

## Mathematics

Solve each of the calculations given on the attachment given, using your skills and knowledge of BODMAS to help you. Remember that BODMAS tells you the order in which you should solve calculations – Brackets, Orders, Division, Multiplication, Addition and Subtraction.

## Reading

Read through the reading task given – 'The Sound Of Breaking Glass' – and using either a pencil and a ruler or highlighter, identify key information in the extract – beginning of paragraphs, key dates, names, events etc. Once you have done this, read through each of the questions on the attached sheet and answer as many of these as you can in your homework book. There are a range of question types, covering all the different types of skills you could get asked in your Reading SATS. Due Friday 28<sup>th</sup> April.

## SPAG

Work through each of the three sections on the Relative Clause sheet given. In section 1 you must identify the relative clause in each sentence, in activity two you must join each main clause to an appropriate relative clause before creating your own sentences with relative clauses in for activity 3.

# Gold Class Homework Summer Term 1

## Mathematics

Log on to Active Learn and open **Smack the shack 6.23c**. In this task you must revise the key skill of multiplying and dividing by 10,100 and 1000. Please complete the Bronze, Silver and Gold levels by the end of half term.

## Mathematics and English

As you did last half term, please make sure that you are completing some of your CGP Revision Booklets each week. You must also make sure that these books (three altogether) are in school with you each day – we may use them in lessons when revising certain skills!

**One of these homework tasks should be completed each week.**

**Homework is due each Friday.**

**If you have any questions or queries about any of the tasks, please do not hesitate to contact me at:**
