

25 January 2021

Dear parents, carers and guardians

Further movement of Year 9 Parent Evening

I am writing in follow up to my letter to you on the 30 December 2020.

Further to the continuing remote learning situation, we are moving the Year 9 parent evening to **Thursday 25 March 2021**.

We are hopeful that this move will allow us to report to you in confidence following the mid-year 9 assessments which will take place once the remote learning period comes to an end. Should the changing situation result in this not being possible, we will provide you with alternate useful indicators to assist in GCSE decisions for your child.

We will launch the GCSE Options process shortly before this date and will provide you and your child with a covid-secure virtual event that will run alongside this important parent evening.

Yours sincerely

Mr K Lean
Assistant Headteacher
