

19 July 2021

Dear Parents, carers and guardians

RE: A-Level Results Day

AS/A-Level results day this year falls on the earlier date of Tuesday 10th August 2021.

We look forward to welcoming Year 13 students to the M&M Hall from **between 09:00 and 10:00** to collect their results envelopes and speak to any of our specialist staff. Year 12 students who have undertaken AS examinations (i.e. AS-Level Further Maths) are also welcome to collect their results envelopes at these times.

We are asking that **wherever possible, only one parent accompany** each student, and that all persons on site continue to wear their face covering.

For instances where results cannot be collected in person, we must have written confirmation from the **student** (not parent) of the named person who will **collect your envelope on your behalf**. Please state the **forename and surname** of the person collecting your envelope and their **relation to you** (you may state they are a friend if no relation).

All written requests must be provided to the examination office using the email exams@poolehigh.poole.sch.uk by the end of term.

Awarding this year have centred upon the 'Poole High School Finals' which has allowed all students fair opportunity to demonstrate their knowledge and skills in each subject. We will provide information on the appeals process on results day, however we cannot overstate the levels of care taken with our awarding process in terms of moderation and standardisation undertaken internally and externally. We are mindful that appeals this year **run the real risk of grades being lowered**. Should you wish to discuss this matter further post-results, please speak to a member of our subject staff in person on results day.

Yours sincerely

Mr K Lean
Assistant Headteacher
