Spotlight On Staff

What is your job role?

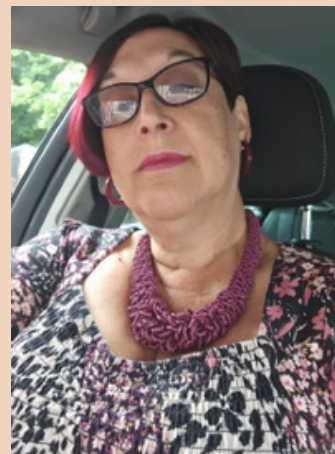

Mrs Michelle Downen - Numeracy, Literacy & Exam co-ordinator

How long have you worked in Education?

I have been in education for 20+ years, initially working within mainstream and then moving to Pine Green as a Teaching Assistant in 2012. Over the past 13 years I have progressed within my career and now co-ordinate the numeracy and literacy interventions and catch-up sessions within the school, along with ensuring all our students are registered for the correct exams, something I am extremely passionate about as I love to see our students thrive and succeed.

If you could take 3 things to a desert island what would they be?

A good book, a photo of my family and a compass to get myself around the island

The Family Hub

We will be launching:

An adult reading group - Improve your reading skills with our literacy lead Mrs Downen, read for enjoyment in a quiet, safe space or just to chat about books you enjoy reading.

LGBTQIA+ - Mr Burns and Ms Howells will be hosting a session discussing the LGBTQIA+ community, share experiences and celebrate everything LGBTQIA+
