

First Aid for Every Child

At Pimperne Primary we believe that we are educating children to be engaged and positive citizens as they enter the ever-changing world ahead of them.

We prioritise the learning of emergency First Aid in order that our children, whatever their age, have a chance at making a decision that could ultimately save lives. Whether at home, at school or out and about there is always the potential for accidents. Being trained in what to do is essential in case our children find themselves in a situation where they need to take control and act with some basic lifesaving knowledge.

Every class in the school learns emergency first aid, at an appropriate level. We also offer the opportunity for children to complete a certificated course, as an after school club, over a number of weeks.

Fun, memorable sessions...

...where role-play comes in to its own!
