

Monday.

Today is the 1st of March, and is also St Davids day. Find out all about St David. He is the Patron Saint of Wales. Draw a picture of him and write one fact about him.

The 2 national emblems of Wales are daffodils and leeks. Can you either make some of your own daffodils using egg boxes and card or have a go at making some of your own leek and potato soup?

Go for a walk and see if you can spot daffodils and at least 5 other yellow things.

See if you can spot any other spring flowers and take a photograph of them - look for bluebells, snowdrops, tulips.

Sunshine Class

Work web 1.3.21

Please complete the daily tasks
and send any evidence to my
email address

sparkinson@poolhouse.lancs.sch.uk

All videos can be found on our
Sunshine class learning wall

<https://poolhouse.thelearningwall.co.uk>

Tuesday

Read the poem below about daffodils, can you write your own short poem about a Spring flower, maybe you saw a Spring flower yesterday on your walk?

Create a piece of art work using Spring flowers, you could draw or paint your own meadow of daffodils. You could use real flowers in your picture, or you could draw or paint your own.

Practise counting on and back in 2's.

Wednesday

Find a calendar or a diary and write down all the months of the year in the right order. See if you can write or draw a picture of something special that happens in each of the months. You could include these festivals - Christmas, Easter, Valentines day, Chinese New Year, Pancake day, Remembrance day, Bonfire Night, birthdays or half term holidays from school.

Which is your favourite month and why?

Have a look through all the different yoga videos on our learning wall, choose your favourite one to do again.

Practise counting in 2s to 20 and back again.

Thursday

Today you will make a seasons wheel and find out which months are in which seasons. Split a piece of paper into 4 boxes. Write down one of these seasons in each box - Spring, Summer, Autumn, Winter. Draw a picture of each season in each box and then find out which months of the year belong to each season and add these months onto each box too.

Which is your favourite season and why? What special things do you like to do during this season? What clothes do you wear during this season? Are there any special celebrations during your favourite season?

See if you can remember your number bonds to 10 and write them down.

Friday

Today I would like you to spend your learning time looking at different things on our learning wall, watch and join in with at least 5 of the activities/videos/games.

Talk about how you feel about coming back to school on Monday, you might feel excited or a little bit nervous. Find all your school uniform and your school shoes so that you are all ready for Monday morning. Ask a grown up to email me and let me know how you are feeling. Remember it will be just like last time. Sunshine class will be our own safe happy bubble. Think about all the things we do to keep us safe at school in our bubble.

I cannot wait to see you all on Monday, don't forget your smiles!
