PRIMARY TALENT SHOW

Our Primary pupils put on a fantastic Talent Show, with singers, dancers and even comedy magicians showcasing their amazing skills and confidence. It was wonderful to see such creativity and enthusiasm on stage.

A huge well done to our winners – one pupil from Panthers and one from Lions – who proudly took home a trophy and a special treat for their brilliant performances.

Families thoroughly enjoyed the event, and it was wonderful to see so many parents and carers attending and supporting our young performers.

Family Support Events

Our Family Support Events are now well underway, with the first three sessions successfully completed.

Parents who attended said they found them really helpful, with chances to meet other families, share advice and take home practical resources.

Our next session we will be focusing on Diet & Exercise the session will run on Wednesday 10th June.

To reserve your place, please contact the school office.

Sporting Success

Our Pine Green team played brilliantly against Lamledge this week, securing an impressive 10–6 win. This was the final match for some of our Year 11 students, and what a fantastic way to finish the season and their Pine Green sporting journey.

A huge well done to all involved – a brilliant result and a proud moment for the team.

Community News

The Greens Food Bank

Thank you to all the parents and carers who shared feedback in support of our Jamie Oliver Community Food Champion Nomination. Your comments mean so much to Kim and Annie, and they play a huge part in helping us continue to grow and celebrate the impact of their work.

We are now exploring additional funding opportunities to support our continued expansion, improve the quality of our parcels and widen the support we can offer to families.

When we return in June, our first week back will feature hygiene parcels, so please keep an eye out for the Class Charts message. We're excited for the next steps and grateful for the ongoing support from our school community.

★ Don't Forget - Wow Wednesday! ★

Each week, we will be sending out a Class Charts message asking families to share any WOW moments from home. This could be a sporting achievement, helping around the house, showing great behaviour, or any moment you're proud of! We love celebrating our students' successes both at home and in school, so please do share your special moments with us.

Get Out and About

Looking for half-term fun? WV Active have a full programme of sports, swimming and family activities this May half term. Find all the details and book here:

GCSE Exams Begin

GCSE exams start on the Thursday 7th May, with the first exam being English Speaking and Listening. Exams will continue throughout the month and up until Friday 12th June.

All year 11 parents/carers will of now received an email from Mrs Downen outlining the dates and exams their child will be taking. if you are unsure please contact the school office.

VR Workshop

In May, West Midlands Police visited Pine Green to deliver important workshops on knife crime and personal safety. Using a VR headset, students were placed in real-life scenarios where they had to make choices and see the consequences of their decisions. This interactive approach helped pupils understand risks, responsibility and how to keep themselves safe in the community.
