Parking

Again we have to address the parking issue, if you've seen our Facebook page then you should be aware that the police are doing 'spot' checks before and after school on various days, this is mainly due to parking OR STOPPING on our yellow zigzag markings - the sign clearly says that **STOPPING IS NOT ALLOWED BETWEEN 8am and 6pm**. We are taking registration numbers or pictures of anyone ignoring the signs and passing their details onto the police.

Please also note that the roundabout, yes it is a roundabout, is becoming an issue with people going the wrong way round it, (not just school traffic) this is quite dangerous as children struggle to see when they're crossing from the shops towards school - people doing this will also be reported. This is all in aid of keeping your children safe, we have seen a few 'close calls' recently and its been more driver error than a dangerous child.

New Website & APP

You should be aware by now that our brand new website is up and running! Our new web address is - www.poolhouse.lancs.sch.uk (or google us and we're the first 'hit').

We also have an app that we are using, it's a great way to see a quick view of the website and keep up to date with the important things happening in school. We should be able to send 'push notifications' soon when we add important News. (There's a slight 'bug' that is preventing it at the moment).

The app is a great way to find out the important things like news and events, you can view class blogs (which are done every week now) see our calendar and even report absences through it! Its available to download for free at the play/app store - just search for SCHUDIO and select us as your school (no log in needed).

You can of course still find us on Facebook.

Our Theme for World book Day this year is -

Where's Wally

How many 'Wally's' can we get into school?

First Aid

Finally we'd just like to tell you about some Staff Training we all attended over the past 2 weeks.

All Teaching Staff in School have been trained and passed (yes, they ALL passed) in 'Emergency First Aid at Work'.

Teachers aren't the easiest people to teach, so I think a huge thank you is needed to Albany Training for all the effort involved in refreshing these vital skills.
