Create an overhead map of your own Jurassic World/Park. Make it clear which dinosaurs you have included on your map and the amenities that guests may need – toilets, food and drink facilities, safari rides, look out towers, etc.

Write a short paragraph that explains where in the world you would like to visit if you had the choice. Explain why you want to visit the place that you have chosen. It could be somewhere you have never been to or somewhere you enjoy going to and would love to visit again.

## Diamond Class Work Web Week 2

Login to ActiveLearn and open the Jungle Jump activity in the Abacus section. Complete the Silver and Gold activities which will test your knowledge of dividing by 10 and 100.

Read a book (it could even be an Active Learn e-book) and write a book review for this book. It can be one we've read in class together. Who would like to read it? What was your favourite part?

**Complete one activity per day (Monday-Friday). You may send any of evidence of your work to my email provided below. Please email me with any questions you have regarding any of the tasks too. I look forward to hearing from you and seeing your work!**

Draw an abstract portrait of someone in your family. Don't forget to label who it is and colour it if you can.
