hard, my legs are still hurting! I struggled carrying the weight and walking so far because it was the first time I'd done a challenge like this but I am glad I did it. We could have perhaps won two trophies but it was amazing to win one and be the first in the District to get it too!"

Learn to succeed

# Everybody's Reading at Priory

Twice a week in Learning for Life lessons, Years 7-10 read a book together and discuss the characters and plot as a class.

Humanities and AR teacher, Miss Ackers, is tasked with planning the books for Year 7 and last week the year group finished 'Once' by Morris Gleitzman. To round off their understanding, Miss Ackers challenged Year 7 to write a diary extract from the main character's (Felix) point of view to prove that they have grasped the events of the book and can get into Felix's mindset.

Miss Ackers said, *"The entries proved that they've understood and enjoyed the book, and the effort they have put into them is incredible."*

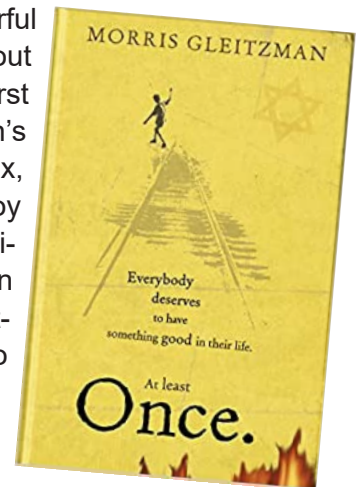

Emily C won the competition overall and received a £10 Amazon voucher. The other finalists deserved recognition and received 180 achievement points each for their efforts. Well done Excellence I and Oliver C, and everyone else that entered. Read Emily and Oliver's entries next page.

Year 7 will soon be starting their new book, 'Wild Boy' by Rob Lloyd Jones, so pupils should look out for new competitions to enter as their reading progresses.

Miss Ackers  
Humanities Teacher

One of the most powerful children's novels about the Holocaust, the first part of Gleitzman's quartet introduces Felix, a young Jewish boy fleeing across Nazi-occupied Poland in a desperate, heart-wrenching attempt to find his parents.

**My name is Felix.  
This is my story.**

Felix has been living in an orphanage for three years and eight months when the men in armbands arrive to burn the books.

Going on the run in search of his parents, Felix soon learns that Poland in 1942 is not a safe place for Jewish boys. But can his gift for storytelling keep him one step ahead of the Nazis and help him find his parents?

After all, everybody deserves to have something good in their life at least once.

**Context – The Holocaust**  
What do you already know?

Holocaust - the mass murder of Jewish people under the German Nazi regime during the period 1941-5.

More than 6 million European Jews, as well as members of other punished groups such as Romani, gay people, and disabled people, were murdered at concentration camps such as Auschwitz.

We will learn more about the context as we read!

**Burning Books**

Book burning began shortly after the Nazi Party took control over the government: "Beginning on May 10, 1933, Nazi-dominated student groups carried out public burnings of books they claimed were 'un-German.'" The book burnings took place in 34 university towns and cities. Works of prominent Jewish, liberal, and leftist writers ended up in the bonfires."

What makes a book "un-German"? Why would they burn Jewish books?

Learn to succeed

Below are the winning entries from Emily and Oliver (Year 7).

Once I tried to convince a group of children to behave while Barney was out being a dentist and collecting food. "Come on Felix! Tell us a story! We are bored, there is nothing good to do in this place!" said Zelda. The other children nodded in agreement, the wood chewing boy just chewed his wood. "That can't be good for him, I am no doctor, but I know it can't be good to chew wood." I thought

"But we want to hear a story now!"

"No tell them a story about the city wear shoes have rags already in them!" Zelda complained.

"Zelda can you not tell them the story, I'm tired"

"No, you tell story's better than anybody else here "

"Fine then, when Barney lets us out of this bunker, you can buy shoes with rags in them already, so your feet don't hurt when you're walking around a lot" This is a story that I told all the children at the orphanage, my Mama and Papa told me this story as well. The story of being able to buy shoes with rags already in them made me feel so hopeful about the world outside, even more hopeful when I saw the carrot in my soup it was definitely a sign from Mama and Papa that they were coming for me.

Everybody started getting restless in the bunker I guessed they were getting tired of my story. I was praying to God, Jesus the virgin Mary the Pope and Adolf Hitler that Barney will come back to the bunker soon.

There was a sudden bang at the door, was someone trying to break into the bunker! I looked around the room for something to defend myself and the other children with. No hope, all I could find was a toothbrush.

Nevertheless, I grabbed it and started jabbing towards the door yelling "whoever you are, I've got a....a.... a weapon. I'm not afraid to use it"

"Don't jab your tooth brush around, you'll poke somebody's eye out" said a figure from the darkness.

"Barney!" shouted Chira with excitement.

Once I fell down a hill and twisted my ankle. There I was, surgically falling down a hill, unable. There I was, surgically tripping over a bump. Pain when in my everyday life. Over the last I felt such twisted my vision etc. Over the last I felt such pain, not even when I landed, pressure on my wrist as or 5 years ago. I struggled to remain conscious as a warning, throbbing pain wrapped me. Staggering agonizingly, I made my way to the river and dunked my head in, which was a relief and it was the only option as my hands were shaking too much to hold water. After I had a refreshing drink, I felt confident enough to make a feeble attempt to stand. It was a mistake. A pinning, searing pain encompassed my ankle, hat's what I blacked out.

When I came round, all I could hear was the creaking of trees in the wind and the patter of rain. I didn't remember who I was for a split second, then it came flooding back to me in nauseating waves. It took all my willpower not to throw up as I snipped my head down to look at my ankle. It was completely and utterly bloodbored. It was fine. My calf skin has never been and will never be parallel to I can't believe my body. I wrapped my ankle and there was no, swelling, pain, or of the words of Jesus "Why hast thou forsaken me". I really hate my ankle. Strange how miracles work like that.

Everybody's  
reading

Every month we put together a newsletter for parents where we seek to share some of the initiatives and strategies we use in school so you might best support your child at home, in order to benefit them and further enhance their educational experiences in the long term.

This next issue looks at 'Maths' - How Sparx personalises each child's homework, tailored to their level of understanding and learning pace, and what parents can do to support their child with it.

January's issue has been emailed to parents this week however all past issues can be downloaded from the school website at>> [www.priory.lancs.sch.uk/parents/newsletters](http://www.priory.lancs.sch.uk/parents/newsletters) (below our weekly newsletters - please scroll down)

Mrs Cowell  
Vice Principal

## TEACHING AND LEARNING GUIDANCE FOR PARENTS

Welcome to our monthly Learning Newsletter where we seek to share some of the initiatives and strategies we use in school so you might best support your child in their education, in order to benefit your child and further enhance their educational experiences in the long term.

The logo for MATTS (Maths Tutoring and Teaching Support) features the word 'MATTS' in large, colorful, stylized letters. The 'M' is green, 'A' is blue, 'T' is red, 'T' is yellow, 'S' is green, and 'S' is blue. A small figure of a person is integrated into the letter 'A'.

Research shows that a large percentage of adults say they have some level of maths anxiety. Inadvertently, this maths phobia can be relayed to our children if we're not careful. Valuing mental challenge, and emphasising that mistakes are part of the learning process are crucial to pupils' future success.

At Priory, you may be aware that we use Spax Maths for homework.

The logo for SPARX MATHS features the word 'SPARX' in white capital letters on a blue rectangular background, followed by the word 'MATHS' in white capital letters on a black rectangular background.

Spax personalises each child's homework, creating a weekly set of questions tailored to their level of understanding and learning pace. The questions are designed to be achievable whilst offering the stretch that learners need to make progress.

Each week, topics are set by your child's maths teacher and will make up the majority of the homework questions. Questions from previous topics will also be included in the homework so that students can keep practising the skills they have learned.

We appreciate that you may want to help so here are some suggestions how:

1. Even if your child thinks they will answer incorrectly, they should make the first attempt on a question without assistance. This will enable the teacher to see what they are working on, and also helps Spax and School correctly determine their level.
2. Each question is accompanied by a help video. Watching the video with your child is a great way to support and encourage them with the question.
3. If your child gets a question wrong three times, Spax will suggest they seek help.
4. The teacher will also be notified that they need help with this particular question.
5. You can also contact the child's teacher for help using the school's normal communication channels.
6. To help the teacher, we recommend supporting your child in writing down their workings clearly in a book. You can share this with the teacher to help them identify the problem.
7. Repeated, daily practice complements what we know about how we learn best so, finding opportunities to revisit tasks and apply Maths to everyday life can help.

A hand-drawn circle containing a plus sign followed by an equals sign, representing a mathematical equation.

The logo for Priory Learning, featuring the word 'Priory' in a large, stylized font with a star above it, and 'Learning' in a smaller font below it.

# Priory Nature Reserve Gets a Fresh Look

Penwortham's Nature Reserve will have a new weatherproof sign perfectly crafted by Technology Technician Mr Lawe.

The old board was looking run down and a new sign was needed for the area, which is on the external part of school grounds and therefore open to the public.

"The old sign has been there for around 10 years so it needed a facelift," said Mr Lawe.

"It probably took me around six/ seven hours to complete it in my spare time, using the laser cutter in school as well as handcutting parts of it myself.

"It's also weatherproof so hopefully it will last a long time. I am really proud of it."

The sign will be fixed into place next week and officially unveiled after the half term break by the PenCon Chair and Secretary.

At Penwortham Priory Academy the Learning for Life curriculum is designed to support the promotion of excellence for pupils and do all it can to improve their life chances.

Pupils have two 20 minute Learning for Life lessons each week where they will participate in the curriculum shown opposite.

Where you will learn things you will need and will use, now and in the future

On the curriculum w/c 6 February

Year 7	Spring Term - Theme: 'Expressing myself effectively' The difference between being nice and kind
Year 8	Spring Term - Theme: 'Thinking with a clear head' Stigma
Year 9	Spring Term - Theme: 'Adapting my voice' Social media and communication
Year 10	Spring Term - Theme: 'Owning my actions' How can we protect each other in society?
Year 11	Spring Term - Theme: 'Charting the course' What courses are available at university?

Learn to succeed

## Next week is National Apprenticeship Week and we will be sharing lots of information with our pupils.

The annual event will be celebrated from 6 to 12 February and this year's theme is 'Skills for Life'. National Apprenticeship Week brings together everyone passionate about apprenticeships to celebrate the value, benefit and opportunity that apprenticeships bring.

The week-long celebration, taking place across England, will reflect on how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career, and businesses to develop a talented workforce that is equipped with future-ready skills.

Mrs Hopes, Lead Practitioner for Personal Development said, "*One of our aims is ensuring pupils are prepared and well informed for life beyond Priory. Part of our careers offering is ensuring that pupils are aware of all qualifications open to them post 16. The awareness of apprenticeships is important, as some are still under the impression that apprenticeships are for those who under achieve in or fail GCSEs. It is important that pupils are aware that apprenticeships are more appropriate for some careers and can provide early access to a careers path to others.*"

**Apprenticeships are real jobs with real employers, allowing you to work, earn a salary and gain valuable qualifications and experience.**

**With over 600 different apprenticeship standards covering everything from accountancy to zoo keeping,**

## Apprentices are Amazing

This powerful 90 second film showcases apprentices in roles from firefighter to working in parliament, and gently tackles misconceptions about the types of role you could have as an apprentice.

<https://amazingapprenticeships.com/apprenticeships/>

## The Apprenticeship Quiz

How much do you know about apprenticeships? Test your knowledge with this fun quiz and learn a little more about what roles are available, when to apply, when companies advertise and what they might be looking for. Can you get 10/10?

Assistant Head of Maths Mr Henshaw, along with the Maths Department, ran a competition asking pupils to say what they particularly enjoy about the subject. **Pupils were tasked with completing the following sentence, "I love Maths because..."**

Here's why Emma and Niamh love Maths:

### Emma...

*I think Maths is a very logical subject and I think it's best taught at Priory. Mr Walker is the best teacher ever!*

### Niamh...

*Maths has always been the one thing I find easy and interesting because there's no grey area. Everything is right or wrong and that means there's a formula to solve it. It's interesting and challenging because you always have something new to learn.*

Mr Henshaw  
Assistant Head of Maths

## WIN A £50 VOUCHER

FOR A CHANCE TO WIN:

Send us **5 pieces** of media content that's helped you with your mental health and wellbeing.

**Any of the following will be accepted:**  
TV shows, Movies, Poems, Artwork, Memes, Motivational Videos and Music.

The draw will be recorded and shared the first week back after half term.

**GOOD LUCK!**

Please send all entries to:  
[info@charlottelowepsychologicalservices.co.uk](mailto:info@charlottelowepsychologicalservices.co.uk)

Charlotte is Priory's school counsellor and she has launched a competition for pupils to send her media content that has helped them with their mental health.

Pupils could win a £50 voucher!

# Mrs Gidden's Cool Readers Club

## Here's what our Cool Readers Club is all about...

These are our reading stars put forward by their English teacher. We interview them about their current book, what they like reading about and what they like to do when they're not reading.

## Introducing, Connie...

**Connie loves drama at Priory but is thinking about a career in physiotherapy.**

The Year 9 has just started 'The Dog Share' by Fiona Gibson.

"This is about two people who own the same dog but I have only just started reading it," said Connie.

"It was a bit confusing at first but it's starting to make sense now!"

Described as a 'gloriously uplifting book', Connie admits she enjoys a variety of books.

"I can read anything really, I read for pleasure and I usually always finish the book."

Connie has taken part in Priory's productions including Matilda, Game Over and Mary Poppins.

"I enjoy drama and I do also take part in shows outside of school as well."

"I want to be on stage in the future but I am also thinking about physiotherapy. My auntie is a physio and I do enjoy both sports and science and that combines them both."

**Connie's AR teacher, Miss Ackers added,** "Connie is such a gloriously uplifting student who clearly enjoys reading, brings a dramatic flair to class and is engrossed every week in her AR session. She's been reading lots of books since we've been back at school and it's lovely to see her enjoying books just as much as I do. Keep it up, Connie!"

Mrs Gidden  
Head of English

# Don't Forget Our School Lottery!

Next Draw  
Sat, 4 February  
and every Saturday

The school's 'Your School Lottery' is part of the Gatherwell Ltd lottery group which was established with a core value of being an ethical lottery provider to help schools facing growing financial pressure.

By taking part, the pupils here at Priory will benefit directly regardless of who wins as every penny raised goes straight back to our school. There is a guaranteed cash winner for the school each week and the chance to win the £25,000 jackpot!

**Play along! It's easy to get your tickets online - only £1 each.**

You can choose to set up a direct debit, a recurring card payment or a one-off payment by card (the minimum term for this is 5 weeks at £5). If you're able to take part, please visit our 'Your School Lottery' page to purchase your tickets >>

[www.yourschoollottery.co.uk/lottery/school/penwortham-priory-academy](http://www.yourschoollottery.co.uk/lottery/school/penwortham-priory-academy)

For further details and FAQs please see below or visit our website at:

[www.priory.lancs.sch.uk/fundraising-priory/school-lottery](http://www.priory.lancs.sch.uk/fundraising-priory/school-lottery)

Good Luck!

## This Term's Extra Prize: Win a whole year of HelloFresh!

These fantastic boxes deliver fresh high-quality ingredients direct to your door – with everything you need to create delicious dinners from scratch. Don't miss out - get your tickets today!

**Every half term, there's an additional prize up for grabs. Buy one or more tickets before Sat, 25 February and each ticket gives you a chance to win.**

**SUPPORT OUR LOTTERY TODAY**

- £1 per week
- Weekly cash prizes
- £25,000 jackpot

**How it works...**

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to Penwortham Priory Academy

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online at [YourSchoolLottery.co.uk](http://YourSchoolLottery.co.uk) by direct debit or debit card.

**It's so easy to join and will make a real difference to Penwortham Priory Academy**

**Splitting the £1.00**

- 40p goes to our school
- 36p goes to cash prizes
- 20p goes to admin costs
- 4p goes to VAT

**The Maths...** 100 tickets sold a week means

- = £30 weekly cash prize
- = £2,080 a year for our school
