

**English** – write 8 expanded noun phrases to describe the picture attached.

**Mathematics** – Keep practising your 4x and 8x tables on 'Hit the Button'. Write your highest score below  
-----

**Science/English** – This half term we are learning about plants. Can you make a poster and label the parts of a flower, including writing a description of why each part is important? Here are some of the labels you will need to include: **roots, stem, leaves, flower**

**English** – Find at least 5 synonyms for the following words: **happy, said, walk, small, big**

You can choose how to record these or simply write a list for each word! E.g Big = mammoth, large, enormous...  
**Challenge: Can you use some of your synonyms in sentences?**

**English** – This half term we will be reading George's Marvellous Medicine. Design your own medicine (it can be as nice or as gruesome as you like!) and write a recipe (including instructions) for your medicine.

## Bronze Class Homework Grid Summer Term 1

**Mathematics** – Log onto Active Learn and play 'Bop a Bird'. Can you finish all three levels? Write down below which level you were able to get up to  
Level: -----

### Reading – It's challenge time!

I have noticed some children are rarely reading their home reading book so this half term I am challenging you all to read as many times as you can and date a new star on the sheet attached each time you read. If you have finished the star reading challenge and handed this in to me by the end of this half term there will be an in-class treat for you!  
- This homework is to be completed alongside the other activities on this web.

**One piece of homework must be completed each week** (there is no expectation that all pieces will be completed this half term as long as one piece is completed per week). Homework books are to be handed in by **Friday** each week. Please feel free to email me any questions. [dellison@poolhouse.lancs.sch.uk](mailto:dellison@poolhouse.lancs.sch.uk)
