

Phonics

Using the sound grid provided in your book and write a word for each sound.

E.g. qu – queen, air – hair, x – fox.

Can you write a sentence or question including any of your words?

English

Write an Autumnal diary. Whilst on a walk in your garden or local area, use your senses to describe what you can smell, taste, touch, hear and see.

Geography

Research and write five facts about the United Kingdom. You could use the internet or go to the local library to research the U.K.

Moonbeam Class

Homework grid Autumn Term 2

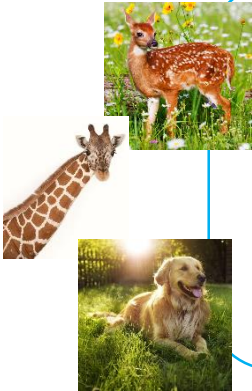

Design Technology

Design and make a Christmas or winter themed decoration to put on our Christmas tree in class.

Science

Make an information booklet about your favourite animal. Your booklet could include information about their habitat, a diagram and labels of their body or what they eat.

Mathematics

Complete the subtraction snake stuck in your books. You could use objects, pictures or your fingers to help you complete the subtraction calculations.

Please choose one piece of homework to complete each week and hand in by **FRIDAY**.

Please read at home every night and sign your child's reading record. Please encourage your child to discuss the phonics sounds they have learnt each week, as well as working on their segmenting and blending when reading.
