

One Hundred Square

How many squares are there?
Make your own 100 Square like
at the front of our books, from 1 –
100. Then colour in all the
multiples of 3 (all the numbers in
the 3 times table).

Sing Your Multiplications
Are you the next Kylie Minogue?
Write and perform your own
song that will help you learn
either your 3 times table or your
5 times table. It can be a tune or
clap or rap.

A Summer Poem
What makes a good poem?
Write your own poem all about
summer time. It can be any sort
of poem you like. Try to include
rhyme, alliteration and write in
stanzas (verses).

Year 2 Rainbow Class Work Web Week 4 Summer Term

British Isles Map
Can you draw a map of the UK?
Have a look at some pictures of
the United Kingdom from above.
Your challenge is to draw a map
of the UK from above. Make sure
you label the different regions.

Let's Get Physical
What is your favourite sports?
Create your own exercise
routine. You can include any of
your favourite sports. You could
run for 30 seconds, play catch
for 30 seconds or even skip!

Strictly Come Dancing
So you think you can dance?
Dance like you have never
danced before! Your challenge is
to choreograph your own dance
routine to any music you like.
Enjoy yourself!
