Supervision

Can we remind you that the School Playground is unsupervised until 8:50am.

We do offer a breakfast club that is supervised - this opens at 8:00am and is only £1 per child, children get to choose from cereal, toast, crumpets, milk, water & fruit juice (No children allowed in after 8:25am)

Any equipment (including climbing frames and the Playdale) that is on the yard is there for use in school time, please try not to let your children play with any resources that are outside - They could be being used for a lesson.

Headlice

We have noticed quite a few children itching this week, please can you check your child's hair for head lice - Vosene do a great head lice repellent' shampoo, most chemists also offer free head lice lotion.

Welcome back

We hope you had a great summer. Welcome back and welcome to all our new parents and children.

Sunshine children have settled in well and enjoyed their first 2 days. All the children look really smart in their uniforms.

Thank you

P.E t-shirts

All children in school have been given a new P.E. T-shirt - If your child brings this home for washing, please could you make sure it is returned promptly, white t-shirts (if you've bought one) are great to keep as a spare. School do have some extra coloured t-shirts so if your child loses it or needs it replacing, please speak to us and we can replace it for a small charge .
