World Book Day
Thursday March 2nd

Parents Evening
Tuesday March 21st

Talent Show
Wednesday March 29th at 6pm

World Book Day

If you've looked at our new website or have our App you'll know this years World Book Day Theme is Where's Wally.

Wally actually turns 30 this year (who's feeling old now?) To celebrate we thought we'd have our day dressed up as the hide and seek champion!

Lets see how many 'Wally's' we can get into school on Thursday March 2nd.

I'm sure the staff will love trying to work out who is who and "who just did that?"

New Equipment

We have bought lots of new equipment and resources for the children to use at playtimes, this is all being kept in the benches that are around the school building. This equipment has been bought using the money raised from the Valentines Disco.

Children are not allowed to play with these resources before or after school - they are for break and lunch times only. Thank you.

Punctuality

Can we remind parents that school starts at 9am and lessons start straight away, if your child is late regularly they WILL miss valuable lesson time.

If your child misses a lesson, or even part of it, that lesson is never repeated.

Children should be on the School yard at 8:50am ready to start their School Day at 9am.

PE Kits

Can we draw your attention to our PE Kits - we have changed the tops to the colour team that your child is in. The t-shirts were given free out by school for the children to use, should you wish to replace one or buy anymore then please call in, they're priced at a very reasonable £2.

Please also note that black pumps are essential, trainers mark the hall floor and aren't very grippy on the apparatus.

Children without correct PE Kits will be given alternative written work and will not be allowed to take part on Health and Safety grounds!
