

22 October 2021

Dear parents, guardian, carer

RE: Year 11 Information Evening - Thursday 11 November

We are looking forward to our virtual Year 11 Information Evening which will take place virtually on Thursday 11 November. This will be an opportunity for both parents and students to attend live seminars and find out about:

- What to expect this academic year, including advice on post 16 pathways;
- How to use the diagnostic exams to your benefit;
- Advice on 'Retrospective Revision' and how to create a revision timetable;
- A range of revision techniques;
- How, as parents, you can support revision and why 'rehearsal' is so important when revising;
- Advice on mental and physical wellbeing;
- Advice on Russell Group and Oxbridge University applications.

Each seminar will last 20 minutes; there will be a 10-minute presentation and then an opportunity to ask questions using the live 'chat' function. It would be fantastic if you were able to be there live on the day but, if you are unable to attend, all seminars will be recorded and you will be able to view recordings of them from 12 November 2021. We will send out further details with links to each seminar closer to the time.

We hope that all Year 11 students enjoy a restful half term break. We are so proud of their dedication to their studies and look forward to welcoming them all back on Monday 1 November. Please ensure that your son/daughter has their 'Knowledge Organiser/Revision Folder with them each day and their Homework Diary is checked and signed on a weekly basis.

Yours Sincerely

Mrs V Stillman
Assistant Headteacher
Year 11 Progress Leader
