

# Poole High Sixth Form Open Evening

Thursday 7th October  
4.30pm until 7.30pm

30 September 2021

## Sixth Form Open Evening

Dear parent, carer, guardian and Year 11 student,

We are very pleased to invite you to our Sixth Form Open Evening on Thursday 7 October, doors will open at 4.30pm with last admission at 7pm for a 7.30pm finish.

The evening is a fantastic opportunity to visit our specialised sixth-form buildings and to find out about our academic and vocational course offer at Poole High Sixth Form. Our Sixth Form offers an incredible range of prospects for our students and the highest levels of support with future careers and university applications. You will have the chance to speak to our current students about Sixth Form life and our dedicated Sixth Form team: we are all excited to meet you!

Advice and guidance will be on offer from all of our subject specialists and you will find subject stalls located around the site for each of the subjects we have on offer. Our staff and students are looking forward to answer queries about how these courses operate over the two years of study. They will also be able to advise you of how the subjects you choose will support you in the steps you take after your study at post 16.

As well as studying for their academic qualifications, we give our students the chance to undertake work experience; be involved in student leadership; gain valuable skills and experience through enrichment activities; partake in extended learning and get involved in charity work, supporting good causes both locally and internationally. We look forward to giving you further information about these opportunities on the evening. Our newly opened Academic Sports Programme will also be on show. The PE Department and their elite sports students will be in the sports hall to share what this part of our curriculum offers.

At Poole High Sixth Form, we understand how crucial the decisions for the next steps in study are and how many questions students and parents may have. This open evening is a perfect opportunity to find out more and help you make an informed choice about what subjects to take on for further study and how to make the application to our Sixth Form.

Please [complete this form](#) to register your attendance at the evening. If you would like any further information before the evening, please do not hesitate to contact us on 01202 662 001.

We look forward to welcoming you on Thursday 7 October.

Yours sincerely,

Mrs E Nash  
Head of Sixth Form  
Assistant Headteacher
