

Science/English – create an information poster for younger children which explains the importance of brushing our teeth and how we should brush our teeth.

Mathematics – Practise telling the time to the nearest 5 minutes (past and to times) by playing some of the time games on our class curriculum page on the website.

Mathematics – Choose two 4-digit numbers and add them together using column addition. Make at least 5 questions to answer.
Pink and Amber group – Add two 3-digit numbers

French – Practise counting to 20 in French and make something to help you remember the numbers. This could be a song, game, poster, word search – be as creative as you like.

Silver Class Homework Grid Spring Term 2

Mathematics – practise your times tables and have a go at the speed test on our class curriculum page.

SPAG – Write 10 expanded noun phrases about animals. These can be any animals, maybe even your own pet! Remember expanded noun phrases include adjectives.

RE – After listening to the story 'Jesus in the Wilderness' in RE, draw a storyboard to retell the story in your own words.

Remember that you must be learning your spellings and reading regularly each week!
