Dear parent/guardian/carer

Year 11 Easter Revision Sessions

During the Easter break, a number of departments have volunteered to run revision sessions which are being held in school for Year 11 students.

In this respect, please find below a copy of the Easter Revision Sessions timetable. I should be grateful if you would review the timetable with your child, the sessions highlighted are invite only, **students will be invited by their subject teachers** there will be a **sticker in the student planner next week for those invited**. Any other department sessions are open to all students of that subject. Students should not be on site outside of these planned sessions.

The sessions run at different times on the days shown and there will be staff present at all sessions. Students should report to the appropriate room five minutes prior to the session start time, to be registered.

Day	Date	Morning			Afternoon

Attendance at the sessions will provide students with the best possible chance of obtaining their highest potential grade in their GCSE examinations. **The invitation only sessions will be in smaller groups and similar to tuition. It is imperative that, if invited, students do their very best to attend to maximise the impact of this costly intervention.**

Students will not have to wear their school uniform, but they should wear suitable appropriate clothing. They will be expected to exhibit the same high standards of behaviour that we expect of them during their normal school lessons. There will be no facilities open on the school site for students to purchase refreshments, therefore all students need to bring their own snacks and drinks.

We appreciate that Year 11 are continuing to work incredibly hard and attendance to after school revision sessions has been brilliant. Over the break we do advise that students continue with their own revision using the resources available on subject Google Classrooms, in their blue revision folders and online platforms such as SENECA, Sparx, Brainscape and Quizlet.

Thank you for your continued support and we look forward to seeing them at the sessions.

Yours sincerely
