

Penwortham Priory Post

Behind The Scenes: PPA Facilities & Lettings Team

In the bustling corridors and behind the scenes, there are dedicated teams who ensure that our school functions smoothly. From managing administrative tasks and keeping our buildings safe and secure, to providing essential classroom support, these unsung heroes play a vital role in creating a positive learning environment at Priory.

In the sixth part of this series, we're shining a spotlight on the PPA Facilities and Lettings Team as we explore their contributions and learn more about the people who ensure we achieve the utmost from our facilities for the benefit of our school and the community.

You may think Priory opens and closes when the school bell goes but it's ready for business seven days a week.

We have a superb team at Priory that manages the hiring of the schools' facilities outside of school hours, which ensures the school is used not only for educating pupils but by the Penwortham and wider communities.

The Lettings Team is led by the Strategic Estates Development Manager, Mr Bolton, while Mr Wynter and Mr Kolacz run the day-to-day operations for enabling the hirers of our facilities have a great experience. The directors for PPA Facilities are Mr Eastham, Mr Gee, Mrs Barker and Mr Bolton.

Out-of-school hours, Priory is used for a variety of community activities such as The Pauline Quirk Academy, a Bulgarian language and dance club, EDSC Dance Group, One Voice Choir, Diddy Kicks, Rugby Tots, Scouts, volleyball, netball, football and cricket leagues, plus a church – to name but a few.

Available for hire are the school's two Conference Suites, the 3G pitch, the sports hall, floodlit netball courts, gym, drama and dance studio, grass pitches, assembly hall and classrooms – basically all our school can be utilised out-of-school hours.

Mr Wynter said: "My role is to prepare for all the lettings; I set up all the equipment that's needed for the clubs or groups, so they are ready to go, and speak to the customers, managing all their requirements. I deal with a lot of sports.

"The site is open seven days a week, in the evenings, and also from 8am-6pm at weekends,"

Mr Kolacz said: "As well as covering lettings shifts, I look after the site's maintenance so can be called upon at any time."

Mr Bolton said: "I manage the initial contacts with the hirers along with making bookings on the online system that we use to make booking our facilities easier for our users."

We want to do our bit to make sure that Priory is part of the larger community and open our site for a whole variety of groups and clubs to use our state of the art facilities."

You can view galleries of our facilities before making any enquiries by visiting our website. We welcome casual or regular bookings.

You can also check availability and make online instant bookings for our 3G pitch, floodlit netball court and sports hall as well as book a badminton court or table tennis.

A celebratory poster for the iDEA award. At the top, there are several award logos in various colors (green, purple, blue, orange) with text like 'iDEA INTERFACES', 'iDEA RESOLUTION', 'iDEA TEAMWORK', 'iDEA BLOCKCHAIN', 'iDEA FOUNDATION', and 'iDEA ADVENTURE'. In the center, a gold laurel wreath contains the iDEA logo and the text 'INSPIRING DIGITAL ENTERPRISE AWARD'. Below this, the word 'CELEBRATIONS' is written in large, bold, gold letters. Underneath, it says 'iDEA can help you...' followed by a bulleted list: 'Enhance your skills and knowledge', 'Improve your digital literacy', 'Learn about staying safe online', 'Discover talents you didn't know you had', and 'Get more confident with technology'. Below the list are two award banners: a gold one for 'BRONZE' and a grey one for 'SILVER'. Under the Bronze banner is a list of students: Year 11 Umar H, Year 9 Naeem K, Year 9 Junior Y, Year 9 Jacob R, Year 9 Alex B, Year 9 Shivam Y, Year 7 Alex P, and Year 7 Sravani M. Under the Silver banner is a list of students: Year 9 Naeem K, Year 9 Jacob R, and Year 9 Shivam Y. At the bottom, there is a section for 'Special Recognition for progress towards Bronze Award' with a list of students: Year 10 Junaid Q, Year 8 Oliver C, Year 7 Zach F, Year 9 Sophie P, Year 7 Adam H, Year 7 Zachary B, Year 7 Charlotte C, and Year 7 Niall M. On the right side, there is a lightbulb icon with the text 'LET YOUR light SHINE' inside it.

Year 11 Geography Urban Study Preston City Centre

Monday, 31 March and Tuesday, 1 April

The Geography Urban Study that was scheduled for November will now take place in Preston on Monday, 31 March and Tuesday, 1 April. Student groups will be finalised and class teachers will let students know which day they will attend.

The study is an integral and compulsory part of the GCSE and concludes the course as we prepare for the summer exams.

Due to unforeseen circumstances, the visit to Liverpool has had to be relocated and therefore, any monies paid for the trip will be automatically refunded in the coming days. As a Geography department, although we are disappointed that the Liverpool visit could not be achieved this year, we do feel that the local study to Preston will potentially be more beneficial for our students, as a core knowledge of the area is required to be written about in the exam and so this familiarity may prove to boost final GCSE grades.

The field study will aim to collect environmental data along an urban transect into Preston and students will make hypotheses about building function as they move into the city centre. Students will be out of school for the morning, from Period 1 to lunch and will return to school for their Period 5 & Period 6 lessons. This means they can purchase some lunch in Preston should they wish or bring a packed lunch. Students are not required to wear uniform but must look presentable and avoid any hooded garments.

We thank you for your continued support and wish all our students the very best in all their subjects as exam season approaches.

Parent Meeting London Drama Trip

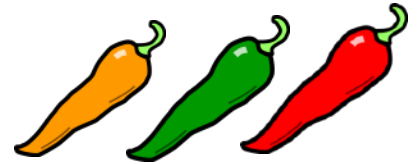

Parents whose children going on the Drama trip to London next month have been invited to a meeting on Thursday, 20 March at 4.30pm.

The short meeting will take place in the Assembly Hall and will be an opportunity to inform parents and pupils of the trip itinerary and answer any questions they may have.

Parents who won't be able to attend should email Drama teacher, Miss Howell, so that information can be forwarded to them via email.

f.howell@priory.lancs.sch.uk

Chilli Challenge Winners

Here are this week's winners who each receive a chilli token to claim their free breaktime snack from the dining rooms.

3rd	CALDER	4th	HODDER

Priory Bosses Talk Business With Year 10 Enterprise Pupils

This week, Mr Eastham, Mrs Barker, Mr Gee and Mr Bolton delivered a presentation to Year 10 Business students.

The Priory leaders' focus was to provide an insight to students on the operations of their Community Interest Company, PPA Facilities. Set up as a Private Limited Company by guarantee, the not-for-profit entity has been created to benefit the school and the wider community by providing an exceptional range of sports, leisure and business-use facilities at an affordable price. They detailed how the addition of a new online booking system has allowed a smooth transition from the previous operators. The company now benefits from a fully booked schedule each week with profits being reinvested into the needs of our school.

ICT and Business & Enterprise teacher, Miss Gregson, said, "Students actively listened and completed their knowledge organisers whilst learning about the roles which Mr Eastham, Mrs Barker, Mr Gee and Mr Bolton have undertaken, how these have developed over time and the wealth of skills they bring to their extremely successful company.

"Students also learnt about how the company measures customer satisfaction and what happens if anything goes wrong. Problem solving looked to be a common skill shared amongst the team to move forward with any issues positively. It was also clear that Mrs Barker, who oversees the company's finances, also works very hard to curb the enthusiasm and the eagerness of Mr Eastham and Mr Gee by keeping them in check with new opportunities they come across!"

Finally, students were informed about the external factors that challenge the company such as rising staffing and energy costs, changes in legislation, creating new opportunities for the community (such as the recent addition of the Priory Pod providing families with food and hot drinks during their time onsite at football

Continued next page...

Learn to succeed

Continued from previous page...

matches, cricket and volleyball facilities) whilst keeping everything affordable in an uncertain economic climate.

The success of the company certainly has a wonderful impact within school and the wider community with the additional investment it provides.

We really appreciated the time given by Mr Eastham, Mrs Barker, Mr Gee and Mr Bolton. We know how busy they are in school, however their commitment in providing this insight has been very much appreciated.

Our Facility Hire

Did you know our rooms and sports facilities are available to hire?

National Youth Parliament Elections - Our Results

You may recall our article last week where pupils participated in the largest ballot for young people - the Lancashire Youth Council Ballot.

Pupils were given the opportunity to vote, to select the topic they are most passionate about and want more national action on. As in adult elections, they had to put a large X in one box only.

Here are the results from Penwortham Priory Academy >>

Mental Health	149	The Lancashire Youth Council provides opportunities for 11-18 year olds to have their say and begin their democratic journey by voting on the issues they want to change. The results will influence hundreds of projects and campaigns, led by young people, for young people. Members of Youth Parliament and other young people in the community will campaign and research the winning topics, to influence UK Parliament and their local representatives, ensuring that the views of young people are listened to by decision makers.
Citizenship	12	
Discrimination	43	
Food poverty	18	
Education	28	
Safety in public places	87	
Transport	59	
Opportunities for communities	8	
Environment	20	
Cost of living	249	

Lead Practitioner for Personal Development, Ms Smith, who organised the ballot at Priory, concluded, *"The votes from our school will contribute to those cast by other participants. It's a very interesting result and it would seem 'cost of living' is something our young people are acutely aware of."*

March Bake Sale!

Easter Bingo at Priory

On the evening of Wednesday, 2 April we are holding an Easter Bingo fundraiser and invite our Year 7 & 8 pupils and their families for a cracking evening of entertainment.

The event promises to be lots of fun with prizes to be won, a raffle, refreshments and a tuck shop. Bingo cards, bought on the night, will be £1 for a book of 5 games or £5 for 6 books - please bring cash!

We'd very much like our Year 7 & 8 pupils and their families to join us so if you'd like to come along, please simply head over to SCOPay to get your tickets - Adults £1, Children 50p (under 5s free).

Please see poster in this newsletter or visit our website for further details >> www.priory.lancs.sch.uk/events/2025-04-02-easter-bingo

In conjunction with the event, we are also holding a non-uniform day exclusively for these two year groups on Wednesday, 26 March - details below.

Thank you for your support!

Year 7 & 8 Non-Uniform Day

Wednesday, 26th March

In return for wearing your own clothes*, please bring an Easter egg or donate £2 and pass it to your form tutor on the morning.

All donations will be used for our Easter Bingo night on Wednesday, 2nd April at 6pm-7.30pm.

Book your place via SCOPay | Tickets Adults £1 Children 50p (under 5s free)

Bingo cards purchased at the event | £1 a book of 5 games | £5 for 6 books | Raffle | Tuck Shop

Priory Girls Keep the Ball Rolling in #LetGirlsPlay Nationwide Football Event

SPORTS REPORT

Friday, 7 March saw Priory take part in the Barclays Biggest Ever Girls Football Match.

Coming the day before International Women's Day, this annual nationwide initiative aims to encourage as many female participants from around the country to play football on the same day. With the rise in the success of England's Lionesses, the goal is to 'keep the ball rolling' in terms of not only women playing football and getting the well deserved recognition for their dedication to the sport, but to continue to shine the light on females in sport.

PE teacher, Miss Beesley, who co-ordinated Priory's participation, said, "Over 70 girls ranging from Year 7-10 took part in the event which was a fantastic turn out! The matches consisted of friendly games for those who were new to the sport and more competitive matches for those who play for local teams. The girls were also kitted out wearing shirts from their favourite football teams or local clubs."

She went on to say, "We have seen the numbers rise in girls football over the last few years at Priory alone, and initiatives

like this are really benefiting the sport in a positive way."

Tom Young Inspires Priory Pupils on World Book Day

**SPORTS
REPORT**

On Thursday, 6th March, Priory pupils had the privilege of welcoming Tom Young, a renowned performance psychologist and author of 'The Making of a Leader'.

WORLD
**BOOK
DAY**
6 MARCH 2025

The event, held in celebration of World Book Day, provided Year 10 & 11 GCSE PE pupils with a unique opportunity to gain insights from a professional who has worked with some of the top sports teams and athletes in the world.

Tom's impressive career includes collaborations with the Wigan Warriors Rugby League team, the Ryder Cup golf team, and Keely Hodgkinson, the 800m Olympic Gold medallist. During his visit, he shared his journey from his school days through to university, highlighting the educational choices and experiences that led him to his current role.

In his engaging presentation, Tom discussed the importance of profiling for managers and coaches, explaining how understanding individual team members can enhance productivity and teamwork. His insights offered students a deeper understanding of the various career paths available in the sports industry, particularly in the field of performance psychology.

The pupils were captivated by Tom's stories and advice, and Priory was honoured to host such an inspiring figure. The event not only broadened the students' knowledge of potential careers in sport but also provided a valuable glimpse into the world of performance psychology.

We extend our heartfelt thanks to Tom Young for his time and expertise, and we hope that his visit will inspire our pupils to explore the diverse opportunities within the sports sector.

World Book Day: A Novel Celebration at Priory

World Book Day, celebrated on 6th March, was a page-turning success at our school this year!

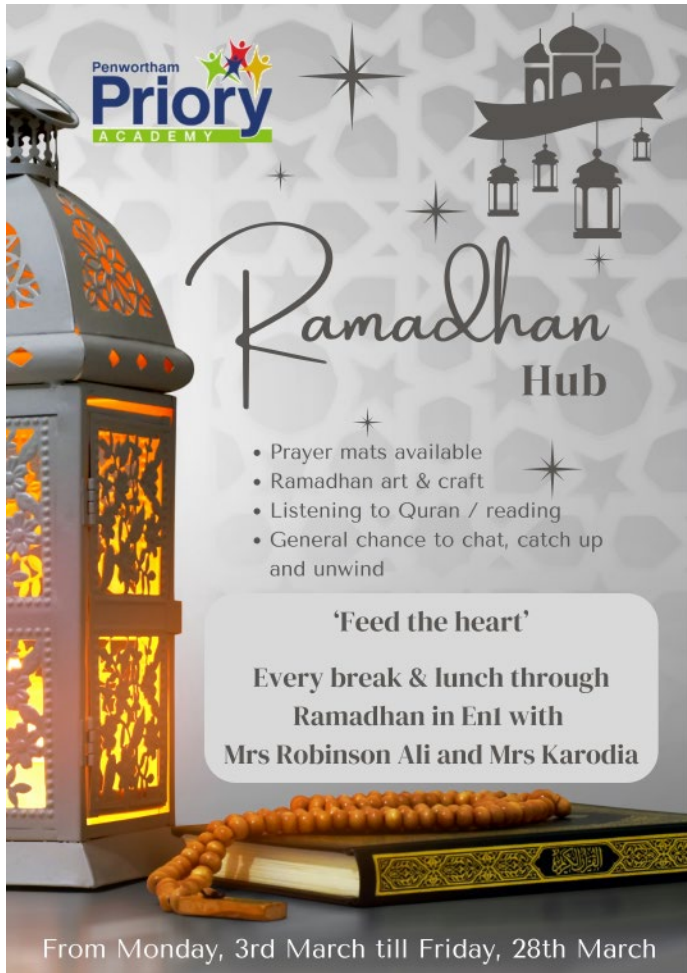

Staff and pupils alike threw themselves into the spirit of the day, with a creative challenge for forms and staff to decorate their classroom doors with a literary theme.

From the Yellow Brick Road to Dobby's Sock Shop, the halls were transformed into a book-lover's dream. Notable efforts included the office's enchanting Wizard of Oz/Wicked-inspired door and Mr Oakes' magical Harry Potter creation, which left pupils spellbound. And not forgetting the Technology department's creative co-ordination that also took on the Harry Potter theme.

The competition was fierce, but the judges couldn't resist the charm of Miss Beesley's Year 10 form, whose vibrant Cat in the Hat door took home first place. Close behind were Mrs Elliott's Year 7s, whose creative Wonka Bar design was truly golden.

English teacher and competition judge, Mrs Robinson-Ali, added, "A huge thank you to everyone who took part, your efforts really turned a new chapter in celebrating books and brought stories to life across the school! We can't wait to see what next year's competition has in store – or should we say, what's next on the bookshelf!"

Ramadan 'Experience Iftaar' Evening Meal 25 March (open to all)

We are delighted offer an exciting opportunity for pupils to participate in a cultural experience as part of our ongoing efforts to promote understanding and inclusivity within our school community.

On Tuesday, 25 March we will be taking a maximum of 20 pupils to Jaan's Restaurant on New Hall Lane, to 'Experience Iftaar,' a special evening meal that Muslims enjoy to break their fast during Ramadan.

The cost for this trip is £14.99 per pupil, which includes a buffet-style meal and one soft drink.

The event will provide pupils with the opportunity to:

- Taste traditional foods often eaten to break the fast, such as dates and fruit.
- Hear the Adhan (call to prayer), which marks the time to break the fast.
- Observe and learn about the significance of prayer in Islam.

Staff will meet pupils at the restaurant between 6pm-6:15 pm to ensure everyone is settled in before it is time to break fast. Please note that pupils will need to arrange their own transportation to and from the venue. Pupils will need to be collected from the restaurant at 8:30pm.

This trip is open to all pupils, irrespective of faith, and promises to be an enriching experience, offering a chance to socialise, ask questions, and learn more about the Muslim faith and culture.

Spaces will be allocated on a first-come, first-served basis, so we encourage you to make payment via SCOPay as soon as possible to secure a place for your child. The closing date is 20 March however this will close earlier if places are filled.

We hope this will be a memorable and valuable experience for all involved.

Letters are available from Mrs Robinson-Ali or a copy can be downloaded from the school website at>>

www.priory.lancs.sch.uk/parents/letters

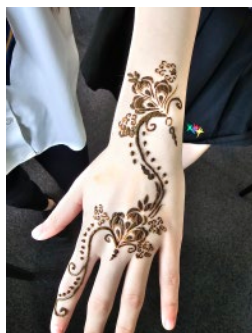

Henna Hand Art

As part of our Ramadan Hub activities running throughout the month, students have the opportunity to use henna to draw mehndi patterns on their hands.

Henna is a natural dye made from a plant and applied to the skin. It will remain on the skin for a few days, but it is not permanent. It will however, permanently stain clothing if it comes into contact with it before drying. Black henna will not be used. Please note that an allergic reaction is possible, but uncommon.

The activity will take place at break and lunchtime in EN1 (Mrs Robinson-Ali's room) from Monday, 10 March to Friday, 28 March. To cover resources, this will cost £2 per person which can be paid in cash on the day.

Pupils interested in this activity should collect a permission slip from Mrs Qadri and return to her prior to taking part.
