

Mathematics and Music

Create a song, rap or poem to help you remember the Days of the Week. You can record it at home and email it to me to share with your friends or perform it in class.
swilson@poolhouse.lancs.sch.uk

Science

Research one of the four seasons. Write an information poster or booklet about your chosen season. Think about the environment, animals, weather, activities you can do and the clothes you might have to wear.

Moonbeam Class Homework grid Spring Term 1

English

Unscramble the sentences provided in your books and order the words and punctuation so they make complete and accurate sentences.

Can you make a scrambled sentence for me to solve?

History

Research The Great Fire of London and write 5 facts. You can use the internet, books from the library or what we have learnt already, to help you.

Design Technology

Bake or design an item of food that you would find in a bakery. You could bake some bread, design a biscuit using icing, design a cookie or make a cake. Take pictures of your baking adventures and include the recipe you followed and the ingredients you used. You can either stick them into your books or email them to me to share with your friends.

Mathematics

List the many ways you can use different coins to make 10p

$$\text{e.g. } 5\text{p} + 2\text{p} + 2\text{p} + 1\text{p} = 10\text{p}$$

Can you list ways to make higher amounts such as 20p, 50p or £1 using different coins?

This homework is optional. I will collect homework books at the end of the half term and rewards will be given for good attempts at homework.

Reading and learning spellings is **compulsory**. Please read with your child as many days of the week as possible and sign your child's reading record to ensure we can change books promptly. Spellings will be tested every Friday.
