

21 June 2023

Dear parent/guardian/carer

## Year 11 Leavers Celebration on Friday 30 June 2023

As we approach the end of the exam season, governors and staff at Poole High School once again have high hopes for the examinations for all students, and look forward to celebrating their successes on results day in the summer.

As this is the time when many will be thinking about the next chapter of their lives, and shaping their future pathways, we would like to invite students into school for their **final day of Year 11 on Friday 30 June at 12pm. Please meet adjacent to the Music Block.**

This is an opportunity for students to say goodbye to staff, to celebrate the end of the exam season, partake in the tradition of signing their shirts and enjoy an ice cream with their friends before embarking on the long-awaited summer holiday.

Students do not need to wear uniform, but **please ensure that they are appropriately dressed as they would for a non-school uniform day.**

### Final reminders:

- If students wish to donate/return any stationery, text books or school uniform (school ties in particular) to the FOPHS it will be gratefully received and can be placed in the boxes located at reception.
- Please return school fobs to reception.
- Additionally, any students who have medication held on site must collect this on or before the 30 June. Any leftover medication will be disposed of.

We look forward to welcoming your child back on **Friday 30 June.**

Yours sincerely

Mrs F Scott  
Head of Year 11
