

Create your own Roman shield using the key features we have learnt about in History.

In RE we are learning about Buddhism. Research and write 5 facts about Buddhism.

Complete the function machine worksheet (see website or ask Miss Ellison for a printed copy). Remember our learning about function machines in Mathematics.

Create/colour your own Buddhist Mandala pattern. Do you know what the Mandala represents?

Practise your 4x and 8x tables. You could go on Hit the Button, make a poster or create your own game.

Bronze Class Homework Grid Summer Term 1

Grow your own plant at home and keep an observational diary as your plant grows.

Draw and label the Roman armour. What are the different parts called and why were they important?

One piece of homework is to be completed each week. Please email any completed homework to dellison@poolhouse.lancs.sch.uk

Please don't bring any homework into school.
