

Design your own new superhero and create a comic strip story for it. What does your superhero wear? What is their special power? Do they come across a villain in your story?

Create your own obstacle course at home, you could do this indoors or outdoors. Be creative with what you use - eg lift a tin of beans 10 times, balance a book on your head, dribble a ball between cups

Design a new school uniform. Label your uniform and explain your choices. Think about what material you would use, which could and would it have any special features?

Watch this video about Ancient Egypt on YouTube  
<https://youtu.be/DovySvtHDgg>

Create a poster, sharing some of the new facts you have learnt about Ancient Egypt.

Find 10 different objects around the house and order them from lightest to heaviest weight. Can you predict what they weigh? Weigh the objects if you have a set of scales. Was your prediction correct?

If you could live anywhere in the world, where would you live and why? Can you write an explanation and draw a picture.

## Bronze Class Work Web 4

Your challenge is to complete 1 piece of work each day (Monday-Friday). You can email some evidence to me if you would like me to see what you have been doing too!  
I would love to hear from you all.
