

### Reading

Read 'Jack and the Beanstalk' in the attachment provided and answer the questions in full sentences.

### Number bonds to 10

Create a poster displaying all the number bonds to 10. Use the poster to learn your number bonds so you can recall them by memory.  
E.g.  $3 + 7 = 10$

### Mathematics

Starting from 1, write your numbers in order as far as you can. Can you get to 20, 50 or even 100?

## Moonbeam Class Homework grid – Autumn Term 1

### Writing

Write sentences for the pictures provided in your book. Remember to use the correct punctuation, finger spaces and capital letters at the beginning of your sentences..

### Phonics

Access Phonics Play and revise all phase 2 and 3 sounds playing Buried Treasure, Picnic on Pluto or Dragon's Den.

<https://www.phonicsplay.co.uk/>

### Addition

Roll a dice twice and add the two numbers together to practise your addition skills.

Repeat this at least ten times.

E.g.  $2 + 3 = \_$   $4 + 5 = \_$

Challenge – Roll the dice three times and add three numbers together. E.g.  $2 + 4 + 6 = \_$

Please choose one piece of homework to complete each week and hand in by FRIDAY.

Please encourage your child to discuss the phonics sounds they have learnt each week, as well as working on their segmenting and blending when reading their reading books at home.
