

# Silver Class – Homework Grid

## Optional Homework for Summer Term

### Mathematics

Choose ten 4-digit numbers and add two of them together randomly using column addition. Repeat. Some adds may need regrouping.

### History

The Vikings were a great race of warriors. Your task is to research five facts about the Viking soldiers and explain why they were powerful.

### English

Use the adjectives below to write some super sentences.  
marvellous | astonished | blue  
delightful | menacing | shaken  
naughty | difficult | golden

### MFL: French

Using a French dictionary or online help, find out how to write and say these different animals in French:  
dog, cat, snake, horse, bird

### Geography

What is the weather like?  
Make a weather diary for a full week Monday to Sunday.  
Explain what the weather is like each day.

### Multiplication

You need to know your times tables up to 12x. Practise, revisit and revise these as much as possible. Learn them through games, raps, songs.

**Remember these Homework tasks are not compulsory. They are optional.**

**You must read your school book every night and learn your weekly spellings.**
