

Task for Miss Pass!!

I have emailed those of you who sent me a paragraph explaining what you struggle with some work. The work will include a booklet of questions and some handy tips and advice for helping you solve the questions.

Please let me know if you are still struggling with this after.

School Life...

Write someone in class a letter, tell them what you miss in school, how lockdown has been for you and anything else you want to say to them.

When I get your letter I will print it off and you can give it to your chosen person when we are back at school.

Choose as many activities to complete in a week as you would like.

Lockdown Diary

For a couple of days this week complete a diary telling me what you have done each day. What has lockdown been like? What are you missing about school?

Silver Class (Y4) Weekly Work Web Week 5 Summer Term Miss Pass

All Around the World

Research a country in the world you would like to go to. What is the weather like? What can you do there? What is the landscape like? What kind of jobs do people do there? What animals live there?

Find out as many interesting facts about your chosen country as you can.

Athletics and Games

Create your own obstacle course involving athletics such as sprinting. Set this up in your garden and take pictures – maybe even video yourselves completing your obstacle course.

Shapes

Create an informative poster, drawing and labelling different 2D and 3D shapes. Include the properties of each of the shapes. CHALLENGE – can you find any lines of symmetry on your shapes?

Email me some of the work if you would like me to see it – I would love that!
