

## Year 1 Homework Challenges - Spring Term 2 2020

Design and make an Easter basket.

Make an information booklet about your favourite animal. You can use the internet, library books or information learnt in class to help you. Include information such as their habitat, what they eat, what they look like, where they originate and how they protect themselves.

### Homework Tasks

Write a rhyming poem about spring.

E.g.

Spring, spring is coming soon,  
Grass is green, flowers bloom.

On a walk or trip to the local park, record at least 5 signs of spring that you can see, such as leaves beginning to grow on trees or daffodils blooming.

Choose a flower, plant or tree to draw or create using junk materials, chalks or paint and **label it**. The labels could include petals, trunk, stem, etc.

Please encourage your child to discuss the phonics sounds they have learnt each week, as well as working on their segmenting and blending when reading their reading books at home.

Please read with your child each night for at least 15 minutes and sign their reading record.

Spellings are written in records on a Friday to be tested in class the following Friday.
