

19 July 2021

Dear Parents, carers and guardians

RE: Transition in to year 8

We have been most impressed in the way in which our Year 7 students have coped and conducted themselves during these irregular times, and we thank you for your continued support throughout this challenging year.

As your child moves in to year 8, our intention is to repurpose our provision back in to our regular curriculum arrangements. As part of this process, we will be renaming our teaching groups. A reference of our teaching group names is as indicated below. Our expectations, ambitions and academic rigour for all students will remain at the highest calibre.

Old year 7 group name	New year 8 group name
N1	P1
E1	H1
S1	S1
W1	P2
N2	H2
E2	S2
S2	P3
W2	H3
N3	S3
E3	P4
S3	H4
W3	S4

Later this week we are also pleased to share with you the end of Year 7 report. You will be able to access this on your SIMS parent app by the end of term.

We look forward to seeing your child again on 6 September at 08:25 when the contact email for the year office will also change to Year8office@poolehigh.poole.sch.uk

Yours sincerely

Mr K Lean
Assistant Headteacher
