

CEIAG Quality at Pioneer House High School

In July 2021 Pioneer House High School achieved the Quality in Careers Standard in full, having been assessed and accredited as fully meeting all the accreditation criteria incorporating the Gatsby Benchmarks for the national quality award for its careers education, information, advice and guidance provision. Further details can be found at <http://www.qualityincareers.org.uk> . The Inspiring IAG Award recognises how Pioneer House High School has developed a bespoke whole school careers curriculum which is effectively led and managed, resulting in the delivery of an effective careers education programme, which ensures highly successful outcomes for our students.

Comments from the Inspiring IAG Assessor included:

- Strong leadership and management of careers with a proactive and dynamic careers leader who is well supported by other staff
- Differentiated and personalised transition programmes for every student to meet their individual needs based on a thorough understanding of each student
- Students are positive and articulate about how the CEIAG provision is enabling them to make informed and independent choices.
