

# Penwortham Priory Post

## Culture Day 2026 - An Occasion For All

### Culture Day was a colourful, successful and informative day!

This annual staple of Priory's school calendar was organised once again by Head of ICT & Computing, Mrs Qadri. There was Henna hand-painting all week, music from different cultures playing at break and lunch (MaBaL), a food sale at break and pupils wearing their traditional cultural clothes or their national team's sports kit. There was also a cookery masterclass held after school on Thursday where pupils learnt how to make samosas and spring rolls.

Pupils were asked to donate £1 if they chose to wear their own clothes and all money raised in donations from the event will go to the Friends of Mulanje Orphans (Malawi) (FOMO). On final count, Priory has raised an amazing £432.74.

FOMO is a charity which runs 14 centres, caring for 2,000 orphans in Africa. The orphans are provided with food, clothes, blankets, mosquito nets, education, medical fees and most of all love and support.

Mrs Qadri said: "We pride ourselves on our diversity and vast cultural community at Priory – we have on average 15 different ethnicities and more than 20 different languages spoken.

"Celebrating our culture is important. Culture Day is always a popular day – especially the Henna tattoos!

## Key Dates

Did you know that the term dates for the academic year are available to view and download from our website?

[www.priory.lancs.sch.uk/parents/termdates](http://www.priory.lancs.sch.uk/parents/termdates)

**Mon, 11 May - Mon, 15 June**

Year 11 exams

**Fri, 22 May**

Rewards Day (Period 1-4)

**HALF TERM CLOSURE**

Mon, 25 May - Fri, 29 May

**Mon, 1 June and Fri, 5 June**

Year 10 Manchester Airport Trip (Business and ICT pupils)

**Mon, 8 June**

Year 9 DofE Drop Down Day 3  
Year 8 Parents Evening (online)

**Weds, 10 June**

Year 10 Revision Event 5pm-6.30pm

**Fri, 12 June**

South Ribble Athletics, Stanley Park, Blackpool

**Weds, 16 June**

Year 10 Runshaw College Taster Day

**Fri, 19 June**

Year 10 Preston College Taster Day

**Tues, 7 July**

Year 10 Newman College Taster Day

...continued from front page

"Having a day to celebrate our culture is something that has been requested by many of our pupils and we agree that it is extremely important for children to be proud of their identities, faiths and cultures, but also to share their background with their peers."

During Learning for Life on the Thursday, Audrey Toft, a trustee from the Culture Day's chosen charity, Friends of Mulanje Orphans (Malawi), delivered an assembly to Year 7 about how the pupils' donations will be used. She also asked to come in on Friday to see how our pupils celebrated and to enjoy the morning with us.

Mrs Toft said, "On behalf of FOMO I would like to thank the school for inviting me in to give a presentation about FOMO and life in Malawi. Hopefully I gave the pupils some idea of what life is like for people in Malawi, and for the orphans we support."

She went on to say, "I was very pleased with the way everyone entered into the spirit of the event on Friday morning – very colourful and enjoyable!"

Not to be left out, staff were able to purchase traditional Indian food and snacks to take home, made by Mrs Qadri and her family - which were absolutely delicious!

## Final Exams Begin: Good Luck Year 11!

Good luck to all our Year 11s as their GCSE exams get underway next week.

Exams begin with English Literature on Monday morning. All Year 11 pupils should expect to be in school every day until the Physics exam on Monday, 15 June. There is a national GCSE contingency day on Wednesday, 24 June. This date is used if any exams are cancelled and therefore parents are asked not to book holidays until after this date.

We're so proud of how hard our Year 11s have worked to get to this point, and we know they're ready to take on the challenge.

**Stay positive, believe in yourself and do your best - you've got this!**

**Early Lunch During Exams:** A reminder that from Monday 11 May until Monday 15 June, lunch will move to the earlier time of 12.15pm - 12.50pm (with the exception of Thursday, 14 May). Therefore, Period 4 will commence at 12.50pm. There are no changes to the start and end of the day.

## A Special Message From The Gladiators

Our Year 11s have received a very special good luck message from the cast of The Gladiators ahead of their GCSE exams starting on Monday.

From the arena to the exam hall, the message is clear: stay strong, believe in yourselves, and give it everything you've got.

Good luck to every single one of you – we're all behind you. You're all gladiators!

If you want to see the recorded message - pop over to our Facebook or Instagram pages on Sunday evening. Year 11 can also see this message on their Year Group Teams.

*Learn to succeed*

# Year 10 Revision Event - 10 June

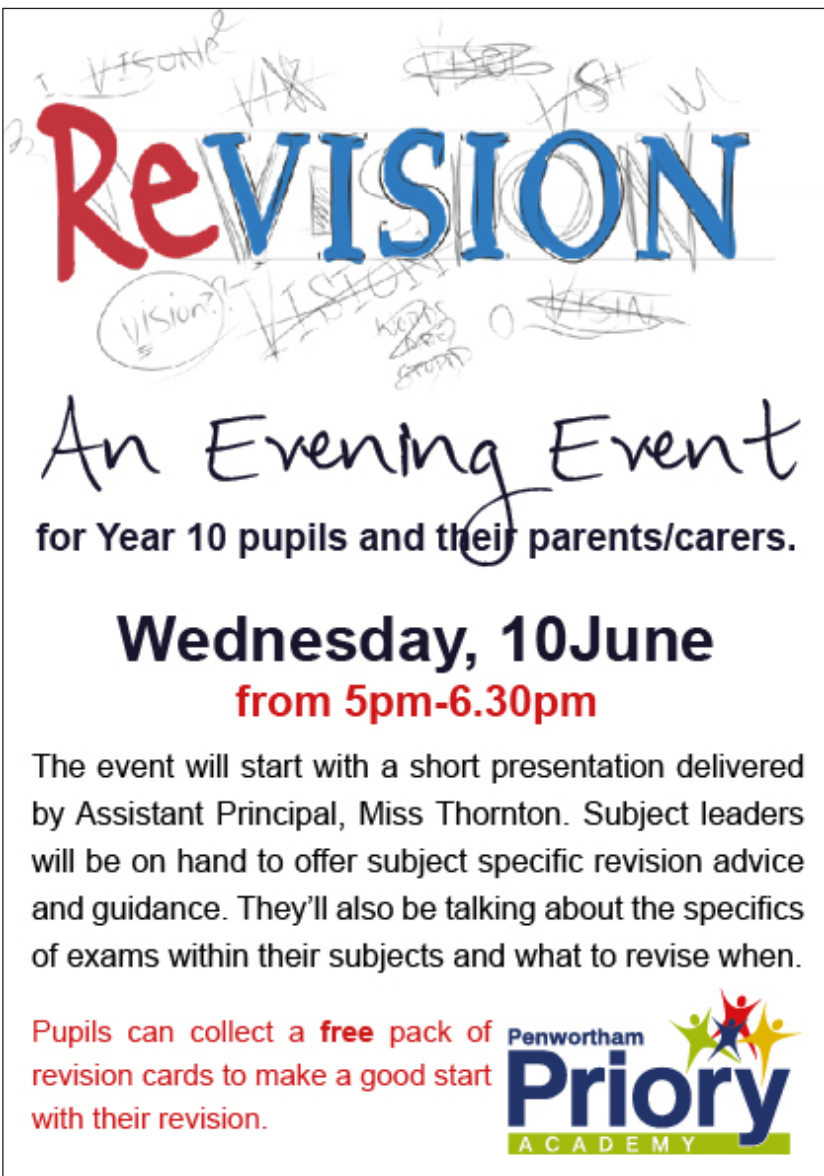

On Wednesday, 10 June we invite Year 10 pupils and their parents/carers to join us for our annual 'Revision Event' in school, an evening dedicated to getting those hints and tips for success in the mock exams and next summer's final exams.

We have also issued communication about how to order revision guides for each subject. Guides that are ordered before the 21 May deadline will be organised for collection on the evening. Please be aware we will not be selling any revision materials on the night.

Subjects that have an exam will be represented at the event and subject leaders will be available to talk to. Pupils will be able to pick up their free revision cards to make a good start with the revision.

Local colleges will also be in attendance to give advice and guidance about further education choices.

The event starts in the Assembly Hall at 5pm with a short presentation by Assistant Principal, Miss Thornton.

**REVISION**

An Evening Event  
for Year 10 pupils and their parents/carers.

**Wednesday, 10 June**  
from 5pm-6.30pm

The event will start with a short presentation delivered by Assistant Principal, Miss Thornton. Subject leaders will be on hand to offer subject specific revision advice and guidance. They'll also be talking about the specifics of exams within their subjects and what to revise when.

Pupils can collect a **free** pack of revision cards to make a good start with their revision.

## Year 11 Lunch Account Balances

### Important Notice

As our Year 11 pupils approach the end of their time with us, we would like to remind parents about an important matter regarding school lunch accounts.

Once a pupil has officially left school and is removed from our roll, we are unfortunately unable to process any refunds for remaining balances on their lunch accounts. **To avoid any loss of funds, we encourage all parents to ensure that any remaining credit on their child's lunch account is used before their final day in school as a year group. This will be Monday, 15 June.**

Students can continue to use their accounts as normal up until this date, so we recommend checking balances in advance and planning accordingly to make full use of any remaining funds.

Balances can be checked via SCOPay or pupils can check at the till point.

# Hard To Swallow - Bold, Raw and Remarkable: A Production to Be Proud Of

WRITTEN BY MISS HOWELL, LEAD TEACHER OF DRAMA

I am incredibly proud of everyone involved in our recent production of the play, *Hard to Swallow* by Mark Wheeler. From the students on stage to the lighting and sound technicians working behind the scenes, every individual contributed with commitment, maturity, and professionalism, resulting in a powerful and moving piece of theatre.

The cast approached an extremely challenging and traumatic story with sensitivity, honesty, and courage. Their performances were raw, truthful, and emotionally compelling, showing a deep understanding of the difficult themes at the heart of the play. It was clear how seriously they took their responsibility as storytellers, treating the material with respect while still delivering performances that were engaging and impactful.

Our technical team played an equally vital role in the success of the production. The lighting and sound were used with great skill to shape atmosphere, build tension, and support the emotional beats of the play. Their work enhanced the storytelling throughout, often subtly, but always effectively, demonstrating strong teamwork and technical confidence.

Audience reactions spoke volumes about the impact of the performance. Some viewers were visibly emotional, with a number moved to tears. Others described the play as tense, raw, and a hard watch - comments that reflect the seriousness of the subject matter rather than any discomfort with the production itself.

Above all, audiences were united in their praise for the students, consistently describing them as amazing and expressing admiration for their bravery and talent in tackling such difficult material.

*Continued over...*

Learn to succeed

...continued from previous page

Engaging with a story as traumatic as *Hard to Swallow* is never easy, but the process has been an invaluable learning experience. It has helped students gain a deeper understanding of the issues explored in the play, encouraged empathy, and opened up important conversations both in rehearsals and beyond. This production demonstrated the power of theatre to challenge, to educate, and to create meaningful dialogue.

I would also like to extend a huge thank you to all the staff who supported the production behind the scenes — for their guidance, encouragement, and time throughout the process. Finally, thank you to everyone who came to watch and support the students. Your presence, feedback, and engagement meant a great deal and helped make this production such a meaningful experience for all involved.

Well done to everyone. This is one of my biggest proud teacher moments!

Miss Howell

# Year 7 Step Into the World of Work For Mega Day

Year 7 students took part in an exciting MEGA Day on Friday, 24 April, organised in partnership with the IN4 Group. The event was designed to replicate a real day of work experience, giving students an opportunity to develop workplace skills and explore careers in the digital and cyber industries.

To reinforce the professional focus of the day, students attended school dressed in work-appropriate clothing. Blazers were replaced with shirts and ties, many borrowed from family members, and some students even arrived dressed in full business suits! This helped set clear expectations and encouraged pupils to take pride in their presentation, just as they would in a real working environment.

The day began with a MEGA assembly, followed by a structured timetable of interactive workshops led by IN4 Group professionals. Throughout the day, students participated in hands-on sessions including Open Source Intelligence (OSINT), Micro:bit coding, LEGO SPIKE robotics and Spheros, all designed to promote teamwork, problem-solving and creative thinking.

A standout activity was the Cyber Calendar challenge, where students applied their digital knowledge and collaboration skills to complete a series of tasks. Team BLOO were crowned winners of the competition and were presented with a gift from MEGA staff, recognising their excellent teamwork and effort.

The afternoon concluded with a quiz and feedback session, followed by a careers talk exploring pathways into the digital sector. The day ended with a celebration assembly, prizes and a final reflection on the skills students had developed.

Head of ICT & Computer Science, Mrs Qadri, summed up by saying, "The MEGA Day was an inspiring and valuable experience, providing Year 7 students with a genuine insight into the world of work while building confidence, aspiration and employability skills. We would like to thank the IN4 Group and MEGA staff for delivering such a professional and memorable event."

## Year 7 Girls March into South Ribble Cup Semi-Final

The Year 7 girls' football team put in an outstanding performance on Monday, 27 April in their match against Leyland St Mary's, securing a convincing 12- 0 victory and booking their place in the South Ribble Cup semi-final.

The girls were clinical in front of goal, with Laura leading the scoring with an impressive five goals, closely followed by Belle, who added four more. Further goals from Sophie, Isla W and Reeva completed an excellent team performance.

Beyond the goals, the team played some fantastic football. They worked brilliantly together to create space, move the ball quickly, and pass confidently between one another, demonstrating great teamwork and understanding across the pitch.

Credit must also go to Leyland St Mary's, who showed real determination and sportsmanship, never giving up and continuing to work hard right until the final whistle.

This result means the Year 7 girls now progress to the South Ribble Cup semi-final, which will be played in the coming weeks. A fantastic achievement and a performance to be proud of. Well done to all involved!

## Tallest Sunflower Competition 2026

Plant your seeds - April to early May

Grow the tallest Sunflower you can, measure it and send a photograph to enter the competition.

You can send your entry to [www.progressgroup.org.uk/bloom](http://www.progressgroup.org.uk/bloom) or email [community@progressgroup.org.uk](mailto:community@progressgroup.org.uk) by Sunday 6<sup>th</sup> September 2026

# Construction Course Success at Preston College For Year 10 Pupil

A huge congratulations to Year 10, Kenzie, who has been attending a construction course at Preston College every Wednesday afternoon throughout this academic year.

Kenzie's commitment, enthusiasm and positive attitude were recognised at the Construction Awards Evening on 29 April, where SENCo Mrs Holland was delighted to be present to see him receive the Employability Award.

The event recognised the achievements of students studying construction through the School Links Programme, which enables pupils to gain hands-on experience in a college environment while completing their school education.

Mrs Holland commented *'It was fantastic to see Kenzie's hard work rewarded, he has received positive praise from the college throughout the year and is always keen to tell us what he's been working on and managed to build each week.'*

The college explained that the final Employability Award is presented to a Year 10 learner who consistently demonstrates outstanding professional qualities, and Kenzie was identified as a potential recipient within the very first weeks of the course. His tutors praised him for always approaching tasks with a positive mindset, showing a genuine eagerness to develop his skills, and for displaying a natural talent for brickwork.

In addition to his practical ability, Kenzie was commended for being polite, respectful and smiley, making him a pleasure to work with in the college environment. Tutors commented that these qualities,

combined with his growing technical skill, mean he has a very promising future and "will be a great apprentice one day".

The evening concluded with closing remarks from Mark Taylor, Director of School for Construction at Preston College, who thanked partner schools and employer sponsors for their ongoing support. The awards event celebrated not only academic and practical success, but also the strong partnerships between Preston College, the Eric Wright Learning Foundation, local schools and industry.

Well done to Kenzie on this fantastic achievement - a testament to his hard work and dedication.

# Rational UK Filming Day at Priory

On Wednesday, 29 April, Penwortham Priory Academy welcomed Rational UK to school for a day of filming as part of a customer story and publicity project. Rational UK supply ovens and alike to the catering and hospitality sector, and contacted Priory for the piece which would celebrate the impact of their catering equipment in our educational setting.

Rational UK, who supply the iCombi and iVario Pro ovens used in both our main kitchen and outdoor facility, the Pod, spent the day capturing the excellent work of our catering team and the high quality food being produced for pupils. Filming took place across the kitchens, dining areas and wider school environment, providing a full picture of the catering provision at Priory.

The team spoke with Catering Managers Mrs Billings and Mrs Morley, who shared a chef's perspective on how the equipment supports efficiency, consistency and menu quality, as well as Strategic Estates Development Manager Mr Bolton, who was instrumental in the decision to invest in the ovens and discussed their benefits from an operational and sustainability viewpoint. Assistant Principal Miss Thornton was also interviewed about the importance of providing good quality, nutritious food, including initiatives such as First Bite of the Day, to ensure pupils are well fuelled and ready to learn.

In addition, Rational UK interviewed a small group of pupils, who talked confidently about their favourite dishes and their experience of school meals. Those who volunteered to take part gained a valuable insight into the world of film production, learning about camera work and lighting, and experiencing first hand what it's like to be interviewed on camera.

We would like to thank all staff involved and especially the pupils – Haylan, Ernie, Quinn, Dylan and Deborah - who represented the school so positively, stepping outside their comfort zones to take part in a professional media project. It was a fantastic opportunity and an experience they can take forward into their future education and careers.

Learn to succeed

## Young Poets Impress in School and College Competitions

**Our pupils have been showing their creative talents in two poetry competitions.**

The English Department ran a poetry competition in school, the Priory Poetry Prize, where pupils were asked to write a poem on justice, nature, peace or history.

All pupils had a poetry masterclass and there was a winner chosen from each class before the English teachers selected a winner from each year group.

The final winners were Year 7 Lila, Year 8 Alegria and Year 9 Esme.

English teacher Mrs Robinson-Ali

said: "All the poems were of an extremely high standard and it was difficult to choose a winner from each class and then each year group!

"At the end we had ten and we had to choose three. It was very tricky.

"Hopefully this will encourage more of a love of English and I think some pupils didn't realise they had a love of poetry until they took part in the competition. I think many surprised themselves!

"The winners all zoomed in on a particular topic, they were all abstract which we liked."

Lila said: "My poem was about deforestation. It was difficult trying to get words to rhyme so it took a while but it was fun to do. I was surprised to win!"

Alegria's poem was about justice. He said: "I like English and was surprised as I did not think I was capable of winning."

Esme said: "My poem was about myself. I did it for fun!"

Year 7 Alba took it on herself to enter Runshaw College's Sophie Scholl Awards and her poem was highly-commended by them.

It was part of Runshaw's events to commemorate Holocaust Memorial Day.

*Continued over...*

# Year 9 Artist Showcases Work at University Exhibition

We are delighted to congratulate Year 9 pupil Amna, whose artwork was recently exhibited as part of the University of Lancashire's Art & Design Saturday Club exhibition.

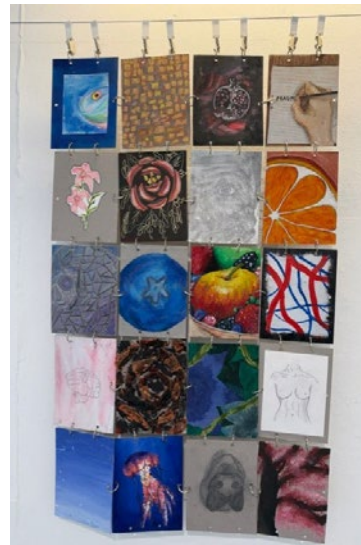

Amna took part in the university's Saturday morning art club, a programme that gives young people the opportunity to explore new artistic techniques and develop their creativity in a higher-education setting. Her finished piece was proudly displayed at the exhibition alongside work from students from schools across the region.

This is a fantastic achievement and a wonderful example of Amna's commitment, creativity and enthusiasm for art. We are very proud of her and look forward to seeing how her artistic journey develops.

The University is now taking applications for 13–16-year-olds to join next year's Art & Design Saturday Club starting on 3 October. You can read more about the exhibition and register interest on the Saturday Club website>>

# After School Cookery Club Celebrates Culture Day

As part of Culture Week, pupils enjoyed a deliciously creative session at the After School Creative Cookery Club last Thursday.

Open to all year groups, the workshop was led by Mrs Qadri and Mrs Lockwood and gave pupils the opportunity to explore food traditions from different cultures through hands-on cooking.

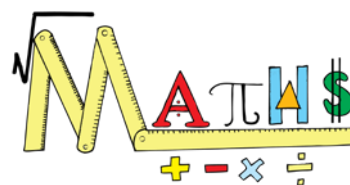

During the session, pupils learned how to make samosas and spring rolls, practising important food-preparation skills such as chopping, folding and seasoning. They discovered that samosas are traditional triangular pastries, popular in South Asia and beyond, often filled with spiced potatoes, peas or meat. Spring rolls offered another cultural contrast, showing how similar ingredients can be prepared in different ways across the world.

The Food Technology room was filled with teamwork, enthusiasm and wonderful aromas as pupils worked together to create their dishes. The session was a fantastic way to celebrate culture through food, while also building confidence, creativity and practical life skills.

# Year 7 Mathematicians Take on the UKMT Junior Maths Challenge

On Wednesday, 29 April, some of Priory's most able Year 7 mathematicians took part in the UKMT Junior Maths Challenge, a 25-question multiple-choice test designed to push pupils' mathematical thinking.

Run by the UK Maths Trust, the Junior Maths Challenge is a national competition for pupils in Years 7 and 8. Priory's mathematicians sit the one-hour paper, which tests problem-solving, fluency and reasoning through a series of increasingly demanding questions.

The UK Maths Trust is the leading British charity dedicated to advancing the education of young people in mathematics, and the challenge has been run at Priory for a number of years by Maths teacher Mr Hunter. He said: "The UKMT Junior Maths Challenge is completed under test conditions in school and really does stretch pupils, requiring them to apply the knowledge they have learnt in lessons in unfamiliar ways."

Pupils who achieve a qualifying score will be invited to progress to the follow-on round, the Junior Kangaroo.

## TEAMMATES WANTED!

Penwortham St Teresa's U14s Girls are looking for new teammates who are currently in Year 8 or 9 to join our fantastic squad!

**About Us:**

- ⚽ We play in The Poulton & District League, with games played on Sundays.
- ⚽ We have been together since U10s & are coached by Damien Savage who is a UEFA B Licensed coach with over 10 years experience coaching Grassroots Football.
- ⚽ We've a great set of girls and provide a supportive and positive coaching environment.

All new players will be made very welcome.

# New Facebook Group For 2026 Intake

Once again, we have set up a Facebook group exclusively for parents/carers whose children are joining us from September 2026.

Whilst we will post bulletins in the group, these will only be reinforcements and reminders of information that has already been issued directly to parents. In addition, the group will also act as a forum for everyone to ask general questions and to get to know one another.

Parents of last year's intake, our current Year 7, have told us that they found the group helpful and a valuable resource, particularly during their first half term at Priory.

New parents can click the link to join. You will then be asked to provide the name of your child before being accepted to the group.

[www.facebook.com/groups/priory2026intake](http://www.facebook.com/groups/priory2026intake)

The group will remain open until the end of the Autumn term.

## Trip Opportunity London 2027

We are delighted to announce an exciting Performing Arts trip to London in March 2027, open to students in Year 7-10.

This fantastic experience will include West End shows, industry-led workshops, iconic London landmarks and two nights hotel stay. Please see the image opposite for further details about what is planned.

At this stage, we are only asking parents/carers to register their child's interest, which can be done via SCOPay (no payment taken). Places are limited and fill up very quickly, so we encourage you to register as soon as possible.

The deadline to register interest is Tuesday, 12 May.

Once places have been allocated, further information will be sent out, including payment and consent details.

This is always a hugely popular and memorable trip, and we are thrilled to be offering it again.

If you have any initial questions, please do not hesitate to get in touch with the Lead Teacher of Drama, Miss Howell via email at [f.howell@priory.lancs.sch.uk](mailto:f.howell@priory.lancs.sch.uk).

Thank you for your continued support.
