

2022/23
Careers Curriculum Offer

- The programme of careers education at Pioneer House High School is designed to support the progression of student’s knowledge and understanding of realistic career opportunities as they progress through school.
- By the time all students have reached year 14 they will have gained access to, and used, information about career paths to inform their own thinking through learning in the classroom, careers activities and independent, impartial one to one careers guidance.
- The careers leader will have a high profile within school and will lead on the development and implementation of the careers curriculum.
- Communication with students, staff and parents will be through meetings, letters, information events and the school website.
- In line with the school ethos all aspects of the careers programme actively seek to both challenge stereotypical thinking and
- raise aspirations
- All careers guidance is tailored to the individual needs and interests of each student, with reasonable
- adjustments in timings, support provided in each meeting, and methods of advice given.
- Students will be able to participate at least one meaningful encounter with an employer utilising our network of local employers and other stakeholders to facilitate this.
- Whole year group enrichment opportunities, enabling enterprise activities and the preparation for employment curriculum focus on skills that are valued in the workplace.

	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12-14
Autumn 1	Aspirations Assembly Enabling enterprise workshops Fantastic Friday Enterprise activities	Aspirations Assembly Enabling enterprise workshops Employability Skills through Fantastic Fridays	Aspirations Assembly Enabling Enterprise Workshops Preparation for Employment activities – Communication skills for work	Aspirations assembly Next steps assembly Duke of Edinburgh programme Prince’s Trust programme	Aspirations assembly Next steps assembly Duke of Edinburgh programme Prince’s Trust programme	Careers Guidance interviews Aspirations assembly Next steps assembly Vocational learning workshops
