**Yr 5 & 6 - 3:15pm - 4pm**

**2 May - Year 6 Tag rugby  
comp**

**5 May - Year 3/4 Dance comp**

**8 May - SATs week KS2**

## SATs Week

A quick reminder that SATs start  
WEEK COMMENCING 8th MAY.

This is such a crucial time for our Year 6 children. Please help them with anything you can, some things they may need are - breakfast, a good nights sleep, revision, confidence (they CAN do it, we know!) We wish them every success and hope they get the results they deserve. GOOD LUCK GOLD YR 6

## Homework

Each week homework is celebrated in assembly on Friday. Every class chooses two pieces of homework to show off. Homework is also celebrated on our website and Facebook page

The standard we receive in school is getting better and better each week, it still surprises us how creative and varied the homework can be.

It's also great that parents want to get involved so much, and its lovely to see some of the amazing creations made, however, please bear in mind that this is the children's work so they should be doing the majority of the work themselves.

## Headlice

Head lice are making a comeback again!

We've done really well tackling the problem with head lice, as the weather gets warmer though they're fighting back and trying to return!

Can you please regularly check your child's hair and treat if necessary, **lice cannot jump** so need hair to hair contact, Teachers are aware of this and do their best to look for it and prevent it during class time. Please speak to us if you have any concerns regarding this.

## Clothing Labels

It's getting to that time of year when we end up with piles of jumpers and coats outside due to the weather - please make sure any items of uniform (especially coats, jumpers and cardigans) are CLEARLY labelled, we do our best to reunite jumpers with owners but cant always do this if they aren't labelled.

### Just for your information

School gates.

Just to clarify our position in relation to the school gates, we do our utmost to keep the car park gates closed during the school day, however, there will be times when they are open, for example - for delivery drivers, for official visitors, for authorised workmen, emergency vehicles, parents collecting children from school or taking them from school for appointments.

The pedestrian gate remains open at all times to allow parents access to the school nursery at different times of the day and into school for different reasons.

The pedestrian gate is also left open to facilitate our response to a major incident when all the children would have to be evacuated away from the school site!

As stated in our most recent OFSTED report -

## ***'Safe Guarding is effective'***

Some other key points on the report are -

- *The school's work to keep pupils safe and secure is good.*
  - *Pupils say that they feel very safe in school.*
- *All parents who responded to the Parent View survey thought that their child was happy, safe and well looked after in school.'*

**Prices Start from £10.00 per hour**
