Dear Parents

March 2020

During what is an extremely difficult time for us all we are writing to give you as much information as we can about the current situation.

As you are aware the government have made the decision to close schools in an effort to manage the Coronavirus pandemic. The exception to this could be for children with an Educational Healthcare Plan and for children whose parents are 'key workers'.

As a result of this school will be closing until further notice at 3.15pm tomorrow, Friday 20th March 2020.

I appreciate this may be a challenging time for you and unsettling for the children but we will do our best to support you throughout the time of closure. We will keep in contact with you as much as possible and when there is information to share with you, we will do so through the school Facebook page and also through the school website.

We will not be sending home curriculum work for the children to complete during their time at home but you will find attached a list of websites which the children can access to support their learning and also a list of 'fun' activities which will also support their learning.

If you anticipate any difficulties with childcare because you are a 'keyworker', please do not hesitate to contact us before we close tomorrow.

We wish you all the very best of health.

Kind regards

Rev H Bloomfield
