1. AIMS

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

2. OUR SCHOOL'S LEGAL DUTIES UNDER THE EQUALITY ACT 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back)
- Allow students to request changes to swimwear for religious reasons
- Allow students to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking students or their parents to get in touch with the Headteacher who can answer questions about the policy and respond to any requests

3. LIMITING THE COST OF SCHOOL UNIFORM

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics

- Considering cheaper alternatives to school-branded items
- Avoiding specific requirements for items students could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for extra-curricular activities
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

4. EXPECTATIONS FOR SCHOOL UNIFORM

At Pioneer House we want our students to look smart when at school and feel proud to wear their uniform, being part of our school community. The governors, parents and staff together believe that wearing a school uniform enhances this feeling of belonging and also can prepare our students for the world of work, where uniform may be mandatory.

School uniform is compulsory and non-negotiable for students in KS3 and KS4.

All students in Key Stage 3 and Key Stage 4 wear the school uniform when attending school, representing the school, or when participating in a school-organised event outside normal school hours. The aim is that students of Pioneer House will develop and feel a sense of community and belonging through the wearing of the school uniform and represent our school with pride.

Only our school jumpers and blazers showcase the school logo. All students will receive a complimentary jumper when they join us, and we have worked with the supplier to ensure the costs of jumpers are appropriately low. To support our families further, we also run 'pre-loved' events where uniforms can be purchased across the year, and we are always very grateful of donations of out-grown uniforms. Families at Pioneer House want to support each other.
