

Spellings – write a story or poem using as many of your spellings words from this week as you can. Your poem or story can be about anything you like. Once you have written your story, underline all the words that are your spelling words.

Mathematics – write three 3D shape riddles for someone at home to solve. Remember a riddle gives clues in the form of 'I am... I have...' and ends with 'What am I?'

Writing – Use the following subordinating conjunctions in sentences of your own.
because, when, although, before, after, if
e.g If I get full marks in my spelling test, my mum and dad will be really proud of me.

Mathematics – Using the magic potion shopping list, can you work out how much it would cost to make each of the magic potions? (see worksheet attached)

Bronze Class Homework Grid Spring Term 2

Spellings – write all of your spellings on separate pieces of paper/post it notes. Ask someone in your house to hide them and then go on a spelling hunt. Each word you find you must then write into a sentence.

Mathematics – round the 3-digit numbers to the nearest hundred. (see worksheet attached)

Reading – After reading your favourite (or a new) book, choose your favourite part of the story and draw an illustration for this page, including a speech or thought bubble to show what the main character(s) says or thinks.

Mathematics – play the doubling and halving game with someone at home. (If you don't have a dice at home, please let Miss Ellison know)

One piece of homework must be completed each week (there is no expectation that all 8 pieces will be completed this half term as long as one piece is completed per week). Homework books are to be handed in by **Friday** each week.
Please feel free to email me any questions. dellison@poolhouse.lancs.sch.uk
