

PIPER HILL SCHOOL PTA FINANCIAL POLICY

A General Financial Policies

1. All PTA-sponsored events must follow this Piper Hill School PTA Financial Policy. The purpose is to ensure secure and transparent financial information.
2. Failure to follow the PTA Financial Policies will result in the loss of insurance coverage for the event according to the terms of our policy.
3. Cheques written on the PTA account will require two signatures. Signatories will include and be limited to the Chairman, Treasurer and Secretary.
4. Review of the Bank Statements and Reconciliation will be done quarterly and signed off by the Treasurer.
5. Half yearly verification of bank reconciliation will be carried out by the Chairman or Secretary.
6. If someone makes a payment to the PTA by cheque and the cheque is returned, because the writer of the cheque (that resulted in being returned) will reimburse the PTA for the original cheque amount plus the amount of the bank's charges. The cheque writer may be asked to pay in cash or the result will be that the PTA will not provide them with the service.
7. The accounts will be audited on an annual basis by an individual not affiliated with the school.

B PTA MONEY-HANDLING AND SECURITY

During the Week at School

1. All money coming in for the PTA may be deposited in a safe in the school office, subject to school policies. The PTA will be responsible to ensure that for any money collected it will be placed in a pot or envelope and a completed, dated and signed form accompany the money stating what it is from and how much there is.
2. The PTA Trustees may agree for the money collected to be held off site from school at either the Chairman, Treasurer or Secretaries home. This has to be approved by all three members.
3. Once per fortnight (more often if needed) - a PTA member will arrange for the school to open the safe and arrange for the money to be banked.
4. Detail of deposit will go into Accounts for budget tracking purposes.

For Events

1. Best practice is that all monies should be handled and counted by 2 PTA members.
2. On evenings or weekend events where a lot of cash is brought in (Disco, Fair, etc) money must be counted by at least one PTA officer and one other PTA member.
3. Cash must be taken to the bank as soon as practical following the event but no longer than 5 working days.

C REIMBURSEMENT REQUEST PROCESS

1. Reimbursements requests must be highlighted to PTA members that forms should be submitted within 30 days of expenditure. Reimbursement requests older than 30 days will require the signed approval of the PTA Treasurer and may be refused.
2. A request must be made and signed outlining the reason for the expenditure, the costs, attach any receipts to confirm expenditure amount and provide bank details for credit refund.
3. Reimbursement requests will be processed at least once per week (when possible).
4. Reimbursement will usually be made via direct bank transfer credit unless a cheque has been requested.
5. If a cheque is requested when it is available a message will be sent to arrange collection or mailed.
6. The Treasurer will write the BACS/cheque number, amount, and date on the original Reimbursement request.
