

Mathematics

Think about all the 2D and 3D shapes you know and their edges and vertices. Take a look around the house or garden and see if you can name the shapes of different objects.

Religious Education

In many world religions, believers pray for thanks and they explain what they are thankful for. Write a prayer of thanks that includes the different things you are thankful for.

SPAG

Let's explore plural words. Find out what you have to do to turn each singular word into a plural.
