Pupil Premium 2018/19 targets

In the 2018 to 2019 **financial year**, schools will received the following funding for each child registered

- £935 for eligible secondary-aged pupils
- Schools will also receive up to £2,300, allocated on an individual basis for Looked-After and previously Looked-After pupils. The extent of the funding will be decided by the Virtual School head in line with costs identified in the student's individual Personal Education Plans (PEPs)and the impact will be measured by progress towards PEP targets.

- **Our current pupil premium allocation for the academic year 2018 – 19 is £23,375 (25 x £935) Additional to this up to £2,300 LAC Pupil Premium funding for 1 LAC, 2 previously LAC pupils. This will be subject to in-year adjustments for students joining us in or after September 2018 where LAC pupil premium has yet to be confirmed.**

How we plan to spend academic year's allocation 2018-2019

The aim of Pupil Premium in the 2018 – 19 year is to narrow the progress gap between 'All Pupils' and those entitled to 'Pupil Premium'.   However, we also recognise the need to maintain high standards for all and therefore the end of key stage targets are ambitious for all pupils building on previous successes

The focus this year is to diminish any difference in performance between the attainment of pupil premium pupils in the different strands of English and Maths. It has decided that this will be a pupil premium focus as there is no significant difference in attainment between pupil premium and non-pupil premium pupils. Therefore, the variance is underperformance in particular strands of English and maths.

It was also decided that pupil premium funding would be used to increase attainment in subjects that pupil premium pupils do not display the same rates of outstanding progress in comparison to other subjects as again there is no significant difference between pupil premium and non-pupil premium pupils within subject areas.

Identifying which pupils the funding is attached to was completed via the DfE website, this list contains 25 students.

Choice of Focus area:

From analysis of progress data for 2018 – 19 we chose:

- **English- writing**
- **Maths- using and applying**
- **RE**
- **PSHE**

We chose these areas as using the 2018- 19 data these areas demonstrated a small difference in attainment of pupils premium pupils across subjects.

HENCE CURRICULUM AREAS CHOSEN FOR PUPIL PREMIUM INITIATIVES 2018– 19 are the above subjects.

Whole school Pupil Premium Targets 2018- 19

English- writing

- For 85% of pupil premium pupils to make outstanding progress

Maths- using and applying

- For 85% of pupil premium pupils to make outstanding progress

RE

- For 85% of pupil premium pupils to make outstanding progress

PSHE

- For 85% of pupil premium pupils to make outstanding progress

How will the impact of this funding be measured?

The usual cycle of data collection will be used to monitor progress on attainment, using the monitoring and tracking systems that are in place. These will be used to inform student progress and enable the early identification of need, support and appropriate intervention for all students, including this particular cohort.
