Upcoming Events

Friday 7th February - Students are free to dress down and wear clothes that express their personality in recognition of Children's Mental Health Week. Students who wish to dress down we would like to ask for a tinned item donation to help support our school food bank.

Friday 7th February - Official opening of The Greens Food Bank, located in our family hub - look out for a class charts message later this week.

The whole of February - we will be focusing on kindness throughout the school, encouraging staff and students to send postcards of thanks to one another - If you would like to thank a member of staff as a parent/carer please send a message via class charts to Mrs Keogh who will pass on your thanks

School Success Story

We have been creating a number of links with local supermarkets to enable us to create our own **food bank on site** to help support students and their families. Each week we will be collecting fresh produce (fruit and vegetables) from local Aldi, Lidl and Sainsburys stores to add to our current offering.

Keep a look out as one day each week we will be opening the food bank to allow parents/carers to book a slot to collect a food parcel from school. Slots can be booked via class charts message once you have been notified the food bank is open. There will be limited parcels so we will work on a first come first serve basis and your **MUST** contact school via class charts and be able to collect if you wish to receive a parcel.

We are also excited to announce that we have created a great link with **Warburtons Bakery who will supply 60 loaves of 50/50 bread per week to the school to hand out to families** - If you would like to receive a loaf each Tuesday please send a class charts message to the school to be added to the list.

If you are yet to access Class Charts or are struggling with the system please contact the school office who will be more than happy to talk you through the process.
