## Science
Draw a picture of the human body and label all the key parts such as arms, legs, face, neck, hands, fingers, toes, stomach etc.

Phonics
Phonics - Create your own Phonics word search containing 8 real and nonsense words for a friend to complete in class

Mathematics
Go on Hit the Button (using a tablet or laptop)
https://www.topmarks.co.uk/maths-games/hit-the-button

and play the 'number bond' level. How quickly can you recall your number bonds to 10 in a minute?

Moonbeam Class
Homework grid Summer Term 2

English/computing
We have been learning about algorithms in computing. An algorithm is a set of instructions. Write your own set of instructions explaining how to complete a task. This could be a making a recipe, crafts or carrying out a simple task like brushing your teeth.

Mathematics
Shape Hunt – Take a trip around your house or your garden and find as many 3D shapes you can. Note down or take pictures of the 3D shapes and how many of each shape you find.

Reading
Choose your favourite story and create puppets of the key characters. Use these puppets to retell the story in your own words.

Geography
Create a map of your local area.

This homework is optional. I will collect homework books at the end of the half term and rewards will be given for good attempts at homework.
Reading and learning spellings is **compulsory**. Please read with your child as many days of the week as possible and sign your child's reading record to ensure we can change books promptly. Spellings will be tested every Friday.
