Safeguarding

We have noticed that a few parents have been coming into school in the morning via the children's entrance, 9am is a very busy and important time for the teachers - should you wish to speak to your child's teacher then please ask at the end of the day or pop into the office to make an appointment.

NSPCC

NSPCC are visiting on the 16th March to deliver some age appropriate assemblies for KS1 & KS2

Year 5 & 6 will also have an additional hour workshop - if you require any further information about this please contact school

Homework

Homework is something that teachers set regularly. We encourage children to think outside the box and we try to set homework that is fun and enjoyable - some of the work we have had over the recent months has been amazing!!

We try to put them on the website or Facebook at least.
