Dear parent, guardian and carer

Free School meal voucher for Christmas holidays (FSM)

Thanks to the governments Household Support Fund, the local authority is able to fund supermarket vouchers for the Christmas holiday.

The amount per child is £60 (£30 per week x 2 weeks). The increase in the value of the voucher is made in order to support households with fuel **and** food costs.

Priority parent 1 contact will be emailed the voucher towards the end of term with a text to inform you when sent. If you have any queries please email:
