Interview a family member of your choice about key events in their life. Ask them up to ten key questions. Write a short biography about their life.

Use the Morse Code sheet attached to write a sentence about something you have done this week. Don't forget to put a / between each word to represent your finger space. Write what the message means in English underneath your Morse Code.

Diamond Class Work Web Week 3

Login to ActiveLearn and open the Using Adverbials activity in the Wordsmith section. Complete activities 4 and 5 about adverbials of time, place and manner.

Create your own obstacle course at home. This could be done either indoors or outdoors. Get creative with what you use in your obstacle course. Once you have made it – test out the course. Get someone to film you doing it if you can!

Complete one activity per day (Monday-Friday). You may send any of evidence of your work to my email provided below. Please email me with any questions you have regarding any of the tasks too. I look forward to hearing from you and seeing your work!

Find as many circular items in your house as you can and measure the diameter of these items. Using the skills we learnt this year – find the radius of each of the items without measuring. (Halve the diameter).
